Congratulations on the Occasion of Eid al-Fitr

(Translated)

We, at Hizb ut Tahrir / Wilayah Sudan, are pleased to congratulate the entire Muslim Ummah on the occasion of Eid al-Fitr. We ask Allah Almighty to accept our fasting, prayers, and righteous deeds, and to bring it back to us with the Ummah united under the banner of Al-Uqab, the banner of our Prophet Muhammad (saw), under the auspices of the second Khilafah Rasheedah (rightly guided Caliphate) upon the method of the Prophethood.

Eid is a joy, but our joy is not complete while our country, Sudan, is still experiencing this cursed war, and people are still either refugees, unwelcome in neighboring countries, or displaced and homeless within their own country.

Although the war in Khartoum has ended, other parts of Sudan continue to rage, with people living in fear, hunger, and anticipation of the unknown. How can our Eid celebrations be complete while our brothers in Gaza are living in catastrophic conditions, under the bombardment of Jewish airstrikes that have targeted trees and rocks, tearing apart the bodies of children, women, and the elderly? The rulers of the harmful nations of the Muslim world have abandoned them. They do not mobilize armies to support them, but are content with counting the martyrs and wounded. The most exemplary of these are those who publicly condemn and denounce them, while secretly conspiring against them. May Allah destroy them! Indeed, the entire Muslim world, from east to west, has abandoned them. A part of its body is bleeding without taking the proper stance to support them. Allah will ask us about our abandonment of our brothers in Gaza.

O Muslim Ummah, return to being the best Ummah brought forth for humankind, and take the hands of the cowardly tyrants and work to liberate Palestine and all occupied Muslim lands, which can only be achieved through the authority of Islam. The Khilafah Rasheedah (rightly guided Caliphate), based on the Prophet's method, is the only way out of this humiliation and degradation. Allah Almighty says: ﴿إِن تَنْصُرُوا اللَّهَ يَنْصُرْكُمْ وَيُثَبِّتْ أَقْدَامَكُمْ﴾ **“If you stand up for Allah, He will help you and make your steps firm.”** [Muhammad 47:7].
