We ask Allah Almighty to hasten the establishment of the Khilafah Rashidah upon the method of the Prophethood. Indeed Allah is Able over this.

The Khilafah is a Fruit within Reach, So Hurry and Pluck it, O Muslims!

Press Release

(Translated)

The month of Rajab returns every year and brings with it many memories that make Muslims happy, but the month of Rajab holds for this generation from the Islamic Ummah a special memory that cannot be overlooked, which is the memory of the destruction of the Khilafah (Caliphate) in the month of Rajab of the Hijri year 1342. The destruction of the Khilafah was the catastrophe that opened the door to the successive disasters that befell the Islamic Ummah over the course of the last century. Since the Islamic Ummah is still experiencing the direct consequences of this catastrophe, it is necessary to commemorate this memory until this situation is corrected and the Muslims retain the state that protects them from the evil of the enemies, preserves them from the pain of disasters, and restores their standing among nations.

Since the colonial Kaffir West succeeded in its conspiracy to destroy the Khilafah to dominate the Muslims and their lands; it perpetrated the most severe forms of oppression and harm on the Islamic Ummah, to the extent that the Ummah's condition is as if it was placed on the interrogation chair in the torture chamber! All kinds of material harm were inflicted on it. It killed its sons, violated its honor, plundered its resources, plundered its land, shredded its lands, and incited strife among its people. It also inflicted various types of moral harm on it. It attacked the rules of Islamic Shariah, insulted its Prophet, we seek protection from Allah, and insulted its purity and chastity, and downplayed its status to the point where the demons of humankind from criminals and thugs took it as a target of their greed. What we see today is the audacity against Muslim children in all corners of the earth, from kidnapping, torture, captivity, disappearance, killing, starvation and neglect. It is only because these innocent birds and vulnerable families have no protector; an Imam who will be the successor of the Messenger of Allah (saw) and on his method, who will gather the men of the Ummah and its brave ones, and direct their anger on the criminals who have wronged them, thus making them forget the whispers of Satan. On the authority of Abu Hurairah, on the authority of the Prophet (saw),

he (saw) said:

إِمَامًا الْإِمَامُ جُنَّةٌ يُقَاتَلُ مِنْ وَرَائِهِ وَيَتَّقَىٰ بِهِ»

“The Imam is a shield, behind whom you fight and protect yourself”.

The successive uprisings of the Islamic Ummah have proven that it waits for opportunities and does not miss them. If someone appears to be confident in its capabilities and adopts its interests, the Ummah will trust him and unites around him and will work with him to try to restore its authority that was taken from it. Those who know the conditions of the Islamic Ummah, even among its enemies, are well aware that the Ummah after every attempt of emancipation, even if it fails, the awareness of the extent of the hatred of the West and its agents against it, and the extent of its need to remove its influence from its lands will accumulate in its memory. Therefore, the reality of the Ummah's condition today is that it is battling its chains in order to break free from them, grinding its teeth out of anger, and looking into the eyes of its executioner, threatening him of a bad outcome. The most important thing is that the Ummah has adopted the Khilafah as the system that Islam brought, and everything that contradicts it is forbidden.

The Islamic Ummah today is in an open clash with the West

and its civilization. In the Muslim countries the Islamic Ummah tried to turn the table on the colonial situation in the so-called Arab Spring, and the West was unable to confront this uprising except with iron and fire, and only found temporary solutions for it. In the countries of the West, to which the Muslims migrated, entire Muslim communities in general and their families in particular were difficult to integrate into the civilization of the West and kufr, decadence and immorality that it carries. The West lost its mind and bared its teeth and made a move that revealed its bankruptcy and despair from Muslims, which is the attempt to impose the creed and secular life by force on Muslims in their countries and in Western countries, even if he was forced to adopt decisions that clash with public opinion openly. The American president incited his people and the world against Muslims, and the French president clamped down on the private lives of Muslim families in France. Scandinavian governments fueled the decisions to remove Muslim children and hide them from their families. The rulers of the House of Saud imprisoned the scholars and then opened the land of the Two Holy Mosques to immoral locusts of both female and male dancers. The Arab Gulf States followed them and announced the normalization of relations with the usurping Jewish entity of the Blessed Land of Palestine. This indicates the extent of the West's confusion and bankruptcy in melting the Ummah into its civilization and its failure to subdue it.

This movement of the Ummah does not mean that it cannot be deceived by poisoned projects, in the corridors of politics, and with take-and-request approaches, and the traps of Machiavellian logic, which their consequence is the wrath of Allah and the loss of the world and the Hereafter. It will not be saved from these traps or the trust in agents except by the sincere and capable who

can address it and it listens to them and their advice. In this time, they are the sincere makers of public opinion. We turn to them and warn them of Allah (swt), they should not hesitate to expose conspiracies, and they should not make the Ummah follow the agents and traitors, and they must not divert the Ummah from its vital issue.

Here, the Central Media Office of Hizb ut Tahrir calls on all media persons and media outlets, especially the loyal ones, who are keen to lift the Islamic Ummah from the state of humiliation it is in. We invite you to be supporters of the truth and beacon of goodness, so participate in covering the activities of this campaign to call for the restoration of the Khilafah on the method of the Prophethood.

As for the people of power and protection, they are the last to stand between the Ummah and the realization of the return of the Khilafah Rashidah (rightly-guided Caliphate) on the method of the Prophethood. The Ummah is ready for unity, Khilafah, building and mobilization. It only lacks those who will secure a safe area for Islam, to be its focus point from which it spreads to the rest of the world. This will not be achieved unless the Nusra (material support) is achieved by those who are able to remove the authority from the hands of the traitors and agents and return it to the Islamic Ummah.

Allah (swt) says:

﴿وَالَّذِينَ آوَوْا وَنَصَرُوا أُولَٰئِكَ هُمُ الْمُؤْمِنُونَ حَقًّا﴾

“...and those who gave shelter and aided - it is they who are the believers, truly” [Al-Anfal: 74].

The Women's Section in the Central Media Office of Hizb ut Tahrir Launch an International Campaign: "The Khilafah: Ensuring Women's Dignity, Security & Shariah Rights"

Press Release

The month of Rajab marks the tragic anniversary of the loss of the Khilafah (Caliphate) more than 100 years ago in the Hijri calendar. This leading state ruled by Islam had always stood as a guard over the dignity, security and Shariah rights of women in the Muslim lands and beyond. Following the fall of the Khilafah, the lives of women in the region and Muslim women across the world became blighted with all forms of oppression and injustice, persecution and destitution under man-made systems and regimes – from democracies to dictatorships – which violated their honour, failed to provide them physical and financial security, and cared nothing for their God-given Shariah rights. Hopelessness, desperation and despair became the story of their lives in the absence of the shade and protection provided by the Laws and System of Allah (swt).

There is a path out of this living nightmare that millions of Muslim women are facing across the world, and that is the re-establishment of the Khilafah based upon the method of the Prophethood which the Prophet (saw) described as the guardian and shield of the Muslims. However, there are many fears, doubts and questions today about what such a state would mean for women and their status and rights. Such fears and misgivings are born from centuries old lies, fallacies and attacks by Western colonial governments, writers, media and feminists regarding the treatment of women under Islamic rule, which continue to be peddled today. Such myths and falsehoods were purposefully created and propagated by successive colonial rulers and their supporters to destroy the Khilafah and subsequently to prevent its return, with the aim of maintaining and furthering their colonial influence and control over the politics and resources of the Muslim lands.

So this Rajab, the Women's Section in the Central Media Office of Hizb ut Tahrir, has launched an international campaign to address these fears, doubts, and questions about the status of women under Islamic rule. The campaign entitled, "The Khilafah: Ensuring Women's Dignity, Security & Shariah Rights" aims to present a clear understanding and vision of what life would genuinely be like for women under the shade of the Khilafah state with regards to their rights, roles and treatment as evidenced by the Islamic texts, and demonstrated by Islamic rule in the past, away from the orientalist and colonial lies and fantasies. Importantly, we will seek to explain how the principles, laws, institutions, structures and systems of

the Khilafah would practically solve the many political, economic, judicial, educational, healthcare and social problems that women face today and that all man-made systems, including democracies – East and West – have failed to resolve.

We hope that you will follow and support this important campaign that aims to dismantle the lies, break the fears, and present the truth of the position of women under the Khilafah in order that we may turn despair into hope and establish a state that will end the living nightmare being suffered by millions of women today and build a brighter, more just, secure and dignified future for the women of this Muslim Ummah.

If any do reject Faith after this, they are rebellious and wicked." [An-Nur: 55]

O Muslims! Is it not Enough that you Spent a Century without the Khilafah?!

Press Release

The Khilafah (Caliphate), which united the Muslims and was the protective shield of the Ummah, was demolished on Rajab 28, 1342 AH, corresponding to March 3, 1924, by Western countries led by Britain and with the help of their local agents. On this date, Muslims became without a shepherd or power. After the abolition of the Khilafah, Muslims suffered greatly and witnessed many occupations and destruction. The British not only demolished the Khilafah but also gave the lands of the blessed Al-Aqsa Masjid to the occupying Jews in 1948. The occupation of the Islamic countries and the suffering of Muslims in the last century without a Khilafah is almost incalculable due to its abundance. The French committed genocide in Algeria and killed more than a million Muslims. Millions of Muslims, children, old people, women and men, were killed by the Kuffar during the occupation in Bosnia, Afghanistan, Iraq, East Turkestan and Kashmir. Nearly a million Muslims have been killed in the decade plus Syrian war, and millions have been displaced to other countries as refugees. The blood of Muslims has never been shed with such ease and neglect at any time throughout history. Western countries have also plundered and exploited the wealth underground and above it in Islamic countries during the past century.

After we were strong under the Khilafah, we weakened without it, and after we were wealthy we became poverty-stricken, just as we fell into humiliation and disgrace after we were in dignity with the Khilafah. After we were one Ummah and one state in the Khilafah, by its demolition, we were torn and divided. Also, under the Khilafah, we had pious, dignified and brave Khalifs (Caliphs), and then the rulers which were appointed were cowardly colonial rulers and traitors loyal to the West. Likewise under the Khilafah, the joy and sorrow of Muslims were one, but after the [loss of] Khilafah even the hearts became divided. Some became nationalists, others patriots, others secular and democrats, and some became modernists and Westerners...

O Muslims: After a century of black pages, the time has come to open a clean and white page for the Islamic Ummah. The time has come to liberate Palestine, end the injustice in Syria, and respond to the killing of children in Iraq and Afghanistan. It is also time to stand for East Turkestan and answer the call of Myanmar and Moreh!! It is time to unite Kashmir, Pakistan, India and Bangladesh. And the time has come to open the gates of Mecca unconditionally to all Muslims, and to end the longing for Medina Al-Munawwara! Working to establish the Khilafah is Allah's obligation on all Muslims, and even the crown of all obligations. As the establishment of the Khilafah is the promise of Allah Almighty and the glad tidings of His Messenger (saw). There is no doubt that Allah's promise is true and the glad tidings of His Messenger will inevitably be fulfilled. For Muslims, the Khilafah is not a dream,

but a reality. By establishing it, we will be liberated! The Messenger of Allah (saw) said:

«ثُمَّ تَكُونُ خِلَافَةٌ عَلَىٰ مِنْهَاجِ النَّبُوءَةِ»

“Then there will be a Khilafah (Caliphate) upon the method of the Prophethood”.

O Muslims: Rise to work with Hizb ut Tahrir in order to establish the Khilafah Rashidah (Rightly-Guided Caliphate) State upon the method of the Prophethood, so enjoy the realization of the good news of the Messenger of Allah (saw). Hizb ut Tahrir calls you to the only way that will save humanity, and they want the best for you and to attain Allah's pleasure by reminding you of the facts that you have forgotten. The time has come for action, the time has come to break the silence, the time for struggle, and the time for the Khilafah so stand up and work to establish the Khilafah again.

O People of strength and invincibility: Hizb ut Tahrir invites you to give it support in order to establish the Khilafah Rashidah State. Hizb ut Tahrir invites you to be partners in this great good, so go ahead, let your trust be on Allah (swt) Alone, not on the United States, the European Union and NATO, and let your destination be Islam and the Messenger of Allah (saw) not Europe or Russia. Will you not respond to this call that will give you strength, immunity, and glory once more for the sake of Allah (swt) and Islam.

Karnataka or Uttar Pradesh, Kashmir or Al-Quds, the Only Protector of Our Daughters is the Khilafah

Press Release

The video of a defiant daughter of the Islamic Ummah from Karnataka, in the Hindu State, went viral around the Muslim World in a matter of hours. She confronted a large number of Hindu extremist thugs, alone but for her Lord, Allah (swt), Who suffices for the believers. Her courage, perseverance and steadfastness upon Islam, in spite of overwhelming circumstances, captivated the hearts of the entire Ummah. Since then, phrases such as Allahu Akbar and “Sherni” (lioness) have been trending on Twitter. It is the passion for steadfastness within this Ummah that makes heroes of those who stand in front of the Hindu State. However, where are those who must protect our daughters, whether in Karnataka, Kashmir or al-Quds, with their blood, fire and steel?

Who must stand up for our daughter in Karnataka, or other daughters in Uttar Pradesh who have not been allowed to enter the classroom, whilst wearing hijab? Which Muslim state must protect our daughters in Palestine or Kashmir, or our daughters in France, from whose pure heads beastly crusaders have ripped off coverings? Where is the Muslim state to mobilize armies to protect the lives, property, honor and sanctity of our daughters? Do the lines drawn by the British Raj allow us to hand over helpless Muslim women to rampaging Hindu or crusader beasts? There is no divine text whatsoever that allows the response of the Muslim armed forces to be limited to the borders drawn by the kafir colonialists, after the destruction of our unifying Khilafah (Caliphate) on 28 Rajab 1342 AH, 3 March 1924. Had Muhammad bin Qasim been content with merely providing “moral and diplomatic support” to the oppressed Muslims of the Indian Subcontinent, then perhaps today we too would have been chanting Ram Ram, drinking cow urine and prostrating before idols.

The genuine sentiments and aspirations of the Islamic Ummah are obvious now all over the world. However, what are the stances of the current rulers of Muslims? They have stabbed the Kashmiri jihad in the back, which emboldened Modi in legalizing his occupation of Kashmir. Despite the crossing of this red line, the spineless Bajwa-Imran regime refused to mobilize Pakistan’s willing and capable Muslim armed forces. Worse, the regime called Jihad in Kashmir betrayal of the Muslims in Kashmir. These visionless rulers maintain backchannel talks with New Delhi, whilst granting

Modi the gift of ceasefire on the Line of Control, which gave the Hindu State the capacity to incite terrorism in Balochistan and beyond. The protection of Muslim daughters cannot be expected from those who trade over the honor of the Prophet (saw) for foreign currency, for it can only be delivered by a Khaleefah Rashid, seeking the reward of Allah (swt) alone. The Messenger of Allah (saw) said,

«إِنَّمَا الْإِمَامُ جُنَّةٌ يُقَاتِلُ مِنْ وَرَائِهِ وَيَتَّقِي بِهِ فَإِنْ أَمَرَ بِتَقْوَى اللَّهِ عَزَّ وَجَلَّ وَعَدَلَ
كَانَ لَهُ بِذَلِكَ أَجْرٌ وَإِنْ يَأْمُرُ بِغَيْرِهِ كَانَ عَلَيْهِ مِنْهُ»

“The Imam (Khaleefah) is a shield for them. They fight behind him and they are protected by (him from tyrants and aggressors). If he enjoins fear of Allah, the Exalted and Glorious, and dispenses justice, there will be a great reward for him; and if he enjoins otherwise, it redounds on him.” (Muslim). So, O Armed Forces of Pakistan, who amongst you will be the loyal son of Muhammad bin Qasim, to crush the Raja Dahirs of today, tying them in chains to present them to the Imam (Khaleefah) of Muslims? Uproot the cowardly leadership by granting your Nussrah now to Hizb ut Tahrir for the re-establishment of the Khilafah (Caliphate) on the Method of Prophethood, so that you march, raising Takbeer, whilst enemies retreat in fear.

To Avenge the Pilkhana Massacre, Bangladesh Military Must Resolve to Reestablish the Khilafah (Caliphate) on this Hijri Month of Rajab of the 101st Year of the Destruction of the Khilafah

Press Release

This February 25th (Friday) marked the 13th anniversary of the tragic Pilkhana carnage. On that day in 2009, we helplessly witnessed the brutal massacre of the 57 brave army officers at the Pilkhana headquarter of the then Bangladesh Rifles (BDR). Naturally, we never expect justice from the Hasina regime which had collaborated in that brutal slaughtering of our brilliant sons to give India the upper hand. After that mutiny, this US-UK ploy to weaken our military became clear as daylight with the subsequent conspiracies of the Hasina regime against the military.

This great conspiracy against our armed forces began in 2008 when the compromise between US and UK helped install the Hasina regime. As part of its “Pivot to Asia” strategy to contain China and prevent the imminent return of the Khilafah (Caliphate), the US has been supporting the rise of India as a regional power by offering her packages of political and economic. And the UK naturally supported this strategy that gave her loyal agent the upper hand over Bangladesh’s armed forces. Thus, the Pilkhana massacre was carried out by the traitorous Hasina regime under this shared geopolitical framework of the US-UK.

Sadly, this year people in Bangladesh are mourning the victims of the Pilkhana mutiny in the Hijri month of Rajab when globally the Ummah is also observing the painful 101st anniversary of the destruction of the Khilafah in 1342 AH – 3rd March 1924. Perpetrators of both the tragedies are of the same kind – the treacherous rulers in the Muslim lands. Hasina’s treachery in backstabbing our powerful military carries the legacy of the traitor Kemal Ataturk who also collaborated with the Colonialist Kuffar to dismantle the mighty Uthmani (Ottoman) Khilafah State. Such treacherous secular rulers are always appointed by their colonial masters to ensure the subjugation of the Ummah.

O Sincere Officers of the Military! You possess the key to power and yet you have spent 13 years without avenging the death of your martyred brothers! Your passivity towards the regime’s

betrayal against the armed forces is taking you down the road of ignominy. Your silence has given this regime confidence to turn you into a cheap and docile force that is being used as fuel for the interests of the Kafir-mushriks. We, in Hizb ut Tahrir / Wilayah Bangladesh, call upon you to rise from this disgrace and assume a courageous stance in order to restore your might and dignity. Reject the obedience to the treacherous Hasina regime that is collaborating with the enemies of Islam and the Muslims to make you subservient to them in a humiliated manner. Support Allah (swt) and His Messenger (saw) by granting nussrah (material support) to Hizb ut Tahrir to bring back the promised Khilafah Rashidah (rightly guided Caliphate) on the method of Prophethood. March forth to support this Deen, and make this Rajab the last to end the hundred years of disgrace and weakness.

Allah (swt) says,

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا اسْتَجِيبُوا لِلَّهِ وَلِلرَّسُولِ إِذَا دَعَاكُمْ لِمَا يُحْيِيكُمْ وَعَلَّمُوا أَنَّ اللَّهَ
يَحُولُ بَيْنَ الْمَرْءِ وَقَلْبِهِ وَأَنَّهُ إِلَيْهِ تُحْشَرُونَ﴾

“O you who believe, respond to Allah and the Messenger when He calls you to what gives you life.” [Surah Al-Anfal: 24].

Al-Masjid Al-Aqsa Awaits its Salahudin and Abdul Hamid II, Whilst Pakistan's Rulers Normalize with its Occupiers

Press Release

In a step towards normalization with the Jewish occupiers of Palestine – the Blessed Land, Pakistan's rulers have deployed the Pakistan Navy for joint exercises, under the banner of the International Maritime Exercise (IMX/CE 22), which concludes on 17 February 2022. Thus, Pakistan's rulers steadily march towards alliance with those who occupied lands of Muslims, even though Allah (swt) said,

﴿إِنَّمَا يَنْهَى اللَّهُ عَنِ الَّذِينَ قَاتَلُوكُمْ فِي الدِّينِ وَأَخْرَجُوكُم مِّن دِيَارِكُمْ﴾

“Allah forbids your alliance with those who fight you because of your Deen, and drive you from your homelands.” [Surah al-Mumtahina 60:9]. Instead of taking steps to eradicate the Jewish occupation, Pakistan's rulers familiarize the enemy with our weapons, capabilities and tactics, even though Allah (swt) commanded,

﴿وَأَخْرَجُوهُمْ مِّن حَيْثُ أَخْرَجُوكُمْ وَالْفِتْنَةُ أَشَدُّ مِنَ الْقَتْلِ﴾

“And expel them from wherever they have expelled you, and Fitnah is worse than killing.” [TMQ Surah al-Baqarah 2:191].

O Muslims of Pakistan! Islam obliges military response to occupation of any Islamic Land, so what is required when the Destination of the Israa' of the Messenger of Allah (saw) is occupied?! Allah (swt) said,

﴿سُبْحَانَ الَّذِي أَسْرَى بِعَبْدِهِ لَيْلًا مِّنَ الْمَسْجِدِ الْحَرَامِ إِلَى الْمَسْجِدِ الْأَقْصَى الَّذِي
بَارَكْنَا حَوْلَهُ﴾

“Glory be to the One Who took His servant Muhammad by night from the Sacred Mosque to the Al-Masjid Al-Aqsa whose surroundings We have blessed” [TMQ Surah Al-Isra'a 17:1]. What compels us to allow the flagrant disobedience of Allah (swt) over the sanctity of Al-Masjid Al-Aqsa? Did Allah (swt) leave us poor and deprived of economic resource, such that we need economic normalization with the occupiers of Al-Masjid Al-Aqsa? How so? The Islamic Ummah has most of the world's valuable resources under its feet, impoverished only by the wretched rulers of today. Did Allah (swt) leave us weak and deprived of armed force, such that we need military normalization with the Jewish occupation? How so? 176,000 cowardly soldiers of the Jewish entity, clinging to this life, are no match for the 2,787,500 troops of the seven largest Muslim armies, yearning for martyrdom.

Al-Masjid Al-Aqsa awaits its General Salahudin. Under the leadership of the Abbasid Khilafah, Salahudin liberated al-

Aqsa on 27 Rajab 583 AH, on the anniversary of the Isra'a of the Messenger of Allah (saw). The Qadi of Damascus, Muhiyudden ibn al-Zaki, then gave Friday Khutbah, proclaiming, “Honor to this army, which He (swt) has chosen to complete the re-conquest! And may salvation be upon you, Salahudin Yusuf ibn Ayyub, you who have restored the spurned dignity of this Ummah!” So is it not high time that we re-established the Khilafah (Caliphate) on the Method of Prophethood, so that our military officers can earn such an honor today?

Al-Masjid Al-Aqsa awaits its Khaleefah Abdul Hamid II. The Uthmani Khaleefah, Abdul Hamid II, repelled Zionist financial bribes regarding Palestine by saying, “Let the Jews keep their millions. If the Khilafah is destroyed in the future, they can then take Palestine without a price. However, whilst I am alive I would rather push a sword into my body than see the land of Palestine taken away.” Indeed, Palestine was only taken after the destruction of the Khilafah, on 28 Rajab 1342 AH. So, is it not high time that we re-established the Khilafah (Caliphate) on the Method of Prophethood, so that we reclaim our lost sanctities today?

Hizb ut Tahrir / Malaysia Launches Campaign "Islam Kaffah Under the Khilafah"

Press Release

The grief episode of the Ummah continues this Rajab as a century had passed after the collapse of the Khilafah (Caliphate). One hundred years is not a short period for any nation to lose a country, let alone for Muslims to lose a blessed State which was built on the blood and tears of the faithful and the command from the seven-layers of heaven. This is the State that has liberated the Muslims from all suffering, the world from all darkness and liberated all humankind from the worship of fellow human beings to worshipping only Allah Azza wa Jalla. This is the State that has honored Islam and its followers and disgraced Kufir and its followers. This is the State that has made the religion of Allah (swt) victorious over all other religions and the State that has spread the blessings of Allah (swt) to every corner of the earth. This is the State that has implemented the law of Allah (swt) comprehensively (Kaffah) and has brought justice and prosperity not only to human beings, but also to the kingdoms of plants and animals. Yet, this mighty and blessed State collapsed on 28 Rajab 1342 H (3 March 1924 CE) as a result of internal betrayal, which has left a severe and deep wound on this Ummah till today.

Along with the collapse of the Khilafah, all the glories, the sanctifications and the blessings disappeared as well. And so did the total implementation of Islam - "Islam Kaffah" - that sheltered the Ummah for 13 centuries. What's left in the Muslim countries nowadays are only a few Islamic laws that are practiced individually such as the Salah, Aurah, marriage, inheritance and rules regarding food and drinks. Islam statehood and society vanished from the lives of the Muslims and worse, secular states and Kufir Western laws became the replacement? As a result, Muslims have forgotten the comprehensiveness of Islam and its perfection - its ruling system, economic system, social system, punishment system and so with education and foreign policies. There are Muslims who have totally forgotten and disregarded Islam and have lost confidence in the Islamic systems and laws.

On these bases, and in conjunction with the month of Rajab, the month of the fall of the Khilafah, Hizb ut Tahrir / Malaysia is launching a campaign entitled "Islam Kaffah Under

the Khilafah" which will run from the beginning to the end of Rajab this year, Insha Allah. Throughout the month, we will be explaining and reminding the Muslims in general and the rulers in particular, on the comprehensiveness of Islam and the obligation to restore the entire Islamic law (Shariah) which in turn means restoring the Khilafah, as the one and only institution that is capable of implementing Islam in its totality - the "Islam Kaffah". We pray to Allah (swt) that He blesses this campaign and ease its implementation. We hope that this campaign would raise the awareness in Muslims of the obligation and importance of restoring the Islamic way of life comprehensively under the blessed State of Khilafah upon the method of the Prophethood.

Hizb ut Tahrir / Kenya Organized Campaign on the 101 Anniversary of the Fall of our KHILAFAH

Press Release

(Translated)

As part of the 101st anniversary of the destruction of the Khilafah (Caliphate), Hizb ut Tahrir / Kenya launched a campaign under the title: 'KHILAFAH OUR NEED' with series of events notably:

- 1- Picketing after Jumua Prayers across Kenya. (Friday 24th Rajab 1443 AH corresponding to 25th February 2022)
- 2- Street visits and Talks (Saturday 25th Rajab AH 1443 corresponding to February 26th 2022)
- 3- 26TH Rajab 1443 AH corresponding to February 27th 2022, Seminar entitled: "KHILAFAH OUR NEED". Two talks were presented to the audience

- 101 Years without Khilafah by Ustadh Mohamad Khamsin – Member of Hizb ut Tahrir / Kenya
- Khilafah Our Need by Shaban Mwalimu – Media Representative Hizb ut Tahrir / Kenya.

During this Campaign the Muslim Ummah was reminded of its deplorable situation that it has been facing since the abolishment of Khilafah in 28th Rajab 1342 Hijri corresponding to March 3rd, 1924. Since this sorrowful event, the Ummah has been dispersed by Sykes-Picot colonial project in place of their unity, and their countries were replaced by colonialism instead of security and safety, in which the blood of Muslims flows in rivers, and the blood of our innocent mothers and children is shed in Syria, Yemen, China and all our Islamic countries.

With a population of nearly 2 billion, the Muslims are similar to the foam on the sea because of the absence of Khilafah as its guardian and shield! The Muslim Ummah has lost its dignity, honor and protector. We have lost our Al-Aqsa, the Blessed Land of Israa wal Mi'raj and our first Qibla. And it is only the Khilafah Rashidah that will restore it and all other occupied Muslim lands.

We ask Allah (swt) to hasten the establishment of the Khilafah Rashidah (rightly guided Caliphate) upon the method of the Prophethood. Indeed, Allah is Able over this. The Prophet (saw) said:

«تَكُونُ النَّبُوءَةُ فِيكُمْ مَا شَاءَ اللَّهُ أَنْ تَكُونَ، ثُمَّ يَرْفَعَهَا إِذَا شَاءَ أَنْ يَرْفَعَهَا، ثُمَّ تَكُونُ خِلَافَةٌ عَلَىٰ مِنْهَاجِ النَّبُوءَةِ فَتَكُونُ مَا شَاءَ اللَّهُ أَنْ تَكُونَ، ثُمَّ يَرْفَعَهَا إِذَا شَاءَ اللَّهُ أَنْ يَرْفَعَهَا، ثُمَّ تَكُونُ مُلْكًا عَاصًا فَيَكُونُ مَا شَاءَ اللَّهُ أَنْ يَكُونَ، ثُمَّ يَرْفَعَهَا إِذَا شَاءَ أَنْ يَرْفَعَهَا، ثُمَّ تَكُونُ خِلَافَةٌ عَلَىٰ مِنْهَاجِ النَّبُوءَةِ. ثُمَّ سَكَتَ»

“The Prophethood will be among you as long as Allah wills, then he will eliminate it if he so wills. Then a Khilafah (Caliphate) on the model of Prophethood will prevail so long as Allah wills, then he will eliminate it if he so wills. Then there will be a biting monarchy as long as Allah wills, then he will eliminate it if he so wills. Then there will be an oppressive monarchy as long as Allah wills, then he will eliminate it if he so wills. Then a Khilafah on the way of Prophethood will prevail and he kept silent.” [Musnad of Imam Ahmad].

Finally we firmly believe that with the return of the Khilafah Rashidah on the method of Prophethood, our Deen, life and sanctities will be protected and on that day, it will be victorious with the victory of Allah (swt).

﴿وَيَوْمَئِذٍ يَفْرَحُ الْمُؤْمِنُونَ﴾

“And that day the believers shall rejoice.” [Ar-Rum:4]

Hizb ut Tahrir / America Annual Khilafah Conference

Press Release

Chicago, March 6th 2022 - Hizb ut Tahrir / America successfully held its annual Khilafah Conference, as part of a global campaign occasioned on the abolishment of the Khilafah (Caliphate) in 1924. It is a global call to Muslims worldwide to stand up and fulfill the obligation to resume the Islamic way of life, as decreed by Allah (swt), by reestablishing the Khilafah on the path of the Prophet (saw).

The role of Islam in the global secular liberal order has been a point of discussion over the past century. Subsequent to the Arab Revolution, the West and its cronies in the Muslim world have employed various counter measures to stem the growth of Islam and its role in politics. Particularly, the issue of re-establishing the Khilafah has been targeted.

One need not enumerate the failures of Capitalism and its secular liberal ideas. We can all see and feel its consequences not only in the Muslim world, but across Asia, Africa and Latin America. Even in the West, alarm bells are ringing to safeguard the principles of the liberal world order and sustain their values. Much to the displeasure of the West and its agents, the ideas of Khilafah, political Islam, the discontent with secular liberalism and Capitalism have taken root in the minds of the Muslims. An awakening of the Ummah is upon us.

Accordingly, this year's conference-titled 'Blueprint for the Future' harnessed the aspirations, desires, and need for the Khilafah boiling within the Ummah to a precise and practical Blueprint upon which it can be built. The conference started by reciting verses from the Quran Al-Majeed followed by its translation and an opening message. This followed by four speeches titled: 'Governance of the Khilafah State', 'Building an Economic Superpower', 'Resolving Differences & Building the Islamic Society', and 'About Hizb-ut-Tahrir - Our Work & Vision'. The event concluded with the speakers' panel answering questions from the audience.

In the 1st speech, 'Governance of the Khilafah State', Ali Merchant described the detailed structure, requirements, departments, and institutions that compose the structure of the Khilafah State-directly drawing from the meticulous works of Hizb ut Tahrir on the subject. From the institution of the Khaleefah, to the Military, to the Department of Industry, to the Majlis-al-Ummah, and all that between was outlined as a practical and implementable guide for the Ummah.

In the 2nd speech, 'Building an Economic Superpower', Dr. Ayman Hamed precisely articulated the Economic System in Islam and specifically upon what exactly makes it Islamic, Unique to all other systems, practical in reality, and supremely successful in solving the economic problem of humankind.

In the 3rd speech, 'Resolving Differences & Building the Islamic Society', Haitham ibn Thbait passionately presented Islam's glorious history and Islamic principles for ensuring social cohesion of Society from its very inception under the Leadership of our Prophet (saw) in the first Islamic State to the vast history of Islam. Citizens (both Muslims and non-Muslims), as witnessed by history and protected by the State Constitution to enjoy security / protection, honor, and opportunity and is also the party's vision.

In the 4th and final speech of the conference, 'About Hizb ut-Tahrir-Our Work & Vision', Dr. Abdur-Rafay brought to light the story, successes, and seldom known sacrifices of Hizb ut Tahrir, the diligent servants of the Ummah and a global political party whose ideology is Islam and whose singular goal is to resume the Islamic way of life by re-establishing the Khilafah. The speech spanned the history, scholarship, sacrifices, unparalleled political acuity, principles and vision of the party.

Hizb ut Tahrir is a non-violent political party which restricts itself to intellectual and political work only to convey the Islamic Call of re-establishing the Khilafah (Caliphate) upon the method of the Prophethood in the Muslim countries. This is due to the party's strict adherence to the political methodology of Prophet Muhammad (saw) who undertook only intellectual and political work to convey the Islamic Call and establish the Islamic State. The party does not resort to any form of violent activities and this is a known established fact.

To End Our Hardship and Humiliation, Abolish Democracy and Establish the Khilafah, Now!

O Muslims of Pakistan!

We address our call to you at a time when the political factions are yet again competing with each other to rule over us, through the current system of laws and policies. However, whatever the outcome of the competition, whether it is a coalition or the turn of another faction, we will lose. The current system of laws and policies is incapable of looking after our affairs, no matter who enters it and no matter how it is amended. In every term that we have witnessed in the last twenty years, since the time of Musharraf, laws and policies are manipulated by the political factions, to secure the interests of both the ruling faction and the colonialists that it serves.

Manipulation in a man-made system is inevitable because the laws and policies conform to the whims and desires of the rulers and the elected representatives, rather than having to strictly conform to divine revelation. By adopting secularism as the basis of the system, detaching our great Deen from our political affairs, the political factions are free to manipulate laws and policies as they wish, so that they and their foreign masters fully benefit from the wealth and strength of the country.

O Muslims of Pakistan!

In the turn-by-turn politics that we have witnessed over the last twenty years, it is an open secret that the opposition will never obstruct the colonialists' demands, through the IMF or FATF or any other international institution. For all their loud protests and long marches, securing the interests of the colonialists is a red line for all the political factions. In every term, both the rulers and the opposition are on the same page, when it comes to securing colonialists interests. They all understand that they will only come to rule if they are of service to the foreigners, whether it is in the matter of our economy or our security.

Thus, in every term we have witnessed in the last twenty years, with regards to our economy, the political factions implement the laws of the colonialist kuffar, as dictated by the IMF, unleashing hardship, inflation, unemployment, poverty and debt upon us. By governing by other than all that Allah (swt) has revealed, the political factions progressively impoverish a country that has been blessed by Allah (swt) with abundant wealth in all its forms, including minerals, energy, agriculture, varied climates, water and a youthful, intelligent and hard-working population.

Over the last twenty years, the political factions have progressively undermined our security, through blind obedience to the US Pentagon, the US State Department and the FATF regime. Since the time of Musharraf until now, the political factions have taken turns to progressively abandon Occupied

Kashmir to India, whilst prohibiting that which Allah (swt) has commanded, Jihad. They all denounced Jihad in the Path of Allah (swt) as betrayal, imprisoning all those who were upright upon their obligation. Through the weak stance of the political factions, India became emboldened and extended its mischief, wherever it could reach within Pakistan. By disobeying Allah (swt), all the political factions have played their part in humiliating a people and a military, who are distinguished by their love for martyrdom and victory.

O Muslims of Pakistan!

Allah (swt) warned,

﴿وَأَنْ أَحْكَمَ بَيْنَهُمْ بِمَا أَنْزَلَ اللَّهُ وَلَا تَتَّبِعْ أَهْوَاءَهُمْ وَاحْذَرْهُمْ أَنْ يَفْتِنُوكَ عَنْ بَعْضِ مَا أَنْزَلَ اللَّهُ إِلَيْكَ﴾

“And rule between them by all that which Allah revealed to you, and do not follow their desires, and beware that they may deviate you away from some of which Allah revealed to you.” [TMQ Surah Al-Ma'idah 5:49]. Hardship and humiliation is what befell us and will befall us, whenever we have rulers that do not govern us by our Deen. We must turn away from the laws of the colonialist kuffar, as well as the political factions that rule us by these kufr laws, on behalf of the foreigners, turn by turn. We must put the elections' spectacle behind us and move forwards now to install rulers over us that are obedient to Allah (swt) and His Messenger (saw). Indeed, anyone of us who truly wants change must join their hands with the Shabab of Hizb ut Tahrir and strive for the re-establishment of the Khilafah (Caliphate) on the Method of Prophethood.

O Muslims of Pakistan's Armed forces!

There is no end to the hardship and humiliation upon the people you have sworn to protect, until you extend your Nussrah to Hizb ut Tahrir, under its global Ameer, Sheikh Ata Bin Khalil Abu Al-Rashtah, for the immediate resumption of Islam as a way of life, government and state. It is only then that the

Islamic Ummah will be restored to its rightful place, the greatest civilization ever witnessed, ending hardship and humiliation from the East to the West.

Grant your Nussrah for the Khilafah that will unify the vast economic resources of the Ummah, so that the Khilafah can once again relieve the hardships of humanity, as it did for centuries before. It is the Khilafah of Abu Bakr as-Siddique (ra) that announced to the non-Muslims of the newly conquered lands of Hira, that the state treasury will fully provide for their incapability, whilst relieving them of Jizyah. It is the Khilafah of Umar bin Abdul Aziz (rh) that relieved the indebted of their debt, granted provision for the unmarried to marry and paid the Jizyah on behalf of the financially weaker amongst the non-Muslim citizens. It is the Khilafah of the Uthmani Khaleefah, Bayazeed II, that granted sanctuary to the Jews who fled the persecution of King Ferdinand of Spain. It is the Khilafah of Abdul Majid I that pledged to send ten thousand pounds to grant relief to the Irish from famine during the Great Hunger, whilst Queen Victoria requested that he reduce the amount, as she was only sending two thousand pounds. So who amongst you will earn the honour of restoring the Khilafah by your hands today, relieving humanity from the crushing hardship of the capitalist economic order?

Grant your Nussrah for the Khilafah that will unify the millions of Muslim troops into the single largest military force in the world, providing security for all the oppressed from their oppressors. It is in the era of the Khilafah that the occupied lands of Muslims were always liberated, even if it were after a while and no matter how powerful the enemy was. It is in the era of the Khilafah that the armies were mobilized to end the rule of tyrants, paving the way for legions to embrace Islam, which made the numbers of Muslims great... However, after the Khilafah was abolished, the colonialists trampled over every law with ease, whether it was Bush's occupation of Afghanistan or Putin's war on Ukraine... So who amongst you will earn the honour of breaking the shackles of the kuffar, ensuring the spread of Islam through Dawah and Jihad once more, dignifying the Ummah with its Deen and humiliating the enemies with crushing defeat?

Allah (swt) said,

﴿وَيَوْمَئِذٍ يَفْرَحُ الْمُؤْمِنُونَ * بِنَصْرِ اللَّهِ يَنْصُرُ مَنْ يَشَاءُ وَهُوَ الْعَزِيزُ الرَّحِيمُ﴾

*"The day believers will rejoice * Upon the victory of Allah who makes victorious whom He wishes and He is the Mighty, the Merciful."* [TMQ Surah Ar-Rum: 30: 45-].

UNVEILING THE TRUTH OF WOMEN'S LIVES IN THE HAREMS OF THE KHILAFAH

The writings of various European women who lived or travelled in the Uthmani Khilafah and who were able to enter the harems of Ottoman women to witness their lives, paint a very different picture to the oft-repeated claim of women's enslavement and oppression under Islamic rule. In fact, many of these female Western writers were critical of those male orientalist who based their writings regarding the mistreatment of Ottoman women on hearsay and fantasy as they were not permitted to enter their harems to witness first-hand their lives.

"You will perhaps be surprised at an account so different from what you have been entertained with by the common voyage writers, who are very fond of speaking of what they do not know."

From the letters of Lady Montague, wife to the British ambassador to the Uthmani Khilafah in the 18th century, writing about the lives of women within the state.

ROOTS OF LIES REGARDING WOMEN'S SUBJUGATION UNDER ISLAMIC RULE

Whilst colonial European governments in the 19th century employed feminist rhetoric to attack the 'apparent' low status of women in the Khilafah, they cared little about the subjugation of women within their own societies in the West who were denied basic educational, economic, political, and legal rights at the time. It illustrates further that all talk of "Saving Muslim women from Islamic rule" was driven purely by colonial ideological and material aims rather than any regard for the wellbeing of women in the Muslim lands.

Lord Curzon, Viceroy of India and Secretary of State for Foreign, Commonwealth and Development Affairs of Britain in the early 20th century, issued a pamphlet in 1912 with 15 reasons why women should not have the vote. He stated, 'women have not, as a sex or a class, the calmness of temperament or the balance of mind' required to make judgements.

Praise be to Allah (swt) who said:

﴿إِنَّا لَنَنْصُرُ رُسُلَنَا وَالَّذِينَ آمَنُوا فِي الْحَيَاةِ الدُّنْيَا وَيَوْمَ يَقُومُ الْأَشْهَادُ﴾

“Indeed, We will support Our messengers and those who believe during the life of this world and on the Day when the witnesses will stand” [Ghafir: 51].

And peace and blessings be on the one whom Allah has sent in the Isra’ journey from the Masjid Al-Haram to the blessed Al-Aqsa:

O Muslims... O our people in the surrounds of Al-Aqsa Mosque and the Blessed Land... O our beloved Ummah in all parts of the world:

We stand before you today in the Masra of your Noble Prophet, on the 101st anniversary of the demolition of the Islamic Khilafah (Caliphate) State. We stand once again while everyone is experiencing the catastrophe that befell the Islamic Ummah because of the destruction of the Khilafah... a catastrophe experienced by the people of Palestine in particular while they are still turning over hot coals from the effects of the Caliph’s loss, the shield behind whom Muslims’ fight, and are protected by. They were expelled from their land after it was usurped. We watch them being killing morning and evening on the screens, intimidated by the settlers in the neighbourhoods and towns, who desecrate Al-Aqsa Mosque to perform their rituals there. The people of Gaza are still suffering under the harsh unjust siege, all of this with the complicity of Muslim rulers, who are racing towards coordination, normalization and betrayal in a flagrant manner without fearing Allah or being ashamed from His servants.

O Muslims: The entire Ummah is living through the catastrophe of the destruction of the Khilafah... It is living it in Ash-Sham, whose children and women were killed before its men, its cities were crushed and its people displaced. The people of Iraq and Afghanistan are living it, they are suffering from the consequences of the wars waged against them by the colonialists, who burnt everything and destroyed urban areas in a declared crusade against the Islamic Ummah. The effects of the demolition of the Khilafah affected Muslim children who were displaced across the globe as a result of oppression and repression. Muslim children are kidnapped from their families in Sweden and elsewhere to be placed with Christian families that will disassociate them from their religion!

The cow-worshippers attacked us, and they ripped off the veil

from the heads of our women, who are helpless and without support and no one to denounce this! China continues to kill the Uyghur Muslims, oppresses them and prevents them from worshipping, as does Myanmar.

O Muslims: The puppet regimes that the colonizer created in our country after the destruction of our Khilafah and the division of our Land are the spearhead in its war on the Islamic Ummah. They oppress the people, drop barrel bombs on people’s heads, throw sincere scholars into prisons, and present the country’s wealth on a silver platter to Western colonizers. They wage war on the Ummah’s Deen, culture, and beliefs in the media and educational curricula, removing what remains of the fragrance of Islam in the curricula and sign international agreements such as the damned CEDAW to implement them on Muslims to further disassociate them from their Deen.

This is your situation after a hundred and one years after the destruction of the Khilafah like orphans at the banquets of the wicked, your blood, your honour, your wealth and your sanctities are permissible to be violated.

O People: We stand today in Al-Aqsa Mosque and the whole world is suffering because of the absence of Islam. Because of the absence of the Khilafah as a global power, people were colonized and the wealth of weak countries were plundered, and the whole world has become hostage to the criminal decisions of America and Russia. Because of the absence of the Khilafah as a global power, the world witnessed two devastating world wars, and now they are on the brink of a third world war, and if the Islamic Ummah does not take the initiative to save humanity, this world will remain governed by the whims of foolish presidents and destructive international conflicts.

O People: From Al-Aqsa Mosque, we address the Islamic Ummah in particular and the people of the world in general, and we say to Muslims: You are the ones who are able to save the world and humanity from the tyranny of capitalists and

their criminality. You are the bearers of the message of mercy and guidance. You are Allah's witnesses to the people, so will you shake off the dust from your shoulders and rise with the glory of Islam?

We say to the Muslim armies: You are the power and protection of the Muslims, and by your hands the conquests and victories take place. Until when will you remain hostages to these puppet regimes, that killed in you the drive for Jihad in the way of Allah (swt)? When will you become furious for the sake of Allah (swt) and overthrow these traitors to Allah and His Messenger (saw)? Is it not time for your hearts to submit to the remembrance of Allah and what has been revealed of the truth, and to support Allah and His Messenger and give Nusra (material support) to Hizb ut Tahrir and its Ameer, and pledge allegiance to him like the pledge of allegiance of the Ansar, by which you establish the Deen and carry it as a message of goodness and guidance to the worlds?

As for the people of the world, we say to them: Capitalism has blinded your parties and presidents, and one of their greatest crimes is fuelling hostility towards Islam, even though it is the mercy that will save you, and because of their arrogance and selfishness, your fate has become threatened with extinction. What is happening in Ukraine today is the warning that threatens you if you do not put an end to these criminals. The capitalists and the leaders of the major countries do not give weight except to their interests, and they are an evil that afflicts humanity. And if you do not rush to mend your affairs, you will be affected with more than what happened to you in the two world wars.

O People: The entire world needs a new global power to overthrow this criminal system, it needs Islam and the Khilafah State, to save it from the crimes of the major countries - America, Russia, Britain, France and China - for their crimes against humanity are shameful. The Khilafah State is the saviour of humanity and it will change international relations and rebuild

it again, it is the haven for the weak in the whole world.

It is a State on the method of the Prophethood, it governs by the law of the Most Merciful, in which justice is established and good spreads, the oppressed are treated with justice, the oppressor is held accountable, and is driven upon the truth.

It is the Khilafah on the method of the Prophethood to which all people flock to, because it is their salvation, their fortress, their shield. We ask Allah (swt) to make its dawning near, it is time for our Deen to dominate and for the banner of our Rasool to be raised. This is our call to you, in it is your life and salvation.

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا اسْتَجِيبُوا لِلَّهِ وَلِلرَّسُولِ إِذَا دَعَاكُمْ لِمَا يُحْيِيكُمْ وَاعْلَمُوا أَنَّ اللَّهَ يَحُولُ بَيْنَ الْمَرْءِ وَقَلْبِهِ وَأَنَّهُ إِلَيْهِ تُحْشَرُونَ﴾

“O you who have believed, respond to Allah and to the Messenger when he calls you to that which gives you life. And know that Allah intervenes between a man and his heart and that to Him you will be gathered” [Al-Anfal: 24]

Oh Allah, we ask you a Khilafah Rashidah (rightly-guided Caliphate) on the method of the Prophethood with which we please our Lord and restore our glory and honour, with it we liberate our land and the path of our Prophet.

Oh Allah, open the hearts of the people of power and protection so that they may support your Deen and establish it as a Khilafah Rashidah on the method of the Prophethood.

Oh Allah, raise the banner of Islam to flutter over the walls of Bayt Al-Maqdis, and make the chants of Takbeers of the Khilafah's armies resound in its corners with Your Mercy, Your Grace, and Your Magnificent Benevolence. And peace and blessings be on the one sent as a mercy to humankind, and praise be to the Lord of the worlds.

Dealing with People of Different Ideas in the Khilafah State

Hizb ut Tahrir / The Netherlands organized its annual Khilafah Conference on March 5, 2022, titled: "Dealing with people with different ideas in the Khilafah State" on the occasion of the 101st anniversary of the destruction of the Islamic State (the Caliphate).

Saturday, 02 Shaban 1443 AH - 5 March 2022 CE

Conference Speeches

"History of the policy of assimilation pursued by the Dutch government"

Delivered by Ustaadh Kamal Aboe Zaid

Ustaadh Kamal Aboe Zaid explained that this policy was not born today, but rather is old since the sixties of the last century, and began with the demand of Muslims to integrate into society, and developed until every Muslim in the eyes of the government became accused until his innocence was proven, and mosques and schools were placed under supervision.

"The campaign against Islam is not specific to a state without a state"

Delivered by Dr. Abdul Wahid / Britain

Dr. Abdul Wahid discussed what the British government is doing to secularize Muslim children and assimilate them in Western

societies, and that the policy announced by Tony Blair after the bombing that took place in London in 2005 is the same policy that Macron calls for today in France and the Austrian and even Chinese government calls for it towards our Muslim brothers in East Turkestan.

"Western civilization's impotence and non-acceptance of the other"

Delivered by Ustaadh Okay Pala

Ustaadh Okay Pala spoke of the catastrophic failure in dealing with Muslims, and how the concept of majority rule for minorities, which emerged after the establishment of the regional state, led to conflict and rivalry due to different beliefs and what emanates from them. As for Islam, it left non-Muslims and what they believed, and prevented their compulsion to change these beliefs and convictions, and it did justice to them and did not detract from their rights.

Events marking the 101 Anniversary of Destruction of the Khilafah

First Week of Rajab 1443 AH - February 2022 CE
 Saturday, 11 Rajab 1443 AH - 12 February 2022 CE

In remembrance of this painful memory, and to rouse the Ummah to its duty, in the first week of the current month of Rajab 1443 AH, Hizb ut Tahrir / Wilayah Sudan organized various events in the capital, Khartoum, and various cities of Sudan, where thousands of brochures were distributed in markets and public places.

The Shabab of Hizb ut Tahrir / Wilayah Sudan also organized mass addresses in different areas: in Al Kalakla locality held a public address at Sheikh Bakri Mosque Al Kalakla Al Wahda to remind Muslims of the anniversary of the destruction of the Caliphate at the hands of the Kaffir colonial West, led by Britain and France, with the help of the traitors of the Arabs and the Turks.

The Shabab of Hizb ut Tahrir / Wilayah Sudan in Omdurman North locality also organized a public address about foreign interference in the country's affairs in the absence of the Khilafah State. It is the abolition of the Caliphate state that embraced the Islamic Ummah for more than 13 centuries, and its overthrow in 1924 that led to the disintegration and fragmentation of the nation, and the establishment of fragile artificial entities on the ruins of the Khilafah State.

No Dignity, Security and Justice for Women Without the Khilafah

Our Muslim sisters across the world are imprisoned for their Islamic beliefs or for standing against tyrants and occupiers, for there is no sincere Islamic leadership to free them from their oppressors

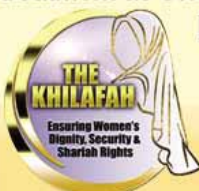

WOMENSCMOHT WOMENFORKHILAFa WOMENSHARIAH5

The Women's Section in the Central Media Office of Hizb ut Tahrir Launchan International Campaign:

"The Khilafah: Ensuring Women's Dignity, Security & Shariah Rights"

Following the fall of the Khilafah, the lives of Muslim women across the world became blighted with all forms of oppression and injustice, persecution and destitution under man-made systems and regimes which violated their honour, failed to provide them physical and financial security, and cared nothing for their God-given Shariah rights. There is a path out of this living nightmare that millions of Muslim women are facing across the world, and that is the re-establishment of the Khilafah based upon the method of the Prophethood which the Prophet (saw) described as the guardian and shield of the Muslims. However, there are many fears, doubts and questions today about what such a state would mean for women and their status and rights. Such fears and misgivings are born from centuries old lies, fallacies and attacks by Western colonial governments, writers, media and feminists regarding the treatment of women under Islamic rule, which continue to be peddled today.

So this Rajab, the Women's Section in the Central Media Office of Hizb ut Tahrir, has launched an international campaign to address these fears, doubts, and questions about the status of women under Islamic rule. The campaign aims to present a clear understanding and vision of what life would genuinely be like for women under the shade of the Khilafah state with regards to their rights, roles and treatment as evidenced by the Islamic texts, and demonstrated by Islamic rule in the past, away from the orientalist and colonial lies and fantasies.
