

Turkey-Jewish Political Relations continue from where it "Stopped"

News:

The relations between Turkey and the Jewish entity, which was held until 2010 but was suspended due to the crisis in the two countries has now been resumed and political consultations have been started. According to diplomatic sources, "Both parties agreed on the importance of the stability and the security of the region through the relations between Turkey and Israel" in the meetings held in Ankara. Comment:

The 15th round of the Political Consultations on the Levels of Undersecretaries of the Ministry of Foreign Affairs of Turkey and the Jewish entity was held in Ankara on 1 February 2017. Thus, political consultations since 1987 were resumed after a six-year intervention. Although misconceptions have been brought up about the relations between Turkey and the Jewish entity after the Mavi Marmara incident were put on hold, everyone was aware that this wasn't the truth. Likewise, commercial relations have broken records on record.

Following President Erdogan's statement; "the normalization of Turkey's relations with Israel will be of benefit to the region ..." the Jewish entity made a statement announcing that they had agreed with Turkey. Then, the ominous statement of the government spokesman of AK Party Omer Celik came right afterwards; "Undoubtedly the Israeli state and its people are Turkey's friends".

There is no doubt that the people of Turkey are far away from this explanation, which attracted great reactions of the Muslims. The Jewish entity "Israel" is an invading terrorist state. Neither the borders of 1967 nor the borders of 1948 are acceptable. Again, Jews are not Muslims friends. The Jewish entity "Israel" is a malignant tumor that needs to be removed and thrown away from his root like removing a carrot.

Allah *Jalla Jallaluhu* said: ﴿يَا أَيُّهَا الَّذِينَ آمَنُوا لَا تَتَّخِذُوا الْيَهُودَ وَالنَّصَارَىٰ أَوْلِيَاءَ بَعْضُهُمْ أَوْلِيَاءُ بَعْضٍ وَمَنْ يَتَوَلَّهُمْ مِنْكُمْ فَإِنَّهُ مِنْهُمْ إِنَّ اللَّهَ لَا يَهْدِي الْقَوْمَ الظَّالِمِينَ﴾
O you who have believed, do not take the Jews and the Christians as allies. They are [in fact] allies of one another. And whoever is an ally to them among you - then indeed, he is [one] of them. Indeed, Allah guides not the wrongdoing people. [Surat Al Maidah - 51]

In June 2016, the consensus that has been reached between Turkey and the Jewish entity was implemented in six months. During this time, the Mavi Marmara case was also reduced with the political pressure of President Erdogan. Thus, the last obstacle in front of normalization was removed. The 20 million dollars sent to be given to the martyrs by the Jewish entity wasn't accepted by the relatives of the martyrs and it is still kept in the state bank.

The topics mentioned in the consultations are; *"Especially the cooperation in energy, economy, culture and tourism fields and in political consultations the aspect on the developments in the broader region, especially in the Middle East and the Eastern Mediterranean have been exchanged."* *"Turkey-Israel relations were agreed on the importance which the region's stability and security was depended on."*

The day after the consultation and explanation, the Ministry of Foreign Affairs said; *"We condemn the Israeli government to give more approval to an additional 3000 residences in illegal settlements in occupied Palestinian territories."*

As you can see, the Jewish entity finds power and continues its existence, thanks to the AK Party's government and other Arab rulers' hidden and open support.

While such a filthy entity which occupied the lands of the Muslims shouldn't even be considered to be accepted and cooperating with the terror state by claiming it would bring stability into the region, is not simply a blunder, but a betrayal!

Economic and political cooperation on one side and "condemning the illegal settlement" on the other side are far from sincerity, and there is no meaning for the Jews either. When has the Jewish entity even backed up with a condemnation?

Therefore, with the 15th meeting of political consultations, Jewish entity will provide more strength and stability for itself but will continue to terrorize Turkey, Palestine and the region.
