**According to the Houthis the Work for the Establishment of the
Khilafah Rashidah on the Method of Prophethood is a Crime!**

(Translated)

As usual, Houthis still keep three Shabab of Hizb ut Tahrir – the Dawah carriers for the establishment of the Khilafah Rashidah (rightly guided Caliphate) on the Method of Prophethood, namely, Shaif Al-Shradi, Muhsin Al-Jaadaby and Ayub Al-Shradi, in their detention center in Sana'a since the past month of Rajab, for no sin committed but they work to establish the Khilafah Rashidah (rightly guided Caliphate) on the method of the Prophethood. The hand of injustice has reached the Shabab of Hizb ut Tahrir, after their participation in the centenary of the destruction of the Khilafah, 1342 – 1442 AH, which was organized under the direction of the Scholar, Ameer of Hizb ut Tahrir, Ata Bin Khalil Abu al-Rashtah, in 100 cities around the world. And their names were excluded from the list of detainees who were released during the past periods in the month of Ramadan by the Houthi group under the propaganda of releasing all detainees.

Calling to Allah to establish the rule of Islam on the earth - after it has been disrupted for a hundred years - is a crime in the eyes of those who claim the Qur'anic march and even punish those who work to arbitrate the law of Allah!!! And they were satisfied with the continued exclusion of Islam from arbitration in various matters of life, and the domination of Western countries that sought to destroy the Muslim state - the Caliphate, over the Muslims and replaced them with systems of government from themselves produced by human minds such as the false creed of separation of religion from life, replacing the Shari' rulings emanating from the creed "There is no god but Allah, and Muhammad is the Messenger of Allah", what a big difference! The rulings of Islam extend to the end of time, and the rulings of mankind are reeling after two hundred years have passed since they were laid.

Add to that a small paragraph, that the Houthis lie to the families of the detainees, by not specifying the party that arrested their sons with the intention of pursuing them and concealing the actual party that arrested them, so what do people call them other than a gang that took control of government affairs? Moreover, they do not care about the health of their sick detainees. Is it not enough for the Houthis the humiliation in this world before regretting on the Day of Judgment with the Mighty, the Compeller, the Sovereign? We challenge the Houthis and others to prove any crime against the Shabab of Hizb ut Tahrir.

At the same time, the Houthis launched these days, with the advent of the blessed Eid al-Adha, a campaign in which they are working to release their prisoners from the prisons of those who fight them and shed their blood. ﴿مَا لَكُمْ كَيْفَ تَحْكُمُونَ﴾ **“What is [the matter] with you? How do you judge?”** [Al-Qalam: 37]. Your prisoners have more right to be released, and they have done what they did and fought, and the detainees from Hizb ut Tahrir have no release, for they have done an atrocious thing?!

Hizb ut Tahrir is a political party working in more than 40 countries around the world, so that politics, taking care of the affairs, is its work and Islam is its ideology, and the method of the Messenger of Allah (saw) is its methodology to establish the rule by Islam, as the Prophet (saw) established a state that ruled by Islam in Madinah Munawarah, after establishing his group with men who were raised on the basis of the Aqeedah of Tawheed (Oneness of Allah), and the thoughts and rulings of Islam, so that Islam became embodied in them, so they engaged in an intellectual struggle with non-Islamic ideas, so they defeated them after explaining their corruption, and the Messenger of Allah (saw) won the Nusra to take over the rule after seeking it. So, a state was established for the Muslims that disturbed Satan, so he came to destroy it, just as the establishment of the second Khilafah Rashidah state roils the evils of the world today to prevent its establishment. How can they do that, and Allah Almighty has promised to help the believers who work to establish it in this life and the next? Allah (swt) said: ﴿إِنَّا لَنَنْصُرُ رُسُلَنَا وَالَّذِينَ آمَنُوا فِي الْحَيَاةِ الدُّنْيَا وَيَوْمَ يَقُومُ الْأَشْهَادُ﴾ **“Surely We do help Our messengers and the believers in the worldly life as we as on the Day on which witnesses will stand (to give their testimony).”** [Ghafir: 51].

And Mohammed (saw) gave us the glad tidings of its establishment: ﴿ثُمَّ تَكُونُ خِلَافَةً﴾ **«Then there will be Khilafah according to the method of Prophethood.»** (Narrated by Ahmad on the authority of al-Nu'man ibn Bashir may Allah be pleased with him).
