

Press Release

Idlib's Bleeding will not be Stopped by Normalizers and the International Community, but by the Khilafah Rashidah, the State of Justice and Islam

(Translated)

After a drone attack on a graduation ceremony for the government forces at the Military College in Homs, which left at least 89 people dead, the criminal regime and the forces loyal to it over the past few days launched intense and systematic artillery and missile attacks on at least 15 villages and towns near Idlib and Aleppo. The attacks affected several markets, residential areas, and schools, in addition to targeting the civil defense center and an electricity facility, leading to pitch darkness in many regions and towns.

As a result of these violent attacks, at least 81 civilians were injured, including 27 children and 19 women, while approximately 15 people died on Thursday and Friday. According to live testimonies, rockets were falling in huge numbers at the same time, which caused great panic and fear, especially among young children who spent their nights sleeping under the stairs of houses. Here is the criminal regime that has returned to its seat in the Arab League, and the blood of innocents is still dripping from its hands in light of the International Community's deliberate silence. And here are the conspiratorial truths of the agent regimes that have been revealed after they raced to normalize relations with the tyrant of the Ash-Sham. All of this made the revolution of Ash-Sham enter a new phase in which those who want the life of this world and those who want Allah and the Hereafter would be distinguished. Allah Almighty said: **﴿الم * أَحَسِبَ النَّاسُ أَنْ يُتْرَكُوا أَنْ يَقُولُوا آمَنَّا وَهُمْ لَا يُفْتَنُونَ * وَلَقَدْ فَتَنَّا الَّذِينَ مِنْ قَبْلِهِمْ فَلَيَعْلَمَنَّ اللَّهُ الَّذِي يَفْتَنُهُمْ فَالْيَعْلَمَنَّ الَّذِينَ الْكَافِرِينَ﴾** **“Alif-Lām-Mīm. Do people think once they say, “We believe,” that they will be left without being put to the test?. We certainly tested those before them. And “in this way” Allah will clearly distinguish between those who are truthful and those who are liars.”** [Al-'Ankabut: 1-3].

And here are the liberated areas of Idlib and its areas still paying the price for their adherence to the principles of their blessed revolution and the great sacrifices that have been made and are still being made. What is happening in Syria, in light of this international neglect, is nothing but to break the will of the rebelling people and eliminate the flame of the revolution that is still burning despite the difficulties it faces, such as the conspiracy of conspirators at home and abroad, and despite the Kaffir (disbelieving) West tightening its grip on the revolution through a series of

conferences and agreements that restored the control of the tyrant of Ash-Sham over all the regions he lost during the years of the revolution in Syria.

In light of what our people are experiencing in the liberated areas, we say to all those traitorous regimes who normalized and continue to normalize with the butcher of Ash-Sham: Here is the pure blood of innocents still flowing on the blessed land of Ash-Sham, so stop denying, justifying, and letting us down! Do you not see what the children and women of Ash-Sham are suffering from the barbaric war machine?! There is no excuse for this defunct regime, nor for you, you who do not care about people's suffering and do not care about their tears and blood. Your main concern is obeying your guardians in breaking the will of the sincere and pious people of Ash-Sham and killing the spirit of revolution in their souls.

We say to all of you, we do not expect those who conspired, betrayed, and indulged in the blood of Muslims, from agent regimes and an international community that practiced hypocrisy at the highest level, to save Muslims and support the oppressed, whether in Syria, Ash-Sham, or in wounded Gaza, saddened Yemen, torn Sudan, Afghanistan, Mali, East Turkestan, Kashmir, and other Muslim countries.

We direct our call tirelessly and relentlessly to the sincere people of strength and power and to the free people from the public masses who have sacrificed and continue to sacrifice by nurturing the path with those working to resume the Islamic way of life and the return of the Khilafah Rashidah (Rightly-Guided Caliphate). This nucleus of the effective solution for the entire world is what will liberate Al-Aqsa and all Muslim countries from the power of these immoral Kuffar, restore the Ummah's glories and prestige, its fear in the hearts of its enemies, gather its diaspora, unite its ranks, and avenge it. It is an extension of the state of our Prophet Muhammad (saw), and he is the one who gave us its glad tidings. «تَمَّ تَكُونُ خِلَافَةً عَلَىٰ مِنْهَاجِ النَّبُوَّةِ» “Then there will be Khilafah on the method of the Prophethood.”
