Opening Statement

Allah Almighty says:

﴿إِنَّمَا يُوفَّى الصَّابِرُونَ أَجْرَهُمْ بِغَيْرِ حِسَابٍ﴾

“The steadfast will be paid their reward in full without any reckoning.” [az-Zumar 39:10]

This blessed verse is perfectly applicable to the reality of the people of Jerusalem in light of the recent attacks on the first two Qibla and the third holiest of the two Holy Mosques during the past month, with the usurpers of the Jewish entity closing the Aqsa Mosque and Compound to the worshippers for the Friday prayers, the first time since 1969, and unleashing their brutality on the people of the Quds. However, the entire world witnessed the ferocity of the oppressed people of Jerusalem who forced a Jewish entity to retreat from its actions. Blessed are those who defend the sanctities of Allah. In this Mukhtarat issue, we have included the major events and publications calling for the support of the Aqsa and the Muslim Armies to take on their active duty to rid the captive Aqsa and the Blessed Land of its occupation in its entirety.

Muslims worldwide displayed their resolve and steadfastness during these troublesome times as the alleged war on “Terrorism” rages on, governments throughout the world pushing this narrative on its populations and a multitude of attacks are seemingly aimed at Muslims as well as the dawah carriers of Islam. In this issue, we highlight the show of unity in our activities to raise the words of Allah Almighty despite the crackdowns and oppressions. We also highlight the campaign to free Yilmaz Celik, a member of Hizb ut Tahrir Wilayah Turkey who was cruelly arrested during Ramadan Iftar the night before Eid due to his steadfast truthful stances, thereby sentenced to prison for 15 years.

As the Ummah gathers as ONE in the holiest land to carry out the ritual of Hajj, we congratulate the Muslims a blessed Eid Mubarak. In Makkah Al-Mukkaramah, we are reminded of the sheer population of our Ummah, if we unite the Muslim armies and ranks how glorious it will be the return of the Islamic way of life through the establishment of the Khilafah Rashidah (Righteous Caliphate) upon the methodology of the Prophethood.

As Muslims need to remain aware of the reality around them, the Central Media Office of Hizb ut Tahrir announced its new television debut, Al-Waqiyia, featuring interesting thought provoking programs that mainstream media glides over pressing issues of the Ummah. As well the debut of the new Central Media Office of Hizb ut Tahrir English Podcast that is accessible anytime to its listeners. Thirdly the launch of a new website, Khilafah.net with details of the Caliphate and all that it entails.

Throughout this issue, we will also explore various activities of Hizb ut Tahrir from around the world from the moving activities that took place on the Aqsa Compound, and the Sudan annual Iftar and Eid activities, and Turkey’s adamant campaign.... This will serve as an inspiration and motivation for Muslims to hold onto their beautiful Deen during these tumultuous times to carry out the dawah of Islam and stress the importance of the Khilafah Rashideh (Righteous Caliphate) upon the method of the Prophethood in our lives more than ever before to bring about the peace and justice that humanity lacks.

والفجر وليال عشر

“By the Dawn; by the Ten Nights” [Al-Fajr: 1-2]

(Translated)

To the virtuous, the pure, the good and the righteous Dawah carriers, though we do not ascribe purity to anyone before Allah (swt).
To the website visitors who are determined to the Truth that it proclaims, and the good that it carries with Allah's permission...
To all Muslims who love Allah (swt) and His Messenger (saw).

To all these, I salute you with the greeting of Islam, Assalamu Alaikum wa Rahmatullahi wa Barakatuh,

As you know, we have been accustomed to congratulating you on the morning of Eid, but the Imam had read in Fajr prayer the holy verse ﴿وَالْفَجْرِ وَلَيَالٍ عَشْرٍ﴾ “By the dawn; by the ten nights”. [Al-Fajr: 1-2], and I decided that I discuss with you the first day of these ten blessed days that Allah has taken oath of, and that the Messenger of Allah (saw) had made the good deed more beloved to Allah than in others. Ahmed extracted in his Musnad from Saeed bin Jubayr from Ibn Abbas who said: The Messenger of Allah (saw) said:

« مَا مِنْ أَيَّامٍ الْعَمَلُ الصَّالِحُ فِيهَا أَحَبُّ إِلَى اللَّهِ عَزَّ وَجَلَّ مِنْ هَذِهِ الْأَيَّامِ يَغْنِي أَيَّامَ الْعَشْرِ قَالَ قَالُوا يَا رَسُولَ اللَّهِ وَلَا الْجِهَادُ فِي سَبِيلِ اللَّهِ قَالَ وَلَا الْجِهَادُ فِي سَبِيلِ اللَّهِ إِلَّا رَجُلًا خَرَجَ بِنَفْسِهِ وَمَالِهِ ثُمَّ لَمْ يَرْجِعْ مِنْ ذَلِكَ بِشَيْءٍ »

“There is no day wherein any good action is more beloved to Allah Ta'ala than these ten days (the first ten days of Dhul Hijjah)”. The Sahaabah (ra) enquired: “Not even Striving in the path of Allah?” “Not even Striving in the path of Allah,” replied Rasulullah (saw), “with the exception of that person who left with his life and wealth (in the path of Allah) and did not return with any of it (i.e. he is martyred).”

These are great days beginning with the sacred (Muharram) month of Dhul-Hijjah and ending the Day of Sacrifice on Eid al-Adha, that I ask Allah Almighty to make it good and blessing to Islam and all Muslims. And that Allah accepts our acts of worship, and that these ten nights are good for those who witness them correctly and give them their right. For these are days of truthfulness, sincerity and closeness to Allah with good deeds and answered Duaa (supplications), with Allah's permission.

Dear Brothers and Sisters:

Some Shabab say that the harassment has intensified on us internationally, regionally and locally. Yes, this is true, but it is not a cause of despair or sorrow, rather it is a foreshadowing of relief, since the intensification of a crisis is a sign of its relief, and the intense darkness of the night is a notification of the true dawn. Thus, the infidels of Quraysh fought the Dawah of the Prophet (saw) and stood in his (saw) face in various ways, with escalating harassment and intensity. Thus, they boycotted the Prophet (saw) and his Companions (ra), in the Shi'b and tortured them and they caused the Prophet's feet to bleed. They slandered the Prophet (saw) accusing him of magic, madness and lying.

﴿كَبُرَتْ كَلِمَةً تَخْرُجُ مِنْ أَفْوَاهِهِمْ إِنْ يَقُولُونَ إِلَّا كَذِبًا﴾

“Grave is the word that comes out of their mouths; they speak not

except a lie.” [Al-Kahf: 5].

Then the crisis intensified and they agreed to kill the Messenger of Allah (saw). They chased him, blessings and peace of Allah be upon him, to the Cave of Thawr, where he (saw) and his closest companion Abu Bakr, may Allah be pleased with him, were hiding, and the disbelievers stood in front of the mouth of the cave, only an arm's length away between them and the Messenger of Allah (saw). This was on the eve of that day, and after a day or two the Prophet (saw) established the state in al-Medina al-Munawwarah and towered up its structure so that it illuminated the Deen and proclaimed the Truth.

﴿إِنَّ فِي ذَلِكَ لَذِكْرًا لِأُولِي الْأَلْبَابِ﴾

“Indeed, in that is a reminder for those of understanding.” [Az-Zumar: 21].

And so is the call that we carry, following the example of the Rasulullah (saw). Hizb ut Tahrir which leads the call, its Shabab and its leadership were exposed to the various harassment and torture leading to martyrdom, from the conspiracies of the plotters, the spies of the oppressors and the spite of the haters:

As for the Hizb, it has been banned and prevented in the countries of the Muslim world. Even those countries that are open to parties of various forms such as Indonesia, they have banned the party. And countries that open their doors to parties of all kinds, even the wretched ones, like Tunisia, have banned the Hizb ... As for why is that? It is for the word of truth that the Hizb proclaims.

As for the Shabab of the Hizb, the prisons of the tyrants speak of their status, for they are in their narrow prison being tortured, and in their wider prison are being pursued, indeed, we belong to Allah, and indeed to Him we will return.

As for the leadership of the party, the first Ameer was slandered by the spiteful and spies with exposed lies and fabrications and they said and said ... The second Ameer they did not just slander him, but claimed that he had violated the thought and the method... The poor servant, the third Ameer, they did not limit themselves to slander him or allege his violation of the thought, but had spread rumors of his death, supposing that they would extinguish their rage! They are truly fools, for they have hearts with which they do not understand, because if they understand they would have known that the death of the Ameer of the Hizb does not mean the death of the Hizb. But rather, Ata will be succeeded by a stronger and tougher Ata who will address them by the saying of the Almighty:

﴿وَإِذَا خَلَوْا عَضُوا عَلَيْكُمُ الْأَمَامِلَ مِنَ الْعَيْظِ قُلْ مُوتُوا بِعَيْظِكُمْ إِنَّ اللَّهَ عَلِيمٌ بِذَاتِ الصُّدُورِ﴾

“But when they are alone, they bite their fingertips at you in rage. Say, “Die in your rage. Indeed, Allah is Knowing of that within the breasts” [Ali-Imran: 119].

This Dawah belongs to Allah, and it will not be harmed by the conspiracies of the plotters, the spies of the oppressors and the spite of the haters, nor by the slander of the slanderers, but will rise from high to higher and extends its light, with Allah’s permission to the sky. And the promise of Allah Almighty and the glad tidings of Rasulullah (saw) will be fulfilled in its three divisions:

This forcible rule will fall into an abyss and there will be Khilafah (Caliphate) on the method of the Prophethood. The Prophet (saw) said:

﴿ثُمَّ تَكُونُ مُلْكًا جَبْرِيَّةً، فَتَكُونُ مَا شَاءَ اللَّهُ أَنْ تَكُونَ، ثُمَّ يَرْفَعُهَا إِذَا شَاءَ أَنْ يَرْفَعَهَا، ثُمَّ تَكُونُ خِلَافَةً عَلَىٰ مِنْهَاجِ النَّبِيِّ ثُمَّ سَكَتَ﴾

“Then there will a forcible rule, as long as Allah wants, then Allah will remove if He so wants, then there will be a Khilafah on the Method of Prophethood, and then he (saw) was silent”. (Narrated by Imam Ahmad from Hudhayfah ibn al-Yaman) The world will enlighten and Allah will establish the truth by His words and eliminate the den of the disbelievers...

And we will uproot Jewish entity. Muslim said in his Saheeh on the authority of Abu Hurayrah: The Messenger of Allah (saw) said:

﴿لَا تَقُومُ السَّاعَةُ حَتَّىٰ يُقَاتِلَ الْمُسْلِمُونَ الْيَهُودَ، فَيَقْتُلُهُمُ الْمُسْلِمُونَ...﴾

“The Hour will not come until the Muslims fight the Jews, and the

Muslims will kill them...” In another narration, he (saw) said:

﴿تُقَاتِلُكُمْ يَهُودُ، فَتَسْأَطُونَ عَلَيْهِمْ﴾

“The Jews will fight you and you will dominate them.”

And we will enter the Blessed Land as liberators, and pray at Al-Aqsa Mosque by the Adhan of our companion in Iraq, who sent a message in which he supplicates to Allah to be the first Mu’athin in Al-Aqsa after its liberation.

As well as we will open Rome, by the permission of Allah. Ahmad narrated in his Musnad and al-Haakim and corrected and approved by Adh-Dhahabi on the authority of Abu Qaabeel who said:

كُنَّا عِنْدَ عَبْدِ اللَّهِ بْنِ عَمْرٍو بْنِ الْعَاصِ، وَسُئِلَ: أَيُّ الْمَدِينَتَيْنِ تُفْتَحُ أَوْلَىٰ: الْقُسْطَنْطِينِيَّةُ أَوْ رُومِيَّةٌ؟ قَالَ: فَقَالَ عَبْدُ اللَّهِ: بَيْنَمَا نَحْنُ حَوْلَ رَسُولِ اللَّهِ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ نَكْتُبُ، إِذْ سُئِلَ رَسُولُ اللَّهِ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ: أَيُّ الْمَدِينَتَيْنِ تُفْتَحُ أَوْلَىٰ: قُسْطَنْطِينِيَّةُ أَوْ رُومِيَّةٌ؟ فَقَالَ رَسُولُ اللَّهِ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ: «مَدِينَةُ هِرَقْلٍ تُفْتَحُ أَوْلَىٰ، يَعْنِي قُسْطَنْطِينِيَّةً».

We were with ‘Abdullaah ibn ‘Amr ibn al-‘Aas and he was asked which city will be conquered first Constantinople or Rome? Then ‘Abdullaah said, “While we were with the Messenger of Allah (saw) writing, the Messenger of Allah (saw) was asked, “The Messenger of Allah ﷺ was asked which of the two cities will be opened first Constantinople or Rome? He ﷺ said: “The city of Hercules will be opened first”, meaning Constantinople.”

Constantinople was opened and Rome will be opened, InshaAllah, and the aspiration of our companion in Palestine will be fulfilled who sent a letter in which he supplicated to Allah to give him a plot of land in the folds of Rome to be like that of the Seerah of Tamim al-Dari, may Allah be pleased with him.

Therefore there will be no house made of mud or fur that Islam has not reached it by the glory of a powerful or humiliation of the humiliated. A glory that Allah will give to Islam and humiliation He (swt) will give to the Kufr. The Prophet said in the hadeeth narrated by Ahmad in his Musnad on the authority of Tamim al-Dari said: I heard the Messenger of Allah (saw) says:

﴿لَيَبْلُغَنَّ هَذَا الْأَمْرُ مَا بَلَغَ اللَّيْلُ وَالنَّهَارُ وَلَا يَتْرُكُ اللَّهُ بَيْتَ مَدْرٍ وَلَا وَبَرَ إِلَّا أَدْخَلَهُ اللَّهُ هَذَا النَّيْنَ بَعْرَ عَزْرِيٍّ أَوْ بَدْلَ نَيْلٍ عَزْرًا يُعْرِئُ اللَّهُ بِهِ الْإِسْلَامَ وَدَلًّا يَنْزِلُ اللَّهُ بِهِ الْكُفْرَ...﴾

“This matter will reach all places reached by day (light) and night; Allah will not leave a house of mud or hair/fur, without making this Deen enter it, by the glory of a powerful or humiliation of the humiliated. A glory that Allah will give to Islam and humiliation He (swt) will give to the Kufr...” Bai’haqi extracted a similar Hadith in As-Sunan Al-Kubra as well as in the Mustadrak of Hakim.

The malevolent and the slanderers, those in whose hearts is a disease or corruption on earth, they may say we are dreaming, or we are dreamers... And their kinds have said it before. They said about the Messenger of Allah (saw), and his companion, may Allah be pleased with them: their religion has deluded those, how can they look to the treasures of Caesar and Chosroes?! And then Allah’s promise was fulfilled despite the malice of those fallen. So, Chosroes and Caesar fell and the State of Islam and the banner of Islam rose, and this will happen again with Allah’s permission, and the spiteful will die in their rage and will be followed by the spies of

the oppressors and the conspirators and all those who shout with falsehood

﴿وَسَيَعْلَمُ الَّذِينَ ظَلَمُوا أَيَّ مُنْقَلَبٍ يَنْقَلِبُونَ﴾

“And those who have wronged are going to know to what [kind of] return they will be returned.” [Ash-Shu'ara: 227].

Dear Brothers and Sisters:

We do not work in fantasy, rather we work and are confident of the promise of Allah, which is not only for the prophets, and not only in the Hereafter, but also for the believers in this world and the Hereafter.

﴿إِنَّا لَنْصُرُ رُسُلَنَا وَالَّذِينَ آمَنُوا فِي الْحَيَاةِ الدُّنْيَا وَيَوْمَ يَقُومُ الْأَشْهَادُ﴾

Surely We do help Our messengers and the believers in the worldly life as we as on the Day on which witnesses will stand (to give their testimony).” [Ghafir: 51].

I assure you, brothers and sisters, that the Hizb has almost reached its goals many times since its inception until today, but

﴿لِكُلِّ أَجَلٍ كِتَابٌ﴾

“For every term is a decree.” [Ar-Ra'd: 38].

And Allah has the extensive wisdom... If Al-Qaw'iee Al-Aziz decrees a matter, He makes the reasons for it easy and it will not be delayed

﴿إِنَّ اللَّهَ بِأَمْرِهِ قَدْ جَعَلَ اللَّهُ لِكُلِّ شَيْءٍ قَدْرًا﴾

“Indeed, Allah will accomplish His purpose. Allah has already set for everything a [decreed] extent” [At-Talaq: 3].

In conclusion, I go back to where I started, I saw that I discuss with you on the first day of these ten blessed days, that Allah has taken oath of, and that the Messenger of Allah (saw) said about them:

«مَا مِنْ أَيَّامٍ الْعَمَلُ الصَّالِحُ فِيهَا أَحَبُّ إِلَى اللَّهِ عَزَّ وَجَلَّ مِنْ هَذِهِ الْأَيَّامِ يَغْيِي أَيَّامَ الْعَشْرِ...»

“There is no day wherein any good action is more beloved to Allah Ta'ala than these ten days (the first ten days of Dhul Hijjah)”.

These are great days, beginning with the sacred (Muharram)

month of Dhul-Hijjah and ending with the day of Sacrifice on Eid al-Adha, that I ask Allah Almighty to make it good and blessed for Islam and all Muslims. And that Allah accept our acts of worship, and that these ten nights are good for those who witness them correctly and give them their right. For these are days of truthfulness, sincerity and closeness to Allah with good deeds and answered prayers, with Allah's permission.... I ask Allah to return those days and we are under the shade of Rayat ul Okab and we are on a pure ground bearing the Good (al-Khair) in our hands, and our tongues chant for it, so the hearts are assured, and breasts expand for it:

﴿وَيَوْمَئِذٍ يَفْرَحُ الْمُؤْمِنُونَ* بِنَصْرِ اللَّهِ يَنْصُرُ مَنْ يَشَاءُ وَهُوَ الْعَزِيزُ الرَّحِيمُ﴾

“And that day the believers will rejoice; In the victory of Allah. He gives victory to whom He wills, and He is the Exalted in Might, the Merciful.” [Ar-Rum: 45-].

In conclusion, I reiterate that this Dawah belongs to Allah, and will not be harmed by the conspiracies of the plotters, the spies of the oppressors or the spite of the haters, nor by the slander of the slanderers, but rather the call of Allah will rise, and its light will please the sincere onlookers and its brightness will repel the hearts of the spiteful envious.

﴿وَلَتَعْلَمَنَّ نَبَأَهُ بَعْدَ حِينٍ﴾

“And you will surely know [the truth of] its information after a time.” [Sad: 88]

Congratulation from Hizb ut Tahrir on Eid Al-Adha 1438 AH

الله أكبر، الله أكبر، الله أكبر، لا إله إلا الله... الله أكبر، الله أكبر، والله الحمد
Allahu Akbar, Allahu Akbar, Allahu Akbar, La Ilaha ila Allah...

Allahu Akbar, Allahu Akbar, Wa Lillahi Al Hamd

(Translated)

Praise be to Allah and prayers and peace be upon the Messenger of Allah and his family, companions and those who follow his footsteps, and made the Islamic creed the basis for his thought, his Shariah rulings, his criteria for actions, and his source of law.

O Muslims everywhere...

We are pleased at the Central Media Office of Hizb ut Tahrir to convey to the entire Islamic Ummah the congratulations of

the Ameer of Hizb ut Tahrir, the eminent Scholar Sheikh Ata Bin Khalil Abu Al-Rashtah, may Allah protect him, on Eid Al-Adha. We are also pleased to convey his congratulations to

the Shabab and Shabaat (male and female members) of Hizb ut Tahrir who work day and night in their struggle against the era of oppressive regimes and to uphold the word of Allah to establish the Khilafah Rashideh State (righteous Caliphate) on the Method of the Prophethood, the glad-tidings of the servant and Messenger of Allah (saw).

This Eid descends upon us while the Ummah's sufferings are on the rise. This suffering is a sign of the awakening of the Ummah in its quest to liberate itself from the colonial hegemony it has been subjected to since the destruction of the Khilafah state in 1924 by the Kaffir West. From the womb of the suffering, hope is growing for the end of the oppressive colonial era.

The heroic stand of our people in Jerusalem has revealed their ability to humiliate the Jews and break their arrogance. It also broke all remaining trust in the rulers of the Muslims who are busy organizing strife and plots against the Ummah; in their competition to appease the colonial Western leaders. The Turkish leader mobilizes his army to Qatar, as if unaware of the Jewish aggression in the blessed A-Aqsa Mosque, and the so-called the Custodian of the Two Holy Mosques has abandoned the Shariah duty towards the Masra (place of Isra') of the Prophet (saw) and the first of the two Qiblas, preferring to indulge in the bloodshed of the Muslims in Yemen. As for the Jordanian ruler, he lost his shame and left the Jewish murderer who committed his crime in the heart of Amman, allowing him to return given a hero's welcome by Netanyahu. Then the heads of the Organization of Islamic Cooperation (OIC), the organization created after the burning of Al-Aqsa Mosque in 1969, tried to cover their shame by holding a meager conference in Istanbul, only to write another chapter of humiliation and shame of these rulers.

Indeed, our people in Al-Quds (Jerusalem), who are disarmed but with hearts full of the love of Allah (swt) and His Messenger (saw), have been able to force the Jews to fully retreat with humiliation from their recent procedures in the blessed Al-Aqsa Mosque.

It remains for our people in Ash-Sham to cleanse their ranks of the hypocrites who claim to be the representatives of the revolution while they are eager to please America to get a slice of the cake of power in Syria, even under Bashar's rule, in line with the directives of the "supporting" countries. And our people in Ash-Sham must stand as a deterrent against the criminal infighting which is taking place between the rival factions, which are fighting for the spoils and to expand their influence while the tyrant of Ash-Sham, supported by America that facilitated the rulers of Iran and its tools and Russia and the rulers of Jordan and Turkey... trying hard to complete his crime of eliminating the revolution.

Despite the suffering of the Ummah, we are all confident in the promise of Allah to empower His Deen and make it dominant above all religions, and to realize the glad-tidings of the Messenger (saw) by establishing the Khilafah (Caliphate) on the method of Prophethood, and may this be soon. In this

regard, the Truth is spoken by the Exalted:

﴿وَعَدَ اللَّهُ الَّذِينَ آمَنُوا مِنْكُمْ وَعَمِلُوا الصَّالِحَاتِ لَيَسْتَخْلِفَنَّهُمْ فِي الْأَرْضِ كَمَا اسْتَخْلَفَ الَّذِينَ مِنْ قَبْلِهِمْ وَلَيُمَكِّنَنَّ لَهُمْ دِينَهُمُ الَّذِي ارْتَضَى لَهُمْ وَلَيُبَدِّلَنَّهُمْ مِنْ بَعْدِ خَوْفِهِمْ أَمْنًا يَعْبُدُونَنِي لَا يُشْرِكُونَ بِي شَيْئًا وَمَنْ كَفَرَ بَعْدَ ذَلِكَ فَأُولَٰئِكَ هُمُ الْفَاسِقُونَ﴾

"Allah has promised those who have believed among you and done righteous deeds that He will surely grant them succession [to authority] upon the earth just as He granted it to those before them and that He will surely establish for them [therein] their religion which He has preferred for them and that He will surely substitute for them, after their fear, security, [for] they worship Me, not associating anything with Me. But whoever disbelieves after that - then those are the defiantly disobedient." [An-Nur: 55]

The promise of Allah is the Haq (Truth) and Allah will not break His promise, no matter how many false rumors they spread and how much hypocrisy they show, the hypocrites who justify the slavery of the Ummah to the Kaffir West, under deceiving slogans. The pure Seerah of the Prophet taught us that some of the hypocrites of Medina used to say that Muhammad promised us the treasures of Cosras and Caesar, when none of us feel safe to go defecate.

﴿وَإِذْ يَقُولُ الْمُنَافِقُونَ وَالَّذِينَ فِي قُلُوبِهِمْ مَرَضٌ مَا وَعَدَنَا اللَّهُ وَرَسُولُهُ إِلَّا غُرُورًا﴾
"And [remember] when the hypocrites and those in whose hearts is disease said, "Allah and His Messenger did not promise us except delusion," [Al-Ahzab: 12] The promise of Allah Almighty to His Messenger (saw) was fulfilled as He made His servants victorious and distinguished the most beloved of His soldiers, over the will of the hypocrites.

The true believers today must only hold on to the rope of Allah (swt) and show sincerity as His slaves and express humbleness to the Exalted; and they must have determination to support His Deen according to Shariah, which the Messenger of Allah (saw) taught us, and to have patience in adversity and stand firm on that until Allah sends His command.

I would like to convey to you and to the Islamic Ummah my congratulations and the congratulations of the head of the Central Media Office of Hizb ut Tahrir and all its workers. I pray to the Allah 'Azza Wa Jal that in the next Eid the Islamic Ummah will be under the banner of Al-U'qab, to be united, triumphant and victorious. And back as the leader of the World, indeed Allah 'Azza Wa Jal is Capable and will accomplish it.

May Allah accept your deeds in His Obedience, Wa Assalamu Alaikum Wa Rahamatullah Wa Barakatuhu

Glory and praise be to Allah, we bear witness that there is no god but you (Allah) and repent to you.

The eve of the blessed Eid al-Adha for the Hijri year of 1438.

An Appeal ... An Appeal ... An Appeal ...

to the Armies in the Muslim Countries Is There Not a Righteous Man Amongst You Who Will Roar with His Weapons in Support of Palestine's Al-Aqsa and Womenfolk?

(Translated)

The twenty-seventh of Shawwal 1438 AH is the second Friday that Muslims were unable to perform Salat ul-Juma'a at Al-Aqsa Mosque, in addition to that Friday when the Jews burned the Minbar (Pulpit) of Al-Aqsa in 1389 AH. It sets a dangerous precedent, since the liberation of Al-Quds by Salahudin from the Crusaders, when he performed the first Juma'a after the purification of Al-Quds from the filth of the Crusaders in 583 AH. These are the three times that Muslims could not perform Salat ul-Juma'a over more than eight centuries!! This shows the extent of the animosity of the Jewish entity against Islam and Muslims. They not only prevented them from worship but they also opened fire on their prayer congregations around Al-Aqsa Compound. Indeed, they are as Allah, Al-Qawee, Al-Azeez described, ﴿لَتَجِدَنَّ أَشَدَّ النَّاسِ عَدَاوَةً لِّلَّذِينَ آمَنُوا الْيَهُودَ وَالَّذِينَ أَشْرَكُوا﴾ "You will surely find the most intense of the people in animosity toward the believers to be the Jews and those who associate others with Allah" [Surah Al-Ma'ida: 5:82]... Yet, on the other hand, the Egyptian president contacted Netanyahu, as did the Jordanian king and the Turkish president, all appealing for calm, whilst the Saudi king issued a statement expressing his sadness as to what is happening in the squares of Al-Aqsa Mosque. Their stance is pleading to the Jewish entity to allow the worshipers to pray in Al-Aqsa and to reduce the use of the electronic detector gates, whilst maintaining the protocols of inspection and searches. And similarly is the stance of the rest of the rulers in the Muslim countries, with a hushed voice and even a whisper, as if what is happening does not concern them at all, unashamed before Allah (swt), His Messenger (saaw) and the believers. Indeed, the Messenger (saaw) said the truth when he said: «إِنَّ مِمَّا أَدْرَكَ النَّاسُ إِذَا لَمْ تَسْتَحْ فَاصْنَعْ مَا شِئْتَ مِنْ كَلَامِ النَّبِيِّ الْأُولَى: إِذَا لَمْ تَسْتَحْ فَاصْنَعْ مَا شِئْتَ» "What people realized from the words of the previous Prophethoods: If you have no shame, then do what you want". (Extracted by Al-Bukhari from 'Abdulah Ibn Mas'oud)

The problem of Al-Aqsa cannot be solved as long as the Jewish entity continues to usurp Palestine. The maximum that can be allowed under this entity is to allow prayer in Al Aqsa, under the weapons of Jews, upon their orders and with their permission. Their Minister of Internal Security stated that "Al-Aqsa is under the control of (Israel), it has the first and final say in opening and closing it." And so he brags, the humiliated one, due to the subjugation of the rulers in the Muslim countries. The beginning of the crime was on the day that these rulers agreed with some of those whose hearts are diseased from the so-called rulers in the Palestinian Authority that Palestine is the issue of the Palestinian people alone. Then the rulers sat and watched the consequences

with some sorrow or with none! And the best amongst them is the one who contacts the heads of the Jewish entity, calling upon them to alleviate the excessive violence towards the people of Palestine! Such are these rulers who support Palestine through the abandoning of Palestine, like the one who undoes the work, after all the effort has been put into it. Allah (swt) said,

﴿قَاتِلْهُمْ اللَّهُ أَنَّى يُؤْفَكُونَ﴾

"May Allah destroy them; how are they deluded?" [Surah Al-Munafiqun 63: 4]

The Ruwaibida, ignorant rulers, of the Muslim countries are aware that the movements of the people of Palestine cannot eradicate the Jewish entity. They also realize that the problem

of Al-Aqsa and all of Palestine cannot be solved except by eradicating that deformed entity, and eradicating it is only possible by an army that roars with its arms to uproot that entity. This is how the support should be for the Blessed Land, the blessed Bait ul Maqdis, the first of the two Qiblas and the third of the Haramayn that Muslims travel to, and this is how the victory will be achieved for the Muslim womenfolk in the blessed land of Palestine.

Is there not a righteous man in the Muslim armies, a man who roars with his weapon, accompanied by his brethren, chanting Takbirs, who rescues the womenfolk of Al-Aqsa that are attacked by these criminals in the squares of Al-Aqsa and around Al-Aqsa? Is there not a righteous man in the Muslim armies whose blood that is boiling in his veins compels him to lead his brigade towards Al-Aqsa and trample over the rulers standing in his way underfoot? Is there not in the Muslim armies a righteous man guided by the way of the Ansar of Allah and His Messenger, who will give victory to the sincere Dawah Carriers and supports Hizb ut Tahrir, to remove these rulers and establish the rule of Islam, the state of Islam, the Khilafah Rashidah (Righteous Caliphate), leading the Khilafah's army to uproot that monstrous entity to achieve the Messenger of Allah's glad-tidings? Muslim said in his Saheeh on the authority of Abu Hurayrah: The Messenger of Allah (saw) said:

«... لَا تَقُومُ السَّاعَةُ حَتَّى يُقَاتِلَ الْمُسْلِمُونَ الْيَهُودَ، فَيَقْتُلُهُمُ الْمُسْلِمُونَ»
“The Hour will not come until the Muslims fight the Jews, the Muslims will kill them...” In another narration, he (saw) said:
 «تُقَاتِلُكُمْ يَهُودُ، فَتَسْلُطُونَ عَلَيْهِمْ»
“The Jews will fight you and you will dominate them.”

O Muslims:

The armies of Muslims are from you, they are your sons, brothers and relatives, so push them to the truth that Allah has revealed, enlighten them with the light of Islam, so that they give victory to the Deen of Allah, and restore the legacy of the soldiers of Islam who uprooted the Crusaders from the land of Palestine and the land of Ash-Sham and uprooted the Tartars from the lands of Islam. They were the beacon for the world, with the good that they spread and the justice they had established.

If the Muslim armies want to become again as those great soldiers once were, they only need to support the Deen of Allah and support Al-Aqsa and its precincts, and trample over the rulers by removing them from their paths. Allah will mention them in the “pages of light” and they will have power in this world and be in the Hereafter in the seat of Truth with the Most Able Sovereign (swt):

﴿إِنَّ الْمُتَّقِينَ فِي جَنَّاتٍ وَنَهَرٍ * فِي مَقْعَدِ صَدِّقٍ عِنْدَ مَلِكٍ مُّقْتَدِرٍ﴾
“Indeed, the righteous will be among gardens and rivers, In a seat of honor near a Sovereign, Perfect in Ability.” [Surah Al-Qamar: 54-55]

O Armies in the Muslim Land:

Al-Aqsa is crying for help and Al-Aqsa's precincts are crying for help. Al-Aqsa will not be liberated from its captivity except by removing the entity of the Jews. The movements of the people

of Palestine although heroic and great will not remove the entity of the Jews, even though they are doing their duty as best as they can, but they are calling you for help and support, so help and support them, and answer the call of Allah, Al-Aziz, Al-Hakeem:

﴿وَإِنْ اسْتَنْصَرُوكُمْ فِي الدِّينِ فَعَلَيْكُمْ التَّصَرُّ...﴾
“And if they seek help of you for the religion, then you must help” [Al-Anfal: 72]

O Armies in the Muslim Land: O Muslims:

We are reassured that we will uproot the Jewish entity, so be the army that uproots it, for blessed is that army.

We are reassured that the Khilafah will return after this forcible rule will, Allah willing, the Prophet (saw) said:

«ثُمَّ تَكُونُ مُلْكًا جَبْرِيَّةً، فَتَكُونُ مَا شَاءَ اللَّهُ أَنْ تَكُونَ، ثُمَّ يَرْفَعُهَا إِذَا شَاءَ أَنْ يَرْفَعَهَا، ثُمَّ تَكُونُ خِلَافَةً عَلَى مَهَاجِ النَّبِيِّ ثُمَّ سَكَتَ»
“Then there will a forcible rule, as long as Allah wants, then Allah will remove if He so wants, then there will be a Khilafah on the Method of Prophethood, and then he (saw) was silent”. (Narrated by Imam Ahmad from Hudhayfah ibn al-Yaman.) So be the army that will support Hizb ut Tahrir working for its return and blessed is that army.

We are reassured Ash-Sham and its jewel, Al-Quds (Jerusalem) will be restored by the army of Islam to Dar Al-Islam. Imam Ahmad narrated in his Musnad from the Hadeeth of Salamah Ibn Nafil (may Allah be pleased with him) that the Prophet (saw) said:

«أَلَا إِنَّ عَقْرَ دَارِ الْمُؤْمِنِينَ الشَّامُ»
“The House of the Believers is Ash-Sham.” In a narration by Na'im Bin Hammad in the Book of Fitan (strife) by Katheer Bin Murrar:

«عَقْرُ دَارِ الْإِسْلَامِ بِالشَّامِ»
“The Abode of Islam is in Ash-Sham” ... And Ash-Sham and its jewel Al-Quds will be restored, Allah willing, full of pride and domination, so be the army that will restore it, and blessed is that army.

O Muslim Armies and the relatives of the Muslim Armies:

Hasten to the support of the Deen of Allah ... Hasten to the support of Bait ul Maqdis and its surroundings... Hasten to support the womenfolk of the Blessed Land ... Hasten to uproot the Jewish entity... Hasten to the support of the workers to establish the righteous Khilafah ... Hasten to restore Ash-Sham and its jewel Al-Quds to be the abode of Islam ... Hasten to the glory of this world and the Hereafter ... and this is better than what they plan (for you). Allah Al-Aziz Al-Hakeem (the Mighty, the Wise) said:

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا اسْتَجِيبُوا لِلَّهِ وَلِلرَّسُولِ إِذَا دَعَاكُمْ لِمَا يُحْيِيكُمْ وَاعْلَمُوا أَنَّ اللَّهَ يَحُولُ بَيْنَ الْمَرْءِ وَقَلْبِهِ وَأَنَّهُ إِلَيْهِ تُحْشَرُونَ﴾
“O you who have believed, respond to Allah and to the Messenger when he calls you to that which gives you life. And know that Allah intervenes between a man and his heart and that to Him you will be gathered.” [Al-Anfal: 24]

The Steadfastness of the Jerusalemites and Fear of the Case Returning to its Islamic Dimensions, Subjugated the Occupation and forced it to Retreat

(Translated)

Wednesday evening the occupation removed the sophisticated (smart) cameras, iron bridges and metal railings that were set up after removing the electronic detectors two days ago, because of the impact the protests arranged by the people of Jerusalem and of Palestine and their steadfastness to their stance of refusing any of the occupational procedures intervening with the Holy Al-Aqsa Mosque and the prayers in it.

The great steadfastness shown by the people of Jerusalem in facing the occupation with their bare chest, high determination and their calls for the Muslim Ummah and its armies to liberate Al-Aqsa Mosque, who struck fear in the Jewish entity and made them retreat in humiliation from their procedures.

It was clear that the Jewish entity hurried in containing the crisis because they saw the steadfastness of the Jerusalemites in a way they did not ever imagine or anticipate. In light of the growing awareness, sentiments and loud voices demanding the movement of the Muslim Ummah and its armies to liberate Al-Aqsa Mosque and its support, thereby no longer depending on the agent rulers and leaders whom the people of Jerusalem did not depend on for help because they know that the ones who are responsible for the loss of Al-Aqsa and Palestine are these rulers who betrayed Allah (swt), His Messenger (saw) and the believers. This is what made the occupation lose its mind and made it afraid, because it realised the issue could return to its roots – the Muslim Ummah, thereby it could end the Jewish entity in the Blessed Land. This also made the criminal rulers reach a point of disgrace and degradation in front of their people which made them fear for themselves that the Muslims would move against their treachery, therefore they began to appeal to the near and far to ease and contain the situation from escalating.

The call for help to the Muslim Ummah and its armies filled the hearts of the disbelievers and agents with fear, because they have wasted all their efforts through decades of minimizing the cause and separating it from Islam and the Muslim Ummah, making it in a fistful of mercenaries that allege legitimacy and the representation of the people of Palestine and the people of Jerusalem!

The Al-Aqsa incidents have proven that the Jerusalemites and Palestinians draw their steadfastness and resolve from their Aqeedah and love for the Masraa of the Prophet (saw), and the effect of the rulers, agents, organizations and authorities is absent

until those sides began to await the word from the stationed Jerusalemites (Murabiteen) and sway on their movements. The people of Jerusalem were the rock which smashed the hopes of the Jews and rulers of the Muslims, from passing the procedures and the intrigues against the Blessed Al-Aqsa Mosque. And the Jewish entity realised that the Jerusalemites are the essential power and not the Palestinian Authority or the ruler of Jordan and his likes of Muslim rulers – the people of Palestine have too realised that they are deprived any hope or gains in them. The events have uncovered that the only genuine solution for Al-Aqsa and the Palestinian issue, is its return to its true element, Islam and the Muslim Ummah, and the march of the armies for the sake of liberating Palestine and its captive mosque. From the intensity of the gathering of advocates in the Muslim world, made the Jewish leaders, who lost their minds, hastened to contain the crisis before it was too late.

We salute the heroic people of Jerusalem with their steadfastness, congratulations to you and to us for your mighty stance in confronting the occupation, your overwhelming happiness for triumph and forcing it to retreat. This is an invitation from us to keep up the steadfastness and to call for the movement of the Muslim Ummah and its armies for the sake of freeing the Blessed Al-Aqsa Mosque and to get rid of the colonizers' claws, then it will be the grand happiness by purifying it and returning it to the Muslim vanguard...

﴿فَإِذَا جَاءَ وَعْدُ الْآخِرَةِ لِيَسُوءُوا وُجُوهَكُمْ وَلِيَدْخُلُوا الْمَسْجِدَ كَمَا دَخَلُوهُ أَوَّلَ مَرَّةٍ وَلِيُتَبَرَّأُوا مَا عَلُوا تُتَبَرَّأًا﴾

“..Then, when the second promise came to pass, (We permitted your enemies) to make your faces sorrowful and to enter the mosque (of Jerusalem) as they had entered it before, and to destroy with utter destruction all that fell in their hands.” [Al-Israa: 7]

Al-Aqsa Mosque Cries out to Those Whom Allah has Blessed to Liberate it from Those Whom Allah's Wrath is Upon

(Translated)

Praise be to Allah, Lord of the Worlds, and peace and blessings be upon the Messenger of Allah and his family and companions and those who follow him,

O our Aqsa, O our Ummah, O Muslim soldiers and Officers...

The enemies of Allah, the Jews, with the most enmity to those who believe are spreading corruption and are corrupting the Masra (place of Isra) of the Messenger of Allah (saw).

A new week is added to decades of harassments on Al-Aqsa Mosque, the captive, and attacks of its people, loved ones and companions.

Closure, desecration, intrusions and electronic gates, and above all repression, arrests and killing of Muslim took place in its courtyards and at its honorable gates.

O Aqsa... O Masra of the Messenger of Allah...

How these people belittled you, they are the worst creatures, and so they dared to attack you and your loved ones, they dream of dividing you in time and space, to worship the devil inside your squares, and desecrate your pureness, while depriving the worshipers of Allah and His supporters from your blessings.

O Allah, how grave are the crimes of the Jews, and how much audacity they displayed on the Blessed Land and the noble mosque.

O Muslims:

The Jews would not have had to wreak corruption and havoc in Palestine and the blessed Al-Aqsa Mosque if the rulers had not surrendered and conspired with Jews.

The Jews would not have had the audacity against Palestine and its people and its blessed mosque, if they were not guaranteed the lack of punishment and the reaction of the rulers of shame and disgrace.

The Jews are the most cowardly of Allah's creation. Allah describes them as:

﴿لَا يُقَاتِلُونَكُمْ جَمِيعًا إِلَّا فِي قَرْيٍ مُحْصَنَةٍ أَوْ مِنْ وَرَاءِ جُدُرٍ﴾

"They will not fight you all except within fortified cities or from behind walls" [Al-Hashr: 14].

They would have not dared if they knew that there are armies behind Al Aqsa Mosque that would mobilized to destroy their fortifications and eliminate them!!

How do Jews, who love life,

﴿وَلَتَجِدَنَّهُمْ أَحْرَصَ النَّاسِ عَلَى حَيَاةٍ﴾

"And you will surely find them the most greedy of people for life" [Al-Baqara: 96] face a nation that loves martyrdom and yearns to meet with its Lord, unless they were reassured by the humiliating rulers who locked up the Ummah from carrying out Jihad in the name of Allah to liberate the Masra of the Messenger of Allah (saw).

Yes, they are the criminal rulers of the Muslims who unleashed the Jews to defeat the Palestinians and its unarmed people, when they stopped the armies and people from moving in support of Palestine and its mosque and its people, and surrounded the Jews with a shield of protection to guard them from the wrath of

the Ummah and its men.

As for the Palestinian Authority, which is still coordinating with the occupation, its symbols appear to denounce the crimes of Jews, but at the same time, they coordinate with the occupation and show their subjugation by renewing their call for the alleged peace! Woe to them.

Conspiring and betraying rulers ... imprisoning their armies from giving the victory to Islam and Muslims and make them in the service of the Kuffar and occupiers.

Where are the Muslim armies, Erdogan, is not Palestine and Al-Aqsa closer to your soldiers from Qatar?

And where are the Muslim armies, Sisi, you send them to bomb Sinai and Libya?! And make it cool and peaceful for the occupying usurping Jews.

And where the armies of Saudi Arabia, Salman, O you who attack Yemen and threaten Iran?

And where are the armies of Iran, O Rouhani, you who prepared the army of Al-Quds (Jerusalem), out of deception and lies, and we see it in Syria killing women and children and maintaining the throne of the criminal Bashar?

And where are the armies of Jordan, O Abdullah, who claims the mandate over the blessed Al-Aqsa Mosque?! Is not al-Aqsa closer to you than Syria that you bombed with your aircraft?

And where are the armies of Pakistan, Nawaz Sharif, who have surrendered the country and its army in the service of America and its interests?

Where, where, where?

O Honourable Ummah, O Soldiers and Officers:

Were it not for the loss of the Khilafah, Palestine would not have been lost, and if it were not for the conspiracy of the criminal rulers, there would not have been a Jewish entity even for an hour of day. You see the rulers' failure to support the Masra of the Messenger of Allah, and they are able to do so, and witness with your own eyes how they use you to maintain their thrones and to achieve the West's interest and keep the Muslim land occupied and weak. You know that the demise of the Jews and the liberation of Bait ul Maqdis is only in their demise (rulers).

How long will remain silent over them?

How long do you close your eyes to the crimes of the Jews and desecration of the Masra of the Messenger of Allah (saw)?

And now you witness how the people of Palestine, men and women, boys and elderly, face the Jews with their naked chests and high determination, who is more worthy of confrontation? And deserving of it?

Is it not you, O treasure of the Ummah and its soldiers, O owners of the badges (of honours)?

Yes by Allah, Al-Aqsa is a trust in your necks, and its liberation is a duty upon you, you are its family and friends and able to do so.

You are the descendants of Omar, Salah ud-Din and Sultan Abdul Hamid, and you are not the descendants of Abu Raghal as the rulers.

You are the Ummah's hope, and it cries out for you morning

and night, and have not lost hope in you despite the long wait.

So rise to support Palestine and its blessed Mosque and shake the earth beneath the Jews, and May you be the ones whom Allah described:

﴿فَإِذَا جَاءَ وَعْدُ الْآخِرَةِ لِيَسُوءُوا وُجُوهَكُمْ وَلِيَدْخُلُوا الْمَسْجِدَ كَمَا دَخَلُوهُ أَوَّلَ مَرَّةٍ وَلِيُتَبِّرُوا مَا عَلَوْا تَتْبِيرًا﴾

"Then when the final promise came, [We sent your enemies] to sadden your faces and to enter the temple in Jerusalem, as they entered it the first time, and to destroy what they had taken over with [total] destruction." [Al-Isra: 7]

So rush to that which will bring you the glory and pleasure of your Lord and you will be victorious in both worlds, then you will mark pages of light that will intercede for you on the Day of Judgment

O Noble People of Palestine, O Heroes of Bait ul-Maqdis:

Be steadfast, O people of the blessed land, be steadfast, be steadfast, O Heroes of Bait ul-Maqdis.

Know that the whole Ummah is watching you, and follows your situation; it sees in you determination and steadfastness, and soon your steadfastness and your determination will be inspirational and motivating to the armies of the Ummah, its new supporters (Ansar).

And know that your strength is by adhering to your Deen and Islam, he who is in this situation, Allah is with him and will never let him down:

﴿إِنْ يَنْصُرْكُمُ اللَّهُ فَلَا غَالِبَ لَكُمْ وَإِنْ يَخْذَلْكُمْ فَمَنْ ذَا الَّذِي يَنْصُرْكُمْ مِنْ بَعْدِهِ وَعَلَى اللَّهِ فَلْيَتَوَكَّلِ الْمُؤْمِنُونَ﴾

"If Allah should aid you, no one can overcome you; but if He should forsake you, who is there that can aid you after Him? And upon Allah let the believers rely" [Al-i-Imran: 160]

Victory and domination is for the allies of Allah and His loved ones, and the power of the Jews and the tyranny of the oppressors of the whole earth will not be able to stand before the will of Allah and His victory.

﴿وَاللَّهُ غَالِبٌ عَلَى أَمْرِهِ وَلَكِنَّ أَكْثَرِ النَّاسِ لَا يَعْلَمُونَ﴾

"And Allah is predominant over His affair, but most of the people do not know" [Yusuf: 21].

And this distress and hardship experienced by the Ummah and the blessed Al-Aqsa Mosque is only a reminder of the near victory, Allah willing. After difficulty comes ease, and the dawn follows the darkness.

﴿فَإِنَّ مَعَ الْعُسْرِ يُسْرًا * إِنَّ مَعَ الْعُسْرِ يُسْرًا﴾

"For indeed, with hardship [will be] ease. Indeed, with hardship [will be] ease" [Ash-Sharh: 5-6].

Show Allah what He loves, and beware of following the ones who want to normalize the relations with the Jews, who lower your morale, the traitors. They are the friends of the Shaytan, and you are the friends of Allah.

And shout the loudest with your voices, and call the armies of the Ummah and its officers, call for Salah Ud-Din and Baybars and Qutuz.

Call upon the heroes of the Ummah and its soldiers, and Allah

will make your calls reach them, and will facilitate the return of the glory and victory of Islam and Palestine and Bait ul-Maqdis.

﴿فَلَمْ تَقْتُلُوهُمْ وَلَكِنَّ اللَّهَ قَتَلَهُمْ وَمَا رَمَيْتَ إِذْ رَمَيْتَ وَلَكِنَّ اللَّهَ رَمَى
وَلِيُبَيِّنَ الْمُؤْمِنِينَ مِنْهُ بَلَاءٌ حَسَنًا إِنَّ اللَّهَ سَمِيعٌ عَلِيمٌ﴾

“And you did not kill them, but it was Allah who killed them. And you threw not, [O Muhammad], when you threw, but it was Allah who threw that He might test the believers with a good test. Indeed, Allah is Hearing and Knowing” [Al-Anfal: 17].

O Allah, Sender of the Book, the One who moves the clouds, and the Defeater of the parties (Ahzab), Defeat the Jews, and give us victory over them.

O Allah, send down your punishment on them that does not mistake the criminal people.

O Allah, shake the earth beneath their feet and lower their flags and defeat them.

O Allah, the Aqsa is under your mercy, it is crying for help, so save it, and is calling for support so support it.

O Allah, protect Al-Aqsa Mosque and liberate it from its siege.

O Allah, save Al-Aqsa Mosque from the occupiers and send to it a leader as Salah ud-Din to liberate it from the hands of the invaders and brings back to us the glory of Hittin.

O Allah, protect our Aqsa from the abomination of the criminals Jews and deceit of the traitors.

O Allah, the Jews have oppressed us, so show us in them the wonders of your ability.

O Lord of the Lords, and King of the earth and heavens, prepare armies of conquerors for Palestine.

And support Bait ul Maqdis with supporters like Sa'd Bin Mo'az and As'ad Bin Zurara.

Oh Allah, inspire the Muslim soldiers and their officers with guidance and the correct path and give them success to support your Deen and friends.

O Allah, grant us a righteous Khilafah (Caliphate) on the method of Prophethood, which will establish the Deen, preserves Muslims and liberates Muslim lands.

O Allah, spread this good (message) from us and soften the hearts of Muslims to accept it, with Your Mercy, O Most Merciful.

Glory and Peace be to Allah and peace to the Messengers and praise be to Allah the Lord of the worlds.

Announcement of the Launch of the Official Broadcasting of "Al-Waqiyah" Television Channel

The Central Media Office of Hizb ut Tahrir is pleased to announce before the start of the month of Ramadhan the transition to the official broadcasting of "Al-Waqiyah" television channel, following the successful completion of the trial period with Allah's help (swt). The channel on the evening of Friday, May 26, 2017, will stream a special broadcast covering two events: The beginning of the blessed month of Ramadan and the official launch of "Al-Waqiyah" channel. The eminent scholar Ata Bin Khalil Abu al-Rashtah, the Ameer of Hizb ut Tahrir, will deliver a speech on these two occasions. The channel will host a selection of honourable intellectuals and politicians. Also the result of the sighting of the moon of the blessed month of Ramadhan for this year, 1438 AH, will be announced.

"Al-Waqiyah" is a television channel that relies for its broadcast and media production-at this stage-on the Internet and the modern means of communication and social media to spread its message to the world in general and to Muslims in particular, Arabs and non-Arabs; keeping pace with technological developments on the one hand and being close to the general public on the other. In today's world, where the news has become an industry, the blurring of the truth as a craft, and the falsification of public opinion is a profession ... this fruit is launched to protect its viewers from slipping (in falsehood), and to clarify the truth as it is, and to draw the straight line next to the crooked lines.

"Al-Waqiyah" channel chose; "Side with the Ummah's Ideology" as its logo to show the reality of the basis it is built on, and will remain faithful to it. "Al-Waqiyah" does not claim neutrality and then contradicts it, as is the case of most, if not all the visual, audio and print media... but it is completely bias to Islam; all of Islam and only Islam, it turns with it where it turns, this is a covenant and promise we made. Al-"Waqiyah" channel is a media shield that adopts the vital issues of the Ummah and presents them with force and boldness to contribute to the crystallization of political awareness among the Ummah's sons.

As "Al-Waqiyah" channel moves to the second stage of its broadcasting and media production, we invite all the media

personnel to follow and benefit from the channel. Re-publishing of its materials is available to everyone, provided that its content is published as it is.

As we take advantage of the blessed month of Ramadan, the live interactive broadcast will be on Mondays and Thursdays of every week, in addition to the daily programs during the blessed month.

We ask Allah (swt) to accept this work from us and bless it and make it accepted in the hearts of the Ummah and make it a shining light that lights up the way for the workers to resume the Islamic way of life under the shade of the Khilafah state (Caliphate) on the method of Prophethood, the glad-tiding of the slave and Messenger of Allah (saw).

Announcement of the Launch of Khilafah.net Website with its New Design

The Central Media Office of Hizb ut Tahrir (CMO) is pleased to announce the launch of the *Khilafah Rashidah* website (Khilafah.net) in its new design as of Friday, 05 Dhul Qi'dah 1438 AH corresponding to 28/07/2017 CE.

The CMO, as it announces the launch of this site, supplicates to Allah Almighty to help us to establish the rightly guided *Khilafah* (*Khilafah Rashidah*), so that the Ummah is dignified and pleased with the resumption of the Islamic way of life that the Creator chose for it, and handing over leadership to the frontrunner that does not lie to its people; the honest and sincere group that came from its womb. The one that does not disappoint it during calamities, the one that does not put its hand in the hands of its enemies, and does not seek victory except from Allah (swt). Hence, the promise of Allah Almighty, and the glad tidings of the Messenger of Allah (saw) is achieved, by the establishment of the second *Khilafah Rashidah* on the method of the Prophethood, with its signs are looming on the horizon, and its dawn has neared. And that is for Allah not difficult.

Hizb ut Tahrir, which has been in existence for more than sixty years, is not concerned about all the obstacles, the impediments, the machinations of stalkers and the injustice of the rulers and tyrants. It has been calling people for its establishment following the way of the Prophet (saw) in establishing his state in Madinah Al-Munawarra. It has prepared and drafted a solid and unique constitution, derived from the considered Shariah evidences, and presented it to the Ummah as a great clear project which when applied will bring the Ummah out from the darkness of the man-made laws, to the light of Islam and its justice, to achieve the happiness of this world and the Hereafter... Here is Hizb ut Tahrir, in the bounty of Allah Almighty and His favor, and in the eagerness of its Ameer, the eminent scholar Ata Bin Khalil Abu Al-Rashtah, may Allah protect him, to use all the legitimate styles and means at its disposal, it commends a new platform and another media outlet. It announces the launch of the *Khilafah Rashidah* website in its new design to convey to the Islamic Ummah the pleas of glory, and the

political, intellectual and jurisprudential (Fiqhi) statements to spread awareness about the Ummah's vital issue (*Khilafah* on the method of the Prophethood) and to elevate it from the reality of ignorance and humiliation under the regimes of employment to the reality of progression and pride under the shade of the pure Islam, which the Prophet (saw) left us with, where he said:

« تَرَكْتُكُمْ عَلَى بَيضاء نَقِيَّة لَيْلُهَا كَنَهَارِهَا لَا يَزِيغُ عَنْهَا إِلَّا هَالِكٌ »

"I am leaving you upon a (path of) brightness whose night is like its day. No one will deviate from it after I am gone but one who is doomed".

The newly redesigned Khilafah.net site describes to the Muslims how the Islamic State was established, then how it was destroyed, the obligation of its re-establishment, and the legal Shari' way of establishing it. The site also shows the Ummah the form of the *Khilafah* state, its systems and institution and the constitution prepared by Hizb ut Tahrir for the second *Khilafah Rashidah* State (Righteous Caliphate) on the method of the Prophethood when it is established soon, with Allah's permission... It provides its visitors with everything related to the ruling system in Islam (the *Khilafah*) of books and intellectual, political and jurisprudence writings, in addition to the party's publications of leaflets, magazines and flyers, reviews of its most important activities and work, and a set of news and political analysis, using the latest technologies.

We ask Allah Almighty to guide our steps, and to make it a platform of good and a beacon of light, to guide people to goodness, and to reward those managing it and the sincere workers best reward. He is the guardian of success.

Campaign Launch: "Yemen's Children: Victims of a Forgotten War" by the Women's Section in the Central Media Office of Hizb ut Tahrir

The Women's Section in the Central Media Office of Hizb ut Tahrir have launched a campaign to bring international attention to the heartbreaking plight of the millions of children of Yemen who face a horrifying humanitarian crisis due to the ongoing brutal war in their country. For over 2 years now, the innocent children of Yemen have been the primary victims of a war that has sown utter devastation on the lives of its people. Infact this humanitarian catastrophe has been termed, "a children's crisis" by aid agencies due to the overwhelming impact the conflict has had on the young.

According to the UN, 80% of children in Yemen are now in desperate need of humanitarian aid. The crippling air and sea blockade by the Saudi-led coalition, and the fighting between the warring parties in Yemen's key ports of Aden and Hudaydah have caused near-famine conditions affecting 17 million people. 2.2 million children are now suffering from acute malnutrition. The war has also caused the collapse of Yemen's healthcare, water and sanitation systems, leaving 7 million children without adequate medical care, and 8 million children with no access to clean water and sanitation. It has also sparked a deadly cholera epidemic to which the young are most susceptible. Of the 425,000 suspected cases of cholera across Yemen, around half are suspected to be children, and of the 2000 who have died from this preventable disease, a quarter have been children. According to Save the Children, the children of Yemen are being infected by cholera at a rate of 1 every 35 seconds, and according to UNICEF, every 10 minutes a child under 5 in Yemen dies from preventable causes. On July 26th, the World Health Organisation, the UN Children's Fund, and the World Food Programme issued a joint statement describing the situation in Yemen as "the world's worst cholera outbreak in the midst of the world's largest humanitarian crisis". All this is in addition to the 4000 children who have been killed or injured directly by the fighting. Despite all this, there is no end in sight

for this brutal war.

This campaign will also expose how this war is not a sectarianism-driven conflict, nor a battle against terrorism, nor is it only a military struggle between regional powers for their selfish nationalistic political ambitions. Rather, it is a colonial-driven proxy war between Britain and the US, who are not only profiteering from the bloodshed but also fueling the war through their various agents in the region to gain greater influence in this strategic country. The pure blood of the children of Yemen has therefore been sacrificed to feed the selfish interests of these tools of the conflict and their masters in Britain and the US, and the morally bankrupt arms industry who view the slaughter, starvation and colossal scale of suffering of Yemen's children as an acceptable price for financial and political gains. These gains, explains why the capitalist Western governments and the rest of the international community lack any political will to end this devastating war, and why the mainstream media coverage of this conflict has been minimal, and hence why this has become "the forgotten war"!

The campaign will demand an end to this war of Muslim killing his Muslim brother which is utterly condemned in Islam. And it will raise a call to the Muslims, and their Ulema and armies to establish with urgency the Khilafah (Caliphate) based upon the method of the Prophethood. It is this state alone that

can end colonial interference in our lands, stop sectarianism being used as a tool for political interests, remove the artificial borders which divide this Ummah and end any rifts between the hearts of the believers caused by decades of nationalistic secular rule. Finally, the campaign will present the prosperous, secure and stable history that the land of Yemen enjoyed under the Islamic rule of the Khilafah, and how this glorious state will solve the current and long-standing problems affecting

Yemen's children and their families. We call you to support this important campaign which can be followed at:

DEMOCRATIC ELECTIONS ARE LIKE MIRAGES IN THE DESERT

In 8th August 2017, nearly 19 million Kenyans are likely to vote in the General Election; the fifth election since the introduction of multiparty Democracy in Kenya. The main contest lies between the incumbent president Uhuru Kenyatta who leads the Jubilee Coalition and his main rival Raila Amolo Odinga of National Super Alliance. The two contestants and their henchmen have campaigned in every corner of the country promising the electorates of improving their livelihood.

As the country heads to the polls, there is a sense of fear of violence erupting among the citizens hence the security apparatus and many civil societies have called for peaceful elections.

In this regard, Hizb ut Tahrir / Kenya wishes to expound on the following:

A victory for any of the coalition in this upcoming poll will not drastically and radically change the current harsh situation of the common man. This is due to the fact that leadership in Democracy is just a fallacy and ambition and not a trust of taking care of public interests. The reality still remains like the previous regimes. The next government will only bound to corrupt colonialist capitalist policies of exploitation. Therefore the deemed change in the polls will be other than the change of guard or maintaining it and not a real change.

Fear of election related violence and chaos is really saddening, and we categorically state that this should be avoided at all cost since human beings must always remain in a state of tranquility and peace. By and large, the worry should be a clear evidence of the total failure of the colonialist system of Democracy in uniting the society. This system itself is inciting violence and keeps dividing people along tribal, partisan and regional lines. Furthermore since leadership in Democracy is for the handful capitalists who yearn for individualistic satisfaction thus its politicians use any dirty means such as dividing masses along tribal grounds to capture power. We state that tribalism is among the weakest fragile bond that cannot bind together human beings who crave for progress. This particular bond makes people compete over dominance and therefore is prone to hatred and violence.

Decisions in democratic elections do not lie on the hands of the electorates as perceived by democratic adherents rather are confined within the hands of a few elites; the capitalists who have a direct influence on the political class. This was pointed out by Lord Halsham who once said- an 'elected dictatorship': rule for, by and of the elite... an individual's vote is irrelevant'

For the Muslim Community, we remind them that participating in these polls means nothing other than endorsing and consolidating the corrupt secular creed that advocates for separation of the Almighty Creator - Allah (swt) and His Divine Law from the realm of life. Secularism is giving authority of legislating to Man who is limited in thinking. Furthermore, under the veil of Democracy, all moral decadence such as homosexuality, lesbianism, drinking and all other evil that is committed. We wish to remind the Islamic community not to be submissive to the empty political promises of Democracy instead we should carry the noble daawah i.e. calling mankind to Islam as the only alternative for solving the problems that are not only facing Kenya but the whole world.

In the Absence of the Imam al-Junnah (the Shield), the Month of Goodness Comes Upon the Children of Mosul while they are in Terror and Grief

(Translated)

The United Nations Children's Fund (UNICEF) has expressed concern over the threat to the lives of 100,000 children on the western side of the city of Mosul, due to fighting between Iraqi forces and ISIS. According to a report issued by the organization on Monday 5/6/2017, "An estimated 100,000 girls and boys remain in extremely dangerous conditions in the old city and other areas of west Mosul. Many are caught in the crossfire and hospitals and other medical facilities have reportedly come under attack." The statement said, "Children's lives are on the line. Children are being killed, injured and used as human shields," adding "in some cases, they have been forced to participate in the fighting and violence."

UNICEF warnings intersect with warnings from the International Organization for Migration (IOM) Iraq spokesperson Sandra Black, who said that more than 180,000 civilians are trapped in the Old City west of Mosul, facing death by air strikes and sniper attacks or are being used as human shields.

Seven months have passed since the start of the so-called battle to "Retake Mosul" and its liberation from ISIS, as alleged by the Iraqi forces and the America-led coalition forces. Seven months and civilians, especially women and children are paying the price for this war, to the extent that the bodies of the people of Mosul are scattered in the streets with no one to bury them, as in the Zanjili neighborhood, whereas the number of the injured reached hundreds, and it became difficult for relief organizations to provide accurate statistics on their number due to difficulty in reaching them. This is in addition to the presence of hundreds of thousands who are trapped between the jaws of the pliers of ISIS and the Iraqi forces, which put the lives of 100 thousand children at risk, where they are put in the field of fire, killed, injured and

used as human shields, and in some cases, forced to participate in fighting. UNICEF stated in its report, on the situation of children in the besieged areas of the western side of Mosul: "Children are experiencing and witnessing terrible violence that no human being should ever witness."

This is in addition to the destruction of the infrastructure of houses, hospitals, schools, etc., which directly affects the lives of these civilians and exacerbates the tragic situation. Adding to this, is the suffering of the refugees in the camps.

O Muslims:

By Allah, it is anguish in the heart that we are in this blessed month (Ramadan), in which we remember battles in the history of Muslims such as Badr, Ein Jaloot, Hittin and Amooriyah (Amorium), and other battles that opened the lands and subjected them to the authority of Islam, and that Muslims ruled the world; yes, it is an anguish that as we remember these triumphant battles in the month of victories, we talk about battles and wars revolving

in Muslim countries serving the colonizers, and strengthening their influence, in which Muslims' blood is shed and their honor is violated, by the hands of our own people who gave loyalty to America and allied with it in its war against Islam and Muslims. This is the America that kills innocent people in Ash-Sham and Iraq in cold blood, and then it boasts that it was a mistake! The US military said in a statement on Friday 22/01/17 that at least 484 civilians were killed in the America-led coalition strikes against ISIS in Iraq and Syria since the start of the campaign in 2014. This is what he confessed and what is hidden is greater. So, to what state of weakness and disgrace has the Islamic Ummah reached?!

O Muslims:

The Messenger of Allah (saw) said:

«إِنَّمَا الْإِمَامُ جُنَّةٌ يُقَاتِلُ مِنْ وَرَائِهِ وَيُنْقَى بِهِ»

“The Imam is but a shield, behind whom the Muslims fight and by whom they are protected.” This is what we miss in our time, the Imam al-Junnah (the shield), who governs us by Islam under the shadow of a righteous Khilafah (Caliphate) state on the method of

the Prophethood. So, he spares the blood of Muslims, protect their honors, liberates their country and their sanctities from occupation and subordination, and carries Islam as a message of justice, light and guidance to humanity, which will save it from the misery of democracy and capitalism.

O Muslims, we invite you to work hard to find this Imam. Hasten and become closer to Allah Almighty in this blessed month by working with Hizb ut Tahrir to establish the second Khilafah (Caliphate) state on the method of the Prophethood, for in this is the glory of this World and the Hereafter, Allah willing.

﴿وَيَوْمَئِذٍ يَفْرَحُ الْمُؤْمِنُونَ * بِنَصْرِ اللَّهِ يَنْصُرُ مَنْ يَشَاءُ وَهُوَ الْعَزِيزُ الرَّحِيمُ﴾

“And that day the believers will rejoice; In the victory of Allah. He gives victory to whom He wills, and He is the Exalted in Might, the Merciful.” [Ar-Rum: 45-].

Where are the Armies for the Aqsa?!

The Ruwaibida, ignorant rulers, of the Muslim countries are aware that the movements of the people of Palestine cannot eradicate the Jewish entity. They also realize that the problem of Al-Aqsa and all of Palestine cannot be solved except by eradicating that deformed entity, and eradicating it is only possible by an army that roars with its arms to uproot that entity. This is how the support should be for the Blessed Land, the blessed Bait ul Maqdis, the first of the two Qiblas and the third of the Haramayn that Muslims travel to, and this is how the victory will be achieved for the Muslim womenfolk in the blessed land of Palestine.

Is there not a righteous man in the Muslim armies, a man who roars with his weapon, accompanied by his brethren, chanting Takbirs, who rescues the womenfolk of Al-Aqsa that are attacked by these criminals in the squares of Al-Aqsa and around Al-Aqsa? Is there not a righteous man in the Muslim armies whose blood that is boiling in his veins compels him to lead his brigade towards Al-Aqsa and trample over the rulers standing in his way underfoot? Is there not in the Muslim armies a righteous man guided by the way of the Ansar of Allah and His Messenger, who will give victory to the sincere Dawah Carriers and supports Hizb ut Tahrir, to remove these rulers and establish the rule of Islam, the state of Islam, the Khilafah Rashidah (Righteous Caliphate), leading the Khilafah's army to uproot that monstrous entity to achieve the Messenger of Allah's glad-tidings? Muslim said in his Saheeh on the authority of Abu Hurayrah: The Messenger of Allah (saw) said: «... لَا تَقُومُ السَّاعَةُ حَتَّى يُقَاتِلَ الْمُسْلِمُونَ الْيَهُودَ، فَيَقْتُلُهُمُ الْمُسْلِمُونَ» The Hour will not come until the Muslims fight the Jews, the Muslims will kill them...” In another narration, he (saw) said: «تَقَاتِلُكُمْ يَهُودٌ، فَتَسْلُطُونَ عَلَيْهِمْ» “The Jews will fight you and you will dominate them.”

Oppressors who think the Dauntless Yilmaz will be Daunted are going to be Disappointed!

(Translated)

Last night a large crowd of police from the Ankara Police Headquarters took Yilmaz Çelik under custody from his Iftar table and put him in jail. This oppression that is seen fit for Muslims in this holy month of Ramadan and in the eve of the Eid (Feast), will stay until eternity as a black spot on the brow of the perpetrators. Yilmaz Çelik who carried the Dawah of Islam on his shoulders for years, is just only one of the innocent victims of the jurisdictional oppression against Hizb ut Tahrir.

Yilmaz Çelik has been unjustly and unlawfully, taken under custody and jailed, countless times before this. The two separate lawsuits that are the pretence of his jailing in these holy days is both sad and ironic to say the least. In 2005, Yilmaz Çelik as the Official Spokesman of Hizb ut Tahrir in Wilayah Turkey sent a Ramadan Eid Card to numerous civilians and formal institutions and upon the ATO Chairman of the time Sinan Aygün's complaint; he was found guilty and charged with 7.5 years of prison. Again he countered the slanders on Hizb ut Tahrir made especially by the "FETÖ" media and went before the cameras. Because he refuted these baseless slanders he was found guilty and charged with another 7.5 years of prison in 2009.

When the personal solicitation to the Constitutional Court of those who are tried with the Ergenekon lawsuit are instantly accepted and are released without delay and on top of that are rewarded with millions of lira as compensation, Yilmaz Çelik's personal solicitation to the Constitutional Court has been waiting in their shelves for years. When Seculars and Kemalists demands for retrial are accepted instantly and are exculpated one by one, Yilmaz Çelik's retrial petitions have been declined. This is the very jurisdictional oppression itself and hostile Criminal Law against Hizb ut Tahrir. This situation is a crushing humiliation and bad end for those who are the oppressors.

We say from this platform to those who are in power, the authorities and those responsible, to all oppressors who have a part in this oppression. You have tried and charged for thousands of years in prison while you did

not have any proof of terrorism on Yilmaz Çelik or any other member of Hizb ut-Tahrir. You have oppressed Hizb ut Tahrir members who are against any and all violence or terrorism by calling them "Members of Terrorist Organisations". There have been days when you did this with Kemalist enemies of Islam! There have been days when you did this with your old friends that you now call "FETÖ"! There have been days when you found others to commit these crimes with!

O Oppressors!

Is there no fear of Allah in you? Do you ever think of your end? If you think you will daunt the Dauntless (Yilmaz) by oppressing you are going to be disappointed! These oppressions of yours has made Dauntless (Yilmaz) like steel (Çelik) in their Dawah and it will make many more dauntless like steel in the Dawah of Islam! You will be charged with heavy oppressions in the Day of Judgement because of these crimes you committed.

﴿وَلَا تَحْسَبَنَّ اللَّهَ غَافِلًا عَمَّا يَعْمَلُ الظَّالِمُونَ إِنَّمَا يُؤَخَّرُهُمْ لِيَوْمٍ تَشْخَصُ فِيهِ الْأَبْصَارُ﴾
"And never think that Allah is unaware of what the wrongdoers do. He only delays them for a Day when eyes will stare [in horror]."

All thanks to Allah Lord of the Worlds and prayers and peace on the one sent as a blessing for the world, Imam of the Messengers – our Syyid Muhammad and on his blessed family and friends...

Dear brothers:

The exalted scholars

Leaders of the political work

Journalists, dear guests

Assalamu Alaikum Wa RahmatuAllahi Wa Barakatuhu,

May Allah (swt) accept your and our fast and qiyam and all good deeds in this holy month in which Muslims resemble angels, and they are closer to Allah Subhanahu wa Taala in worship, resembling the Revelation.

However, the Ummah of Revelation (the Muslim Ummah) is still wasting this revelation in regards to regulation of life and legislation; Muslims are not one Ummah under the banner of their messenger Mustafa (saw), applying the law of the great Revelation and carrying it to the world; the message of guidance and light as they were left by Prophet of Allah (saw). They have been separated and torn to different banners. They implement the law of humans, deal with their enemies as friends and allow them to interfere in all their matters. Thereby, they sunk to a level where the nations quarrel and Allah (swt) says:

﴿وَأَنَّ هَذِهِ أُمَّتُكُمْ أُمَّةً وَاحِدَةً وَأَنَا رَبُّكُمْ فَاتَّقُونِ﴾

“This nation of yours is one nation, and I am your Lord, so fear Me.” [Al-Mu'minin: 52]

Ramadan brings good to the people of this country but the conditions are deteriorating from the lowest decay to a lower level after the project called the National Dialogue had been launched. Most of its stages are complete and it will soon reach its final stage after the National Agreement Government has been formed so that the owner of the project can harvest its fruits whereas the people of the country will face destruction and a miserable life!!

Once again, Hizb ut Tahrir, Wilayah Sudan, with its political awareness explains the following facts about what is called the National Dialogue Project which is described as being the largest political project in the history of modern Sudan:

First:

◆ On 13/2013/08/, the American Institute of Peace, an organization that belongs to the Congress, issued a peace summary no. (155) in which it is stated: “The time has come for Sudan to embark on a real internal dialogue and a reform process that will lead to a government which represents a wide base and democracy and which is capable of moving towards a useful reform process between the Sudanese.”

◆ On Tuesday 21/2014/01/, the late American president (Carter) met with the president Al-Bashir and said after the meeting: “We have discussed the prospects of a comprehensive and democratic national dialogue ...and formulations of a new constitution” After only six days of his meeting with Carter, Al-Bashir held Al-Wathba speech on 27/2014/01/ in which he invited the political force and arms holders to a National Dialogue!!

◆ Then there was the movement of the late American envoy, Donald Booth, and his relentless pursuit to include the opposition forces and the armed movements in this dialogue. The political and armed moves were to destroy the stakes of the two movements of Justice and Equality and the Free Sudan movement – Manaawie wing, and they were behind the coup against Sudan People's Liberation Movement, the Northern Sector, which was slow to accept the American proposal regarding the delivery of aid to the two areas – which will be

implemented as part of the American aid.

All these political and military operations, accompanied by media operations, put the opposition and the armed movements on the starting point of entering the dialogue. The Carter Centre for Peace was officially assigned by the US State Department to invite the government, The Sudan Appeal Alliance, Justice and Equality, Free Sudan and the Sudan People's Liberation Movement, North Sector, to hold a meeting on 062017/07/ in the city (Atlanta) in the American state Virginia to reach a final agreement before lifting the sanctions on Sudan which is estimated to happen on 122017/07/. (Daily News no. 8194, Saturday 172017/06/)

Second:

The National Dialogue is America's (enemy) project in Sudan. The government and the movements who are eager to gain power are both tools used to execute this project through which the US wants to implement a true secular rule as said by Carter (formulations of a new constitution) which removes Islam from the rule and combats the ones who call for it under the signs of combating terrorism. The US will not be satisfied, after it separated South Sudan, until the rest of Sudan is torn apart which will happen through the agreement of Darfur's extended autonomy "The Doha Agreement" and through the demands of the revolutionists of the Sudan People's Liberation Movement for the right to self-determination!!

Dear brethren: This is the truth about what is called the National Dialogue Project; it is, in fact, a danger to this country and its people, so should we not perform our duty towards our Ummah and our country!

Third:

We are aware that the national state, created by Sykes and Picot (Britain's and France's Minister of Foreign Affairs) on the ruins of the Ottoman Khilafah, is a state employed to strike the unity of the Muslim Ummah, to exclude Islam, to combat the dawah carriers and to allow the Kafir West to loot the Muslim's wealth.

These national entities present in the Muslim lands, ruled by the Kafir West's agents, will not cause nahda or progress for the Muslims, nor an easy living or luxury. Therefore, it is befitting for the Muslims and especially their sincere leadership to re-examine these national states from the Muslims Aqeeda's view, to speak up and to demand a worldwide state based on the Islamic fundament and its systems as prescribed by the revelation from the one who knows humans best.

Dear honoured brothers:

We invite you with the invitation of Islam. All these political movements have failed for the past sixty-one years because they lead these national states on their road, the road of the colonizing Kafir West, who is the enemy who always awaits for Islam and Muslims turns of misfortune. Hence, we have come to the state we are in now!!

This Muslim Ummah along with the people of this country will not be at ease before the mighty Islam is implemented in a Khilafah Rashida (Righteous Caliphate) on the method of the Prophet. It will observe and present the truth for the people so that the enemy will not be confused with the friend. Thereby, the hand of the Kafir West, looting our country, will be cut off and the Khilafah will make use of its wealth for the good of our Ummah and carry Islam to the world – a message of light and guidance – surely tomorrow we await it.

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا اسْتَجِيبُوا لِلَّهِ وَلِلرَّسُولِ إِذَا دَعَاكُمْ لِمَا يُحْيِيكُمْ وَاعْلَمُوا أَنَّ اللَّهَ يَحُولُ بَيْنَ الْمَرْءِ وَقَلْبِهِ وَأَنَّهُ إِلَيْهِ تُحْشَرُونَ﴾

"O you who believe! Respond to Allah and to the Messenger when He calls you to what will revive you. And know that Allah stands between a man and his heart, and that to Him you will be gathered." [Al-Anfal: 23]

Imam Ahmad in his Musnad narrated from al-Nu'man Ibn Bashir (ra) as saying that the Prophet had stated:

"Prophethood will last with you for as long as Allah wants it to last. Then He will end it if He wishes to end it. Then there will be Khilafah according to the method of prophethood, and things will be as Allah wishes them to be. Then He will end it if He wishes to end it. Then there will be a hereditary rule, and things will be as Allah wishes them to be. Then He will end it if He wishes to end it. Then there will be an oppressive rule, and things will be as Allah wishes them to be. Then He will end it if He wishes to end it. Then there will be a Khilafah according to the method of Prophethood." Then he (saw) fell silent"

The Crusader Alliance Planes Commit Massacres Silently and Kill Entire Families in Deir al-Zour and al-Raqqa

The crusader Alliance aircrafts recently launched raids on the infrastructure and residential neighborhoods in the southeast of Deir al-Zour, killing seven people, including five children. This came two days after the targeting of the town of Taybeh, killing 18 civilians and injuring more than 20, and causing tremendous material damage.

This is in addition to the massacre committed through several air raids on the village of Deblan in the eastern countryside of Deir al-Zour, where more than fifty civilians were killed, on 28/2017/7. On Friday evening, a new massacre took place in the city of al-Raqqa, killing a whole family of 15 people, including seven children and three women, to join the mass massacres committed in the past 72 hours killing nearly 120 people.

These air raids were accompanied by the shelling of different neighborhoods of Deir al-Zour by warplanes of the brutal regime, resulting in numerous civilian casualties and the destruction of facilities and residential buildings. This is in addition to violations of ISIS against civilians and their indiscriminate executions without any legitimate justification for them!

These arbitrary and criminal practices refresh our memory of what happened in Mosul in recent days, under the same media and international justification, claiming that the coalition is playing its role in combating "terrorism" in the region, which is represented by the existence of ISIS. While the fact is that the coalition aircrafts are only targeting and destroying infrastructure, public utilities, bridges and oil and gas wells in the region, and turning them into ashes and dust on its people. Thus, the battles of Mosul continued, but in another area and on a different geographical zone, registering many massacres and the loss of large numbers of innocent civilians in Syria.

Will we witness the example of the massacre that took place in March 2017 in Mosul, which killed more than 531 civilians, including around 200 children?? Will we wait for the press reports to reveal the appalling numbers of dead like the reports at the end of the battle of Mosul which showed that more than 40 thousand civilians, more than half of them women and children, were killed because of the military force used against them, in addition to tens of thousands of people who were buried under the rubble??

Everything is probable and nothing is impossible, for as long as the criminal is one and his purpose is one, and since his justification

has always been 'terrorism' which makes trees, stone and human beings the same in front of their war machine in order to colonize the country, strangle the servants (people) and eliminate any Islamic awakening that raises Islamic slogans or calls for the arbitration by Islam.

These criminal coalition forces, that have allied themselves against Islam and Muslims cannot achieve their goal if they were not given a foothold in our country by establishing their military bases, and if our scholars, who have lost their role in restoring confidence and life in the Ummah, did not turn a blind eye to their crimes, and if the armies of the Muslims were not kept trapped in their barracks without any movement that would restore the Ummah's prestige and status again.

And to the negotiators, we say, you divided Syria with your alleged and politicized truces, and you nipped every movement to change the regime and eliminate it by negotiating with the criminal, trying to break the ranks of the sincere revolutionaries and undermine all the efforts of the conscious people.

So, O Muslims: The malevolent enemies have gathered against you, despite the boundaries that divide you and patriotism that scatter you, for they see you as one Ummah, pointing their arrows of hatred on every hope, true movement and correct revival of this noble nation; the Ummah of Muhammad (saw).

And know that victory is coming, with Allah's permission, even after a while. So work hard to enable this Deen to obtain the satisfaction of Allah Al-Qadir (the All-Capable) al-Mateen (the Firm Possessor of Strength). And strive to achieve what the Lord of the Worlds and His Noble Prophet (saw) promised us:

«ثُمَّ تَكُونُ خِلَافَةً عَلَىٰ مِنْهَاجِ النَّبِوَةِ»

"Then there will be Khilafah according to the method of the Prophethood".
