

## **The First UN Envoy Gave Us the Choice between Accepting the Houthis or War! What Choice Will The Second Envoy Gives Us?!**

(Translated)

The new UN envoy to Yemen Ismail Ould Ash-Sheikh has arrived on 07/05/2015 CE to Riyadh, in his first visit since his appointment in 25/4/2015 CE as the new envoy instead of the previous envoy Jamal bin Omar, who resigned two days after the UN Security Council Resolution 2216 on Yemen under Chapter VII on 14/4/2015 CE. According to the Secretary-General of the United Nations Ban Ki-moon, Ismail Ould Ash-Sheikh Ahmed "will start from the achievements of his predecessor, Jamal bin Omar in dedication of regional and international efforts exerted by the United Nations ...," and the warning by Raymonda Murmukaita the Lithuanian delegate to the United Nations, and the President of the Security Council and head of the sanctions committee on Yemen on the Security Council to the Envoy Ismail Ould Ash-Sheikh was not to "start his mission from scratch."

Ismail Ould Ash-Sheikh's first action after his appointment as the new envoy to Yemen was meeting Lisa Monaco, Obama's adviser on counter-terrorism, on 01/05/2015, which referred to the "need of Yemen for a comprehensive political transition process that ensures the participation of all parties concerned in the future," as what came in the statement issued by the White House that the United States "strongly believes that all parties in Yemen have important roles in the peaceful governance in the country .." Ismail Ould Ash-Sheikh was expected to arrive in Sanaa on 28/04/2015 CE if it wasn't for the bombing of the Sanaa Airport runway by coalition aircrafts.

This reflects the extent of the American direction in the planning for the management of Yemen's Affairs. The task of the new UN envoy to Yemen is to consolidate the seat of power for the Houthis by giving them legitimacy after they have stumbled in their attempts to get into power since entering Sanaa in 21/9/2014, and then to move towards a dialogue with the rest of the political parties based on the terms of the Gulf initiative and the results of the dialogue conference, and the related UN Security Council resolutions relevant to silence them, and to convince Salman Bin Abdul Aziz of stopping the war waged by Decisive Storm Coalition aircrafts on the Houthis and Salih in Yemen, and to lift the air and sea blockade imposed on the skies and sea ports of Yemen. And to force the people of Yemen to accept what Ould Ash-Sheikh comes up with, America threatens us in bringing the war to undisturbed cities. Meanwhile on 07/05/2015, the United Nations invited those who spill the blood in Taiz, Aden and other cities for the negotiations in Geneva. This is the choice given to us by the second UN envoy; the approval of the American projects and to accept our blood that is spilled so far, and in addition to the shedding of more blood! And it is, i.e. the United Nations calls these and those, the fighters and politicians to hold negotiations in Geneva between the political parties in Yemen on 13/05/2015 before the deadline set by Riyadh for the start of the negotiations between the political parties in Yemen on 17/05/2015.

As is the habit of envoys of the United Nations, they do not come into conflict zones except for achieving the interests of a particular party like America, which sent envoys to Yemen, and had made the mission of the first envoy Jamal bin Omar to bring Houthis to

Sanaa by preventing the army from fighting them, and to involve them in governance through the peace and partnership agreement, all was welcomed by its Ambassador to Yemen Matthew Tauler who pushed the acceptance of Houthis on anti-Houthi political parties, the men of Britain, by threatening them to start war if they refused...!

The UN envoy Jamal bin Omar sympathized with the Houthis but was arrogant with the rest of the politicians in Yemen in the negotiations and he decided the political process that he led in Yemen to constitute two things: the negotiations that will produce the result that America wants or war. America stood silent towards the Houthis military actions in Sanaa and outside, this is during the era of Jamal bin Omar ... and so it will not be different under the new envoy in terms of dealing with the Houthis and Yemen politicians. Thus Yemen remains subordinate to the colonial Kaffir that directs and manages all parties in our countries to serve its interests.

We in Hizb ut Tahrir call on politicians from the people of Yemen, from all parties, not to welcome the UN Envoy. The blood of people is spilled with the arrival of envoys; killing and fighting increases wherever they set foot till their interests are realised ... It is the duty of Muslims not to settle for the United Nations and its envoys, they are achieving the interests of the major powers, particularly America. Muslim blood does not weigh anything in their scales. The duty of Muslims is to carry the ideas of Islam and its rules and refer to these pure and crystal clear rules revealed by Allah, the Lord of the worlds, and not to the rule of Taghoot that they were forbidden from following:

﴿أَلَمْ تَرَ إِلَى الَّذِينَ يَزْعُمُونَ أَنَّهُمْ آمَنُوا بِمَا أَنْزَلَ إِلَيْنَا وَمَا أَنْزَلَ مِنْ قَبْلِكَ يُرِيدُونَ أَنْ يَتَحَاكَمُوا إِلَى الطَّاغُوتِ وَقَدْ أُمِرُوا أَنْ يَكْفُرُوا بِهِ وَيُرِيدُ الشَّيْطَانُ أَنْ يُضِلَّهُمْ ضَلَالًا بَعِيدًا﴾

**“Have you not seen those who claim to have believed in what was revealed to you, [O Muhammad], and what was revealed before you? They wish to refer legislation to Taghut, while they were commanded to reject it; and Satan wishes to lead them far astray” [An-Nisa: 60]**

And to work to establish a rightly guided Khilafah on the method of Prophethood, for the rule of Islam and renounce everything else, the Messenger of Allah (saw) said:

«ثم تكون خلافة على منهاج النبوة، ثم سكت»

**“... and then there will be Khilafah on the method of Prophethood, then kept silent”.**
