

The Absence of the Khilafah State is the Reason that Massacres of Muslims like that in New Zealand and the Worldwide Aggression on Muslims can continue

O Muslims, Immediately Demand from the Sincere Officers in the Military to give Nusrah to Hizb ut Tahrir for the Reestablishment Of the Khilafah

- 98 years ago, in this month of Rajab (28th Rajab, 1342 AH), the Muslims lost their shield the Khilafah State (Caliphate), and since then, with the disgraceful collaboration of the agent rulers of the Muslim lands, the Kafir Imperialists have continued aggression on the Muslim lands and brutal oppression on the Muslims worldwide. Today, there is no safety or security for the Muslims in his own land or aboard.
- Only the imminent Khilafah State will protect the Muslim Ummah from the aggression of the Kafir Imperialists, and it will emerge as a strong and leading state on the face of this Earth by unifying the Muslims and their armies. **“Only the Imam is the shield, behind whom you fight and you protect yourself with.”** [Sahih Muslim]

O Sincere Officers in the Military, How long will you keep Silent against this Brutality on the Muslim Ummah! Take Your Stance on the Side of the Muslims. Give Nusrah to Hizb ut Tahrir for the Reestablishment of the Khilafah.

Allah (swt) says, **“O you who have believed, respond to Allah and to the Messenger when he calls you to that which gives you life.”**

[Surah Al- Anfal: 24]
