End American Raj

Bajwa Belittles Post of Army Chief by According the Lowly US Ambassador the Status of a Viceroy

The US Ambassador, David Hale, was given entry into the highly sensitive army General Headquarters on 22 May 2017 and met the chief of the world's sixth largest army, General Bajwa. In a follow up to Trump's summit of treachery of Muslim rulers, attended by a delegation from the Bajwa-Nawaz regime, the US ambassador demanded that Pakistan implement Trump's plan for Afghanistan by doing more to crush the resistance to US occupation in Afghanistan. As Trump visits Brussels to rally NATO members behind the new US policy towards Pakistan and Afghanistan, US ambassador marched in to the GHQ, as a viceroy of American Raj in the region, demanding that Muslim forces be used for protecting American interests in the region. Meekly, on Bajwa's behalf, the Inter-Services Public Relations, declared, "COAS (Gen Bajwa) reiterated Pakistan's stance that its soil is not being used for terrorist activities against any other country nor shall we tolerate any such action against Pakistan." Thus, blind to the terrorist activity of the US in Afghanistan, Iraq and Syria and that of Washington's partner, India in Occupied Kashmir, Bajwa swallowed whole the US agenda to crush Muslim resistance to enemy occupation. Bajwa is set on reducing Pakistan's powerful armed forces into a police force against any Muslim resistance to the US crusaders in Afghanistan and the Hindu occupation of Kashmir. The Bajwa-Nawaz regime, whose very authority rests on the steel of our armed forces, is joining its nights with its days to shield our enemies. It submits to the US demand to fight against Muslims, under the banners of "ending cross-border terrorism", "military to military co-operation" and "restraint." The reality of these terms and all the meetings and briefings that arise from them is that the Bajwa-Nawaz regime works hand in glove with our enemies. On the one hand the US "Raymond Davis" network, working hand in hand with the Indian "Kulbhushan Jadhav" network, ignite the fires of chaos and confusion in Pakistan to incite Muslims to fight Muslims. And on the other hand, the Bajwa-Nawaz regime exploits the bloodshed to herd our armed forces into fighting the Muslim resistance. Indeed it is a despicable regime that follows the cursed path of slavery to colonialists, the path of Mir Sadiq and Mir Jafar, without deviation.

O Sincere Officers of Pakistan's Armed forces! The Bajwa-Nawaz regime neither care for you nor for those whom you have sworn to protect. They care neither for the Deen you carry in your hearts, nor Allah (swt) nor RasulAllah (saw). They do not care for the blood of the Muslims that is spilled to goad you into submitting to US dictates. Rather this regime takes care to turn to our enemies in friendship, with open arms and baring your chests, secrets and capabilities to them, even though Allah (swt) said, ﴿وَلَنْ تَرْضَىٰ عَنْكَ الْيَهُودُ وَلَا النَّصَارَىٰ حَتَّىٰ تَتَّبِعَ مِلَّتَهُمْ﴾
"Never will the Jews nor the Christians be pleased with you (O Muhammad) till you follow their religion" [Surah Al-Baqarah 2:120]. These rulers are not from us and we are not of them. So, how is it that you allow them to stand through the steel of your weapons, O brothers, for even an hour more, weeks or months? Grant the Nussrah to Hizb ut Tahrir for the re-establishment of the Khilafah (Caliphate) on the Method of the Prophethood and the end of the American Raj, restoring Ramadhan as a month of victory over the enemies.
