Jewish Crimes are Rampant in Yemen and will Only be Stopped by the Khilafah (Caliphate) Army

(Translated)

A number of martyrs and wounded fell due to raids launched by the Jewish entity's aircraft on Saturday, 20 July 2024, on the city of Hodeidah, western Yemen, targeting the power station and the station's diesel fuel tanks. While Axios quoted an official from the Jewish entity that the raid was carried out in coordination with America and the international coalition to confront Houthi attacks.

The Jewish entity was not satisfied with the blood of Muslims in the Blessed Land of Palestine, nor was it satisfied with the hegemony in Gaza and its annihilation of it and its people, through negligence, failure, and the agency of the regimes in Muslim countries and international support, especially from America. Rather, it reached the point of audacity and impudence to kill Muslims in Yemen. This hegemony and arrogance of the Jewish entity is an unforgettable slap in the faces of the rulers and their ilk, whose history has been blackened by their shameful actions and who have never angered the Jewish entity, and this clear inability to confront this criminal entity upon whom Allah has inflicted humiliation and poverty. The Almighty said: **ضُرِبَتْ عَلَيْهِمُ**

“They will be stricken with disgrace wherever they go, unless they are protected by a covenant with Allah or a treaty with the people. They have invited the displeasure of Allah and have been branded with misery.” [Aali 'Imran 3:112], to show the extent of the weakness of the cartoon-like states existing in Muslim countries on the basis of patriotism cut off from the sky, connected to the earth, and even to the kufr enemy America and Britain; those who, through agent rulers, implement their plans to tear apart and fragment Muslims, and work hard to keep this cancer in the body of the Ummah.

The response to the arrogance and criminality of the Jews is not by demanding that the United Nations, the Court of Justice, or the Security Council stop this arrogant person, nor is it through sit-ins and marches that call for solidarity, nor is it to support the people of Palestine by praying for them without fighting. Nor by denouncing them, and leaving them to a Jewish army that kills them and sheds their blood. Indeed, supporting the people of Gaza and all Muslims and eradicating the Jewish entity can only be achieved by force, so blood will be met with blood and the army will be met with the army, and the circles will revolve around the oppressor. Allah (swt) says:

﴿وَأَعِدُّوا لَهُمْ مَا اسْتَطَعْتُمْ مِنْ قُوَّةٍ وَمِنْ رِبَاطِ الْخَيْلِ تُرْهَبُونَ بِهِ عَدُوَّ اللَّهِ وَعَدُوَّكُمْ﴾ **“Prepare against them what you ‘believers’ can of ‘military’ power and cavalry to deter Allah’s enemies and your enemies”** [Al-Anfal 8:60].

The response to this criminal entity is for an army whose banner is not to be disbanded except in Al-Aqsa Mosque, after toppling the thrones of the traitorous rulers in Muslim countries because they are the stumbling block between the Ummah and supporting its people in the Blessed Land of Palestine. The voice of the sincere people of the Ummah and the voice of their speech calls out: Isn’t there among the Muslim soldiers and officers a man whose blood boils in his veins and whose mind will not rest except by removing the harmful rulers in the Muslim countries and installing a caliph who will move the armies to achieve this mission?! Or do they leave the people of Palestine to suffer humiliation and disgrace and have Jewish dogs eat their livers and flesh, over and over again?!

O Muslims: The Ummah is capable, in hours, of eradicating the malicious Jewish entity from its body. It possesses the doctrine that motivates jihad and martyrdom for the sake of Allah, and it possesses powerful weapons and armies that are eager to march towards the Jewish entity, crush it, and eradicate it from its roots, thus liberating the land and the sanctities and returning the Blessed Land to its people, cherished under the authority of Islam. But the agent rulers keep the armies in their barracks in shackles or take them out to oppress the people and fight Muslims in the service of America and the West. We believe that the Ummah has been awakened and is on its way to breaking the shackles that bind it, Allah willing. ﴿وَاللَّهُ غَالِبٌ عَلَىٰ أَمْرِهِ﴾ **“Allah’s Will always prevails, but most people do not know.”** [Yusuf 12:21]
