

## Condolences

(Translated)

Today, Wednesday, September 14, 2022, the respected Sheikh Saeed Amin Saeed Amun died at the age of 89, and he is the father of Numan, who, Allah willing, is one of the masters of the martyrs in Paradise. His funeral took place at 2:00 pm Tashkent time.

In this regard, we in Hizb ut Tahrir / Uzbekistan extend our deepest condolences to all members of this blessed family.

If we talk about this man, May Allah have mercy on him, and how he raised his children and grandchildren in the best manner, and thus made them the most educated and intelligent people in this country, we will not fulfill his right. In short, this great man lived while dreaming that great scholars would emerge from this Ummah as in the past. When he visited a city, he brought newspapers and books with him and gave them to his relatives, considering that these books and newspapers were the best gift he could give them.

Speaking of this great man, it is impossible not to remember his great wife, Umm Numan, Saidaminova Dilbarkhan, who was born in 1938 and died, may Allah have mercy on her, in 2012. The loss of her beloved son affected her deeply. And since Numan was the best son of this blessed family, his martyrdom under the barbaric torture inflicted on him by the regime's authorities has deeply wounded the hearts of all its members. Umm Numan (*Rahmatullah alaiha*) respected the da'wah that her son was carrying, as well as greatly respected his colleagues in this great da'wah, and she did not stop praying for them whenever she supplicated for him.

Numan, who was raised by these two righteous parents, left a wonderful example for all his fellow workers to resume the Islamic way of life in his steadfastness against the oppressors. Numan, who was born in 1972, was tortured in 2000 during his interrogation. He was 28 years old and was martyred under torture. And he chose the best of righteous deeds and was not satisfied with the simplest or easiest ones, which angered the oppressors when he addressed an officer who participated in his interrogation and torture with hateful words: "Who are you to question me and I even swallow my saliva on you, so I don't spit in your face."

Dear Brothers: Today he passed to the mercy of his Lord, the father who raised this brave young man. We ask Allah the Almighty to bless these two parents with the vastness of His mercy and forgiveness, and to bring them together with their beloved martyred son Numan in the Gardens of Paradise, and to bless this blessed family with many sons like Numan. In conclusion, we only say what pleases our Lord Almighty: ﴿إِنَّا لِلَّهِ وَإِنَّا إِلَيْهِ رَاجِعُونَ﴾ **"Surely to Allah we belong and to Him we will all return."**
