

Press Release

Trump would not have Dominated us if we had a Khalifah (Caliph), and the Jewish Entity would not Exist without the Betrayal of our Rulers.

(Translated)

The leaders of kufur in America and Europe, along with their tool, the Jewish entity, know that the positions of Muslim rulers, their political circles, and their entourage—who glorify them—do not represent the majority of Muslims, nor do they reflect the deep-seated hope in their hearts for the restoration of their authority. If you want to understand their true stance and their response to Allah's commands in the face of your hatred and killing of them worldwide, and your audacity in threatening to occupy more of their lands and plunder their wealth, look no further than the arrogance of your leader, Trump. With shamelessness before the world, he has displayed the arrogance of a kufar America and its support for those upon whom Allah's wrath has descended. Meanwhile, the hearts of European crusaders conceal even greater hatred for Muslims—whether through Trump's call for the displacement of Gaza's people, the Jewish war on the people of the West Bank as a prelude to what they call "Judea and Samaria," or the European Union's advocacy for a two-state solution.

Enough lies, deception, betrayal, and aggression! America is the foremost enemy of the Islamic Ummah and its lands. It is neither a friend, a partner, nor an ally except in the lexicon of the puppet rulers. Anyone who engages with it under this pretense, at any level, shares in its sin and aggression. And the repeated enemy number one is Britain—the head of the serpent—which played the greatest role in planting the Jewish entity in Palestine and then empowering it through its subservient and treacherous rulers.

It is unacceptable for the people of Jordan, in their rejection of displacement, to defend the concessions made by the Jordanian regime to its enemies since its inception—concessions that have led the country and its people into this state of weakness, humiliation, and subjugation, just as they did with the people of Palestine before. It is equally unacceptable that when Trump's recent statements pose an existential threat to this regime, it turns to the people of Jordan for support and defense—when it was the very regime that brought them to their current state of misery, humiliation, and hardship. And yet, it continues to gamble on deepening its ties with America and the Jewish entity.

Even now, during its current visit to America—preceded, as usual, by a trip to Britain for consultations and directives—the regime meets with Trump and various American administrative bodies under what the Jordanian Foreign Ministry calls "a relationship of alliance and friendship." But after Trump's explicit threat to Jordan, after the Jordanian people's demonstrations expressing their readiness for war and military confrontation, and after the Jewish entity mocked the weakness of Jordan's forces, how can there still be any justification for continuing these reckless relationships?!

It is truly astonishing that you, the people of Jordan, stand up and express your readiness to sacrifice in the face of the forces of aggression and evil—just as the surrounding nations of Palestine have done—after the enemies of the Ummah have bared their fangs and made their conspiracy and limitless support for the Jewish entity undeniably clear.

Meanwhile, the regime continues to align itself with them by maintaining American forces, upholding the joint defense treaty, and preserving the Wadi Araba agreement. This proves its deception and collusion, along with the complicity of its entourage—writers, parliament members, dignitaries, and parties—who mislead you while embellishing the regime’s actions as it hands over the country to its enemies. What you demand and what serves your interests differ completely from the interests of this regime, which burdens you with heavy costs due to its relationships with your enemies. In such circumstances, it should have mobilized its forces for an honorable war against the Jews instead of visiting the den of the greatest enemy in Washington.

O people of Jordan, O Islamic Ummah:

Your relationships with the enemies have been clearly defined by Islam. The status of the land of Jordan is determined by the words of Allah: ﴿سُبْحَانَ الَّذِي أَسْرَى بِعَبْدِهِ لَيْلًا مِّنَ الْمَسْجِدِ الْحَرَامِ إِلَى الْمَسْجِدِ الْأَقْصَى الَّذِي بَارَكْنَا حَوْلَهُ﴾ **“Exalted is He who took His Servant by night from al-Masjid al-Haram to al-Masjid al-Aqsa, whose surroundings We have blessed.”** [Al-Isra: 1]

The land of Jordan is among the blessed lands surrounding Al-Aqsa Mosque. Therefore, it is impermissible to engage with the usurpers of Al-Aqsa and their partners in any way other than what our Lord has commanded—fighting to reclaim it. Establishing relations with these enemies is not permissible. The Jews are criminal usurpers, and America, along with the Crusaders behind it, is in a state of actual war against you. Jordan and America are not allies—this is utter nonsense that should no longer deceive you.

Regardless of what results from the regime’s meetings in America—whether concessions, settlements, or the lowering of threats—this is nothing but an illusion, serving the ongoing liquidation of the Palestinian cause while buying more time.

We are not speaking of dreams or fantasies. This is the sincere and legitimate solution—the shortest path to breaking free from the grip of the enemies. The political entity of Islam, the Khilafah (Caliphate) upon the method of the Prophethood, is the one that will mobilize the armies for liberation. Our armies have long neglected their duty before their Lord, but its reestablishment is near, by Allah’s will, to show you the true strength of the Islamic Ummah—first through its Aqeedah, then through its plundered wealth and the valor of its men.

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا لَا تَتَّخِذُوا بَطَانَةَ مِن دُونِكُمْ لَا يَأْتُونَكُم حَبَالًا وَدُّوا مَا عَنِتُّمْ قَدْ بَدَتِ الْبَغْضَاءُ مِنْ أَفْوَاهِهِمْ وَمَا تُخْفِي صُدُورُهُمْ أَكْبَرُ قَدْ بَيَّنَّا لَكُمُ الْآيَاتِ إِن كُنْتُمْ تَعْقِلُونَ﴾

“O you who have believed, do not take as intimates those other than yourselves, for they will not spare you [any] ruin. They wish you would have hardship. Hatred has already appeared from their mouths, and what their breasts conceal is greater. We have certainly made clear to you the signs, if you will use reason.” [Al-i-Imran: 118]
