The 96th Anniversary of the Destruction of the Khilafah is a Painful Anniversary that Moves and Motivates the Sincere

(Translated)

In such days of the month of Rajab Al-Khair, specifically on the twenty-eighth of Rajab of the year 1342 AH, the Kaffir colonialist destroyed the Ottoman Caliphate (Khilafah State), and since then the Islamic Ummah has been submerged in weakness, poverty, torment, and division, the enemies of the Ummah are committing the worst torments against it. And it is dominated by the lowest of the low of the people of the earth. This confirms the Ummah's urgent need for a state that unites them, and a Khaleefah who will care for them and defend them.

Since 1953, we have been marching and proceeding forward towards the resumption of the Islamic way of life by establishing the second righteous Khilafah state on the method of the Prophethood. Motivating the masses and guiding them towards the path of liberation, empowerment and authority under the slogan:

“The Khilafah is Strength after Weakness and Security after Fear”

Hizb ut Tahrir in the Blessed Land-Palestine is commemorating this painful anniversary this year to move and motivate the sincere and to spread awareness among those who are unaware, through activities across the West Bank and the Gaza Strip, to continue the march towards the desired aim, by organizing lectures, seminars, lessons, visits and pickets across the country; far and near, hoping that Allah will open the hearts of believers to our ideas, and add to our ranks those of strength and of righteousness from the Muslims.

The party started its activities in the West Bank and the Gaza Strip with a campaign of field visits to the public and to dignitaries for three consecutive weeks. It continues to organize lessons, speeches, lectures and seminars. It also continues to organize stalls for intellectual dialogues and pickets throughout the strip. It is planned to hold a central seminar on Tuesday 18/04/2017 in the Central region, and in the West Bank there will be a massive conference in Ramallah-Al Beira, in the afternoon of Saturday 22/4/2017 in Al Beira Municipality Square. This will be followed by a public rally in the city of Khan Yunis, south of the Gaza Strip on Tuesday 25/4/2017 to give a message to every pure and righteous person to move immediately and join our efforts with effort to restore the status and glory of the Ummah.

This is an open invitation to our people in Palestine to participate in these events.
