Slaves of America Want to Corrupt Islam On the Orders of Trump, Pakistan's Rulers Escalate War Against Allah (swt) and His Messenger (saaw)

After, the President of the United States, Donald Trump, confirmed the continuation of the crusade against Islam and Muslims, Pakistan's rulers slavishly announced an escalation in their war against Allah (swt) and His Messenger (saaw). Whilst addressing a ruling party workers' convention in Sialkot on 28 January 2017, the regime's Defence Minister, Khawaja Asif, declared that the "War on Terror" is the prime focus of all politicians, but "terrorism" cannot be uprooted if "*ideologies are not changed.*"

Muslims in Pakistan and all over the world want to live their lives according to the ideology of Islam. In order to achieve this objective, they demand the implementation of Islam. The strong adherence of Muslims to Islam is not acceptable to America, as Islam obliges Muslims to wage Jihad against Kafir occupiers of Muslim lands to liberate them, as well as to call for the implementation of Islam in their lands. America and her agents in the Muslim World knows that they cannot declare war against Islam openly, so they use the cover of the "War on Terror" to target Islam, its thoughts and Muslims. If fighting Soviet Russia to end her occupation of Afghanistan was Jihad, then how is fighting the US forces to liberate the same Afghanistan now declared "terrorism"? If in the era of the Cold War, Muslims were allowed to demand the implementation of Islam, then how can it now be declared as "extremism" today? What other reason than that the requirements of the US State Department have now "changed"?

Muslims in Pakistan and all over the world now know that America's war is a crusade against Islam and therefore they support Jihad against the US and Kafir occupiers in Afghanistan, Iraq, Palestine, Kashmir and other occupied Muslim lands. They also support the political and intellectual struggle against the Kufr capitalist system and her agents in Muslim world. Since, America and her agents in Muslim world do not have a single word of truth on their side, they are employing lies and deceit. Sometimes they use the word "terrorism," sometimes they use the word "extremism." Sometimes they say that our ideology needs "reform" and at other times, they say it needs "change".

Muslims in Pakistan and all over the world are now well aware that from capitalism to socialism, all man made systems have failed. They are well aware that the only salvation of Muslims is through the implementation of Islam. America and her agents in Muslim world have not a single intellectual and political proof in defense of their ideology to convince Muslims to abandon their Deen, Islam, so much so that the US's own people are now raising fingers at their failed Kufr system. This is why America and her agents have been left with no option but to resort oppression and brute force in order to compel Muslims to abandon Islam. However, their every effort is bound to fail because Allah (swt) has already declared that, **﴿يُرِيدُونَ أَن يُطْفِئُوا نُورَ اللَّهِ بِأَفْوَاهِهِمْ وَيَأْبَىٰ اللَّهُ إِلَّا أَن يَتِمَّ نُورُهُ وَلَوْ كَرِهَ الْكَافِرُونَ﴾** "They (the disbelievers) want to extinguish Allah's Light with their mouths, but Allah will not allow except that His Light should be perfected even though the *Kafirun* (disbelievers) hate (it)". [At-Taubah: 32]. So will the rulers in Pakistan take heed from the words of Allah (swt), abandon their folly and make way for the real change that Muslims need, which is the re-establishment of Islam as a Khilafah (Caliphate) on the Method of the Prophethood?
