

Press Release

5th February Kashmir Day

Liberation of Kashmir is not Possible without Khilafah

Kashmir is a Muslim land and its liberation is an Islamic obligation. Unfortunately successive traitors in Pakistan's political and military leadership never endeavored sincerely to liberate Kashmir. Pakistan's Kashmir policy has always been in accordance to American policy towards India. When America wanted to heat up border disputes to pressurize India to bring under her influence, traitors in the political and military leadership of Pakistan extended political, moral and military support to the resistance movement of Kashmiri Muslims. However, when America changed her policy towards India, traitors in the political and military leadership of Pakistan also changed their Kashmir policy and restricted themselves only to moral support, effectively abandoning the Muslims of Kashmir. The treachery of the Raheel-Nawaz regime over the Kashmir issue can be seen by considering that only in the last one year. In both the meetings of the prime ministers in Ufa, Russia, and the national security advisers of two countries in Thailand, Kashmir was not discussed as a core issue. Extending a warm welcome to Narinder Modi, the killer of Muslims in Gujarat and Kashmir, on his way back from Afghanistan, and the crackdown against those groups who are waging Jihad against the Hindu state in occupied Kashmir after the Pathankot incident, further proves that the Raheel-Nawaz regime has abandoned Kashmir and its Muslims. And now in order to provide political support to the governments Kashmir policy, a standing committee of parliament, which includes touts and cronies of the traitors, has "advised" the Raheel-Nawaz regime that they should not support militant organizations in Kashmir, meaning to end support the Jihad for Kashmir.

Kashmir will never be liberated by following the American policy of making friendship with India, or through false hope in the United Nations. Rather Kashmir will only be liberated by Jihad waged by a disciplined Muslim army. Therefore, **Hizb ut Tahrir** Wilayah Pakistan encourages the Muslims of Occupied Kashmir to continue their military struggle against the Indian occupation, relying on Allah (swt), whilst politically they must demand the mobilization of the Muslim armed forces, making the demand for the Khilafah prominent in their call because the current treacherous rulers will never mobilize for Jihad. And Hizb assures them that it is working vigorously all over the Muslim world including Pakistan for the establishment of Khilafah and that the re-establishment of Khilafah by Allah (swt)'s permission is imminent.

After the re-establishment of the Khilafah, Muslim lands will be brought together under the single flag of the Khilafah. Then its magnificent army accompanied by thousands of Mujahedin will march towards Srinagar to liberate Occupied Kashmir, striking fear and awe in the enemy, even before the actual fighting begins. Therefore Hizb ut Tahrir calls upon the Muslims of Pakistan to join Hizb ut Tahrir to establish Khilafah, in order to liberate themselves from man-made law, treacherous rulers and occupied Kashmir from Indian occupation. Our strength is in Islam and being one entity under the Khilafah (Caliphate) on the Method of the Prophethood. And unless we accomplish the restoration of Islam as a state, we will continue to hold Kashmir Day every year, with Kashmir under occupation by the brutal Hindu mushrikeen. Anas narrated that RasulAllah (saw) said, «جَاهِدُوا الْمُشْرِكِينَ بِأَمْوَالِكُمْ وَأَنْفُسِكُمْ وَأَلْسِنَتِكُمْ» **“Fight the mushrikeen with your wealth, yourselves and your tongues.”** [Abu Daud]
