## They Hold Conferences to Create an Atmosphere for Normalization with the Usurper Jewish Entity!

(Translated)

The Sudanese Association of Political Science held a conference, from 13 to 15 February 2017, at the International Conference Hall of the Ministry of Higher Education and Scientific Research, sponsored by the Foreign Minister Ibrahim Ghandour, under the title: "Sudan ... Regional and International Variables". It is worth-noting the allocation of four papers on the relationship with the Jewish statelet, the occupier and the usurper of the land of al-Isra. One of these papers confirmed the existence of secret talks taking place now between the two sides; the Inqadh government and the Jewish statelet, and the paper pointed to the inevitability of continuing secret contacts with the Jewish entity.

Members of Hizb ut Tahrir: Ustaath Abdullah Abdul-Rahman – Member of the Wilayah Board, and Ustaath Mohammed Jameh (Abu Ayman) – Assistant of the Official Spokesman of Hizb ut Tahrir in Wilayah Sudan, participated with comments and remarks, where they pointed out to the seriousness of defeatism; that deals with the country's issues with foreign powers, and to the lack of principle in determining who is the enemy and who is the friend, and to the lack of a clear political methodological vision for the rulers of Sudan; which makes them change their attitudes and make concessions so they take the enemies as friends. And that the Jewish statelet is not a powerful state as portrayed by the media as this has been exposed by its wars with Iran, Hamas and Hezbollah in Lebanon. Regarding the identity, the two brothers explained that we are not looking at matters on the basis of Arabs and Africans but as Muslims, and that the State of the Muslims that is capable of solving problems is the Khilafah (Caliphate) State on the method of the Prophethood.

The audience responded positively with their points, indicating that the Ummah is in *khair* (goodness). It became clear that what was raised from the news of normalization with the Jewish entity these days was not an individual order of a person; rather it is a gauge for what the Inqadh government wants to prepare the public opinion in Sudan for it. Notably was the massive presence of diplomats, academics and politicians, as if it was intended to prepare this category to deal with the crime of normalization with the Jewish entity, which seems to be one of America's conditions for lifting Sudan from the list of (terrorism) or for full normalization with it, and then to be transferred to the people of Sudan.

This is if we take into account Foreign Minister Ghandour's statement on Wednesday, 18/1/2017, after his speech to the parliament, when asked whether Khartoum would review the relationship with Tel Aviv, after the partial lifting of US economic sanctions on Sudan? After pressing, Ghandour replied: "Everything is possible in international relations." As well, it is no secret to how the phrase "all countries except Israel" disappeared from the e-passport, the phrase that was in the old passport which was canceled.

Based on the above, we in Hizb ut Tahrir Wilayah Sudan warn the Inqadh government from moving forward, to normalize relations with the Jewish entity with the betrayal of Allah and His Messenger and the believers; to add in its black record, after the separation of the South, and the preparation for the separation of Darfur, a black relationship with the usurper of the land of al-Isra, the killers of Muslims, the Jews, who their prisons are still full of men and women prisoners, and still declare their hostility to Islam and its people. We affirm that all Muslims know that Muslim blood is one and indivisible, and that the peace of Muslims is one, and their war is one war. Those who say we are Sudanese and have nothing to do with the people of Palestine; let them renounce their relationship with the Prophet (saw), and his esteemed successors (Khulafaaa); because they are not Sudanese. While those who say that we are impaired, therefore we accept normalization with the usurper, we tell them that the Islamic Ummah is not weak with the ideology of Islam, the riches, the men, the arms, and the equipment, and what was directed to the Operation Decisive Storm; was enough to remove the Jews from Palestine, if it was not for the employment of the defeated Muslim rulers before the enemies. And Allah says the Truth, when He forbade taking Jews as friends, He (swt) referred to those defeated before them, so He, Allah (swt) says:

﴿فَتَرَى الَّذِينَ فِي قُلُوبِهِمْ مَرَضٌ يُسَارِعُونَ فِيهِمْ يَقُولُونَ نَخْشَى أَنْ تُصِيبَنَا دَائِرَةٌ فَعَسَى اللَّهُ أَنْ يَأْتِيَ بِالْفَتْحِ أَوْ أَمْرٍ مِنْ عِنْدِهِ فَيُصْبِحُوا عَلَىٰ مَا أَسْرُوا فِي أَنْفُسِهِمْ نَادِمِينَ﴾

**“So you see those in whose hearts is disease hastening into [association with] them, saying, "We are afraid a misfortune may strike us." But perhaps Allah will bring conquest or a decision from Him, and they will become, over what they have been concealing within themselves, regretful.” [Al-Maida: 52].**

All of these events increase the Ummah’s certainty that these existing statelets in the Muslim lands today, only do what pleases the enemies of the Ummah. And that there is no salvation, no pride, no strength, but by the establishment of the State of Khilafah (Caliphate) on the method of the Prophethood; that will bring back the usurped Muslim lands, and restore the authority to the Ummah of Islam, so that Muslims will rejoice with the application of the law of Allah to receive the goods of this world and the Hereafter, and this will materialize soon, by the permission of Allah (swt).
