

Press Release

Between the Betrayal of Palestine and Kashmir and Servitude to America

What is Asim Munir Doing in the Presence of the Pharaoh of Our Time, Trump?

(Translated)

At a time when America is waging war on a Muslim neighbor, Iran, using its filthy arm in the region, the Jewish entity, US President, Donald Trump, hosted Pakistan's Chief of Army Staff on Wednesday, June 18, 2025, for a luncheon in an unprecedented meeting at the White House. What is suspicious about this meeting, and its timing, is that it marks the first time a US president has hosted a Pakistani army chief at the White House, without the presence of any senior Pakistani civilian official, indicating both the significance of the meeting, and the sensitivity of its subject.

In a display of either ignorance, or deliberate disregard, of the fact that America is the one leading the war against Iran, Pakistani officials and experts claimed that Asim Munir is expected to pressure Trump not to enter the war alongside "Israel" against Iran, and to push for a ceasefire, despite the fact that the Pakistani embassy in Washington already advocated Iran's interests in the United States! So, did Asim Munir really go to Washington to stop the war? Is he truly capable of doing that? And is he even in a position, where Trump would allow him to make such a request in the first place?

It is said in Arab metaphor, التذكي على الأذكياء ضرب من الغباء "Trying to outsmart the wise is a form of foolishness." The truth is that Trump sees himself as the Pharaoh of this era. Trump does not tolerate even advice, or requests, from any one of his own agents. As for the fact that America has secured its interests, amongst them ensuring the dominance of the Jewish entity in the region, it is so clear that it needs no further explanation. These are interests America considers "vital and strategic," and it accepts neither mediation, nor the slightest compromise, over them. So there is no need for the regime's mouthpieces in Pakistan to inflate Asim Munir's status, portraying him within a status he neither holds, nor deserves.

It appeared that America had mediated a ceasefire to stop India's bleeding last month, after it suffered severe losses at the hands of the falcons and lions of the Pakistani armed forces, with Trump claiming that the two nuclear neighbors in South Asia had agreed to a ceasefire, through American mediation. However, the Indian Foreign Secretary, Vikram Misri, exposed the truth, stating that Modi had informed Trump on Tuesday evening that the ceasefire between India and Pakistan, following a four-day conflict in May, was achieved through direct talks between the two armies, not via US mediation. Notably, Pakistan did not reject Misri's statement. This confirms that Pakistan's political and military leadership squandered the victory achieved by the brave

soldiers of the army, whether through US mediation, or more likely through their own direct submission, and open betrayal, by negotiating with the arch-enemy, India! So can any sane person believe that Asim Munir went to Washington to seek an end to the aggression against Iran, while he himself squandered Pakistan's victory over India?

The mouthpieces of the regime, those so-called "officials and experts" in Pakistan, must beware that Asim Munir's visit to Trump is nothing more than an attempt to lend a helping hand to America in toppling the Iranian regime, regrettable as it may be, just as Pakistan's leadership previously did in Afghanistan and Iraq. It is the same blind obedience shown to America in the Kashmir issue, by conceding to India, America's ally, and their complete inaction over the crimes committed by America and the Jewish entity in the Blessed Land of Palestine. What must be feared is that this visit may be a step in a sinister plot to dismantle, or destroy, Pakistan's nuclear weapons program, which could very well be the next target once Iran's nuclear project is dealt with.

O sincere officers in the armed forces of Pakistan! O Muslims in Pakistan! Your leadership, which squandered the victory in Kashmir, cannot be trusted, so beware of them. Be fully aware that Asim Munir's meeting with Trump is nothing but a session to receive orders and instructions from the head of disbelief America. So be cautious of them. And remember the words of Allah the Almighty, ﴿وَلَا تُؤْمِنُوا إِلَّا لِمَنْ تَبِعَ دِينَكُمْ قُلْ إِنَّ الْهُدَىٰ﴾ **“And do not trust except those who follow your Deen. Say: Indeed, true guidance is the guidance of Allah.”** [TMQ Surah Aali Imran 3:73].

Know that the path to your salvation, and the liberation of the entire Ummah, lies in the establishment of the Khilafah Rashidah (Rightly-Guided Caliphate) on the Method of Prophethood. So work with Hizb ut Tahrir and grant it nussrah (support) in establishing the Khilafah before it is too late. Pakistan's turn is surely coming once America and the Jewish entity finish the Iran file, so that the Jewish entity may be crowned as the master of the region from the West, alongside India in the East. Allah (swt) said, ﴿فَسَتَذْكُرُونَ مَا أَقُولُ﴾ **“And you will remember what I now say to you, and I entrust my affair to Allah. Indeed, Allah is All-Seeing of His servants.”** [TMQ Surah Ghafir 40:44].
