

Press Release

**We are Muslim Women that do not Accept Laws of the Kuffar,
We Accept Allah as our Lord – Let the Government of
Humiliation and Lowness be Crushed**

(Translated)

An American official, visiting Sudan, said that she is looking forward to the implementation of strong laws that will support gender equality including laws that will set a minimum age for marriage, ban female circumcision and treat violence based on gender - as well as other issues that need political reforms. Ambassador Catherine Russel arrived at Khartoum last Sunday and started her investigations with the Minister of Welfare and Social Security Masharer Al-Doulab. She mentioned that the women she met: "Had broken the boundaries for women in many fields like engineering, sport, law and medicine by their participation in the political and economical discussions" (Sudan Tribune).

This is not the first time and will not be the last, where the United States intervenes and imposes a Western view over the Muslim women in Sudan through these laws which are forcefully implemented by this government, that isn't god-fearing rather it fears the wrath of the West. This angers Allah and made the West angry too, resulting in the West just about accepting the government in an angry state, making it renounce its deficient politics again and again, resulting in Sudan being under the direct US mandate.

O Muslim women, granddaughters of the noble *Sahabiyat* that prostrate and stand in prayer for Almighty Allah, O you who are called *Muslimat* by Allah (swt):

مَلَّةَ أَبِيكُمْ إِبْرَاهِيمَ هُوَ سَمَّاكُمُ الْمُسْلِمِينَ مِن قَبْلُ وَفِي هَذَا لِيَكُونَ الرَّسُولُ شَهِيدًا عَلَيْكُمْ وَتَكُونُوا شُهَدَاءَ عَلَى النَّاسِ فَأَقِيمُوا

"...the faith of your father Abraham (is yours). He hath named you Muslims of old time and in this (Scripture), that the messenger may be a witness against you, and that ye may be witnesses against mankind. So establish worship, pay the poor-due, and hold fast to Allah. He is your Protecting friend. A blessed Patron and a blessed Helper!" [Al-Hajj: 78]

You know with certainty that the Western women have not even achieved a small part of the glamorous picture the Western media portray. She is in fact suffering and the proof and witness for this are countless. In a report by the US Centers for Disease Control and Prevention (CDC), it states, the average number of women an American man has a sexual relationship with is seven, 29% men actually have a sexual

relationship with more than 15 women during their lifetime. If one of these women should get pregnant from this fornication, it is her responsibility alone and she has to decide whether to take sole responsibility for raising this illegitimate child or killing it, otherwise known as abortion. In the US 10.4 million families are supported by the mother alone (without a father being present) according to the Department of the US Statistics, and in the US alone a million babies are killed through abortion annually!!! (According to the Centers for Disease Control and Prevention).

The women's suffering does not stop at infidelity, but she might also be exposed to fatal sexual transmitted diseases due to widespread lewdness. In the US, there are more than 65 million persons infected by incurable sexual transmitted diseases according to what was mentioned in CNN and the US Center for Disease Control. In the US, 683 thousand women are raped every year, that is an average of 78 women per hour, taking into account that only 16% of rapes are actually reported!! According to the US Department of Justice.

O Pure Pious Muslim Women:

The Sudanese government's allowance of these types of US visits and proposals will only result in your situation becoming like the declining and decadent situation of the American women. Thereby the government has allowed itself to be an instrument in the hand of the Kuffar to remove the Islamic features from you. Do not accept this for yourself when Allah Almighty has honored you with a true Shariah that makes your servitude only to Allah (swt), predicates you, removes the woman from misguidance and separates her from the nightmares of oppression, darkness, humiliation and enslavement. Islam has given her a dignified position, a position not found anywhere in other nations. Therefore – work with the ones striving for the return of Allah's Law in the second Khilafah Rashidah (Caliphate) on the method of the Prophethood, thereby gaining an honorable and decent life.

“Whosoever doeth right, whether male or female, and is a believer, him verily we shall quicken with good life, and We shall pay them a recompense in proportion to the best of what they used to do.” [Al-Nahl: 97]
