

Jordan's Despot "King" Gleefully Participates in the Sale of the Blessed Land

Jordan's despot recently left his palace upon Trump's instruction, eagerly flying off to the White House to play his role in the sale of Palestine.

The "king" said only last week, on 5 February 2025, that the displacement of Palestinians to Jordan was a "red line," with rumours circulating that crossing the red line could result in Jordan declaring war on "Israel". This proved to be as true as El-Sisi's claim last year of "Rafah" being Egypt's red line.

In his White House visit, Jordan's "king" sat silently and obediently by Trump's side as the POTUS reiterated his plan to ethnically cleanse Palestine: "We're not going to have to buy. We're going to have Gaza. We don't have to buy. There's nothing to buy. We will have Gaza," Trump told reporters. "It's a war-torn area. We're going to take it, we're going to hold it, we're going to cherish it. ... It's going to be for the people in the Middle East. But I think it could be a diamond."

We "applaud" Jordan's "king" for his moderate success in achieving a "solemn" look. He posed that Egypt and the Arab despots would convene for yet another conference, promising a proposal that kept in mind "the best interests of the United States" and the "people in the region, especially my people in Jordan".

"The best interests of the United States", he said, without a hint of irony. As if any people's interests can co-exist with U.S. imperialism.

The same "king" was photographed only a moment before, smiling from ear to ear as he stood next to Trump. The gleeful look of a man eager to fulfil his role in furthering the sale of the Blessed Land.

Make no mistake, while Trump threatens to pull aid from Jordan, it's true that Jordan is in a one-sided relationship with the U.S.; except it disproportionately benefits U.S. and "Israel" at the cost of the Islamic Ummah. Jordan houses U.S. bases, ensures "Israel's" security, and helps propagate the myth of "Israeli" invincibility by shooting down any toys that Iran sends its way.

The "Israeli" Defense Forces, the most humiliated of all armies, could not defeat the brave resistance fighters of Palestine, who fight with handmade weapons and small numbers. The Jewish entity would cease to exist if any Muslim army marched forth, such as Syria's, Jordan's, or Egypt's.

Allah (swt) confirms this in the Noble Quran, **﴿لَا يُقَاتِلُونَكُمْ جَمِيعًا إِلَّا فِي قُرَىٰ مُّحَصَّنَةٍ أَوْ مِنْ وَرَاءِ جُدُرٍ ۚ بَأْسُهُمْ بَيْنَهُمْ شَدِيدٌ تَحْسَبُهُمْ جَمِيعًا وَقَلُوبُهُمْ شَتَّىٰ ذَٰلِكَ بِأَنَّهُمْ قَوْمٌ لَا يَعْقِلُونَ﴾** "Even unified, they would not dare fight against you except from within fortified strongholds or from behind walls. Their malice for each other is intense: you think they are united, yet their hearts are divided. That is because they are a people with no real understanding." [TMQ Surah Al-Hashr 59:14].

The recent admissions of "Israel's" new army chief, Eyal Zamir, confirm the IDF's weak position: "Official 'Israeli' army figures state that 844 'Israeli' officers and soldiers were killed in Gaza since the start of the war on 7 October 2023 and around 5,696 wounded. Around 1,200 'Israelis' were killed in Hamas's 7 October 2023 attacks, including around 400 military, according to official data. Zamir said there were at least 5,942 registered "bereaved families" since 7 October, with some likely having more than one family member killed in the war on Gaza. He added that there were over 15,000 soldiers who suffered from physical and mental injuries and had been absorbed into the rehabilitation system." While Trump and his obedient Arab despots hailed the Gaza ceasefire deal as a moment of relief for the people of Gaza, it's increasingly clear that the ceasefire simply provided "Israel" with the opportunity to regroup and focus its efforts on invading the West Bank, aided by the Palestinian Authority.

Arab despots, upon their U.S. master's orders, only broker deals that aid the Zionist occupation. Instead of sending their armies to liberate the Blessed Land, they provide "Israel" with vegetables, oil, diplomatic cover, vacation time in Dubai, military cooperation, and the promise of further normalisation.

Thus, as Trump doubles down on his plan to ethnically cleanse Palestine, the Arab despots' only engage in theatre to deceive their people, as they fear uprisings. Uprisings like those that caused Bashar Al-Assad and Sheikh Hasina to flee in defeat and humiliation.

Jordan's despot is so eager to please Trump that he abandoned any theatrics much quicker than Egypt's El-Sisi.

Egypt's El-Sisi, referred to dismissively as the "general" by Trump, declined his Washington visit. The general committed to continuing his theatrics as he fears the loss of his throne. As we saw with Rafah, though, El-Sisi's red lines exist only in his speeches.

Jordan's "king" continues to expose himself as an agent of the West and a man unworthy of ruling in Ash-Shaam. The lands of Ash-Shaam are Blessed by Allah (swt), as the lands of provisions, the heartland of the Muslims, the lands of Prophets (as), and the Chosen Lands of Allah (swt).

The courage, resilience, and Imaan of the Muslims of Syria and Palestine are a source of pride and inspiration for the Islamic Ummah.

The cowardly man who sits in Jordan's palace and calls himself a king is unworthy of ruling the honourable Muslims of Jordan. His presence only ensures the continued sale of the Blessed Land.

We encourage the brave Muslims of Jordan to strive to remove this tyrant and to carry the banner of Islam forward.

"Operation Jordan Flood", led by Shaheed Amer Qawwas and Shaheed Hossam Abu Ghazala, are a source of pride and encouragement for the men of Jordan, especially sincere soldiers in the Jordanian armed forces. The operation also made it clear that the path to uprooting the Zionist entity does not involve obedience to the "king," who dutifully protects the occupation.

Your "king" is only a frail obstacle; prove his fears right and remove him. Al-Aqsa is not his to sell.

Soldiers of Jordan, when will you answer Amer and Hossam's call? The Blessed Land of Palestine calls out to you, demanding you fulfil your duty to liberate it. Expel the American and Zionist occupations from the region and unite the Muslim lands under a single Khilafah (Caliphate) upon the method of the Prophethood.

﴿انْفِرُوا خِفَافًا وَثِقَالًا وَجَاهِدُوا بِأَمْوَالِكُمْ وَأَنْفُسِكُمْ فِي سَبِيلِ اللَّهِ ذَلِكُمْ خَيْرٌ لَّكُمْ إِنْ كُنْتُمْ تَعْلَمُونَ﴾

"O believers! March forth whether it is easy or difficult for you, and strive with your wealth and your lives in the cause of Allah. That is best for you, if only you knew." [TMQ Surah At-Tawbah 9:41]
