

Press Release

## TTP Testimony Confirms US Support of India Eradicate the US and Indian Intelligence from our Region to Secure Pakistan's Stability

On 26 April 2017, the Army released the confessional statement of Liaquat Ali, infamously known as Ehsanullah Ehsan, a former spokesperson of the Jamaat-ul-Ahrar (JuA) and Tehreek-i-Taliban Pakistan (TTP), establishing evidence that the Research and Analysis Wing (RAW), India's apex spy agency, is responsible for the instability in Pakistan through infiltration of the tribal fighters' network from Afghanistan, where RAW has a sanctuary, extended to it after the US invasion and occupation. The latest revelations of how pure Muslim blood is spilled under supervision of foreign intelligence exposes the inaction of the Bajwa-Nawaz regime in cutting the snake, America, from its head. Worse, instead the regime is providing complete political and military support to maintain and consolidate the crusader presence in the region. Not only does the TTP testimony confirm the role of RAW, it begs the question as to how RAW managed to get into Afghanistan in the first place. Indeed, it is the US presence in our region, which is the "master mind" and "facilitator" behind the Indian intelligence presence in Afghanistan. Prior to the US invasion of Afghanistan, India never had hope for a presence in Afghanistan. However, after Musharraf extended all manner of support to the US, Washington "thanked" Islamabad, by promptly opening the doors of Afghanistan to India. And since then, successive regimes have acted as guardians of the US presence, by submitting to US demands to "do more" to end Muslim resistance against their crusader forces as well as against the forces of their real ally, India, in Occupied Kashmir.

The root cause of instability and chaos in Pakistan and the region is the US presence behind India, because India alone lacks both the daring and the opportunity, unless it is facilitated by the US. However, the rulers instead of taking concrete steps to eradicate US presence, such as rounding up US intelligence, private military and diplomatic staff, as well as sealing the embassy, consulates and bases. And the rulers falsely claim, to any naive person who still considers them truthful after all that they have done, that alliance with the US will guarantee the security and prosperity of Pakistan!

**O sincere officers of Pakistan's Armed Forces!** The TTP revelation is more than merely exposing Indian role against Pakistan. It is a damning charge sheet against the traitors in the political and military leadership. We all know that America is the enemy of Islam, Muslims and Pakistan and that Washington is active in building India as the dominant regional power to counter China and the Islamic revival. So only a traitor would support the US, knowing that it would allow India to use Afghan soil against Pakistan. Be in no doubt that the Bajwa-Nawaz regime is allowing our enemies to create a war of Fitnah between the Muslims of tribal regions and our armed forces. They misdirect you by sending you after the tail of the snake at great personal risk, instead of directing you to obliterate the US presence, which you can achieve within hours. You must focus on directing in cutting the head of the snake, which is the US presence on our soil and in our region. This will only be practically realized when you grant Nussrah to **Hizb ut Tahrir** for the establishment of the Khilafah (Caliphate) on the Method of the Prophethood which will change our situation from that of fear to that of safe security.

﴿وَعَدَ اللَّهُ الَّذِينَ آمَنُوا مِنكُمْ وَعَمِلُوا الصَّالِحَاتِ لَيَسْتَخْلِفَنَّهُمْ فِي الْأَرْضِ كَمَا اسْتَخْلَفَ الَّذِينَ مِن قَبْلِهِمْ وَلَيُمَكِّنَنَّ لَهُمْ دِينَهُمُ الَّذِي ارْتَضَىٰ لَهُمْ وَلَيُبَدِّلَنَّهُم مِّن بَعْدِ خَوْفِهِمْ أَمْنًا يَعْبُدُونَنِي لَا يُشْرِكُونَ بِي شَيْئًا وَمَن كَفَرَ بَعْدَ ذَلِكَ فَأُولَٰئِكَ هُمُ الْفَاسِقُونَ﴾

**“Allah has promised those among you who believe and do righteous good deeds, that He will certainly grant them succession to (the present rulers) in the land, as He granted it to those before them, and that He will grant them the authority to practice their Deen which He has chosen for them (i.e. Islam). And He will surely give them in exchange a safe security after their fear (provided) they (believers) will worship Me and do not associate anything (in worship) with Me. But whoever disbelieved after this, they are the Fasiqun (rebellious, disobedient to Allah).”** [Surah an-Nur 24:55]
