The Henchmen of the Tunisian Regime Allow Mossad and Foreign Intelligence Services Run Rampant in the Country and Persecute Tunisian Women Because of their Support for Gaza!

(Translated)

Hizb ut Tahrir's marches in the Tunis province have not stopped since the outbreak of the Al-Aqsa Flood (Tufan Al-Aqsa), as a march sets out every Friday from Al-Fath Mosque to the Municipal Theater in the capital calling on the Ummah and its armies to move in support of Gaza.

In a recurring scene in most of the marches organized by the Hizb, the Shabab are subjected to security harassment, especially the monitoring of those who give speeches on their way back, either by summoning them to security stations or asking for their identity cards as if they were suspected of committing criminal acts!

In our last stand on Friday, September 27, 2024, which coincided with the expansion of the criminal bombing of the Jewish entity to include our people in Lebanon in addition to Gaza, one of the free women of Tunisia from the women's section of Hizb ut Tahrir gave a speech in which she raised the spirits of the sons of the Ummah and singled out the people of strength from the armies and officers with a call for a general mobilization, in support of their brothers in Deen, to repel the barbaric enemy, and to clear their conscience before Allah Almighty.

After the speech was over, a group of security personnel pursued the sister and her husband for a kilometer on the way back and stopped them in a group of young men present at the march. Then, one of the security personnel approached the sister in that crowd, asking her for guidance about her identity, address, and the topic of the speech...etc., in a sad, miserable scene that makes one's forehead blush!

Here we ask: In whose interest is this repeated harassment of everyone who supports Gaza and calls on the armies of the Ummah to eradicate the criminal Jewish entity that is killing our people in beloved Palestine and bombing Lebanon, Yemen and Syria? Does the ruler of Tunisia and his security apparatus want these arrests and restrictions to obtain a certificate of good conduct from the criminal terrorist international system?!

Then where are these security agencies and their mighty authority from the movements of the criminal American Zionist Ambassador Joey Hood who is rampaging in the country without accountability or supervision?! And where are they from the foreign intelligence services that are rampaging in the country?! And where are they from the Mossad that has been roaming freely in Tunisia for forty years, assassinating Abu Jihad and Mohamed Zouari, the martyr of the Ummah?! Then what about the list of 400 Mossad members hiding in Tunisia, which was covered by the Algerian newspaper Al-Shorouk more than ten years ago, and the list goes on?!

The Tunisian regime's baseness and vileness have reached the point where it allows the Ummah's enemies to roam the country, while at the same time persecuting its free women because of their support for Gaza and Palestine, ﴿قَاتِلْهُمْ اللَّهُ أَنَّى يُؤْفَكُونَ﴾ **“May Allah condemn them! How can they be deluded ‘from the truth’?”** [At-Tawbah 9:30]

Arrests, harassment and detentions will not weaken the men and women of Hizb ut Tahrir. For them, the issue of Palestine is a fateful issue that requires the mobilization of armies and the removal of the treacherous thrones that protect the Jewish entity. These efforts will not stop until Allah provides this Ummah with a matter of guidance, in which the Khilafah Rashidah (rightly guided Caliphate), which strives on the method of the Prophethood, will be established, and one of its priorities will be the victory of Gaza and the liberation of the Blessed Land of Palestine ﴿وَيَوْمَئِذٍ يَفْرَحُ الْمُؤْمِنُونَ * بَنَصْرِ اللَّهِ﴾ **And on that day the believers will rejoice, at the victory willed by Allah.”** [Ar-Rum 30:4-5].
