Press Release

Population Census in Myanmar and the UN-backed Criminal Conspiracy to wipe out the 1.3 million Rohingya Muslims from the map!

Hizb ut Tahrir voices outrage at the United Nations backing for Myanmar's census in the current climate of fear and intimidation. By backing the biased census of Myanmar's population, the first of its kind since 30 years undertaken by President Thein Sein, the United Nations has allowed itself to be used as a tool in the ongoing genocide against the Muslim Rohingyas. Presidential spokesperson Ye Htut told reporters on the 29th of March that, "If a household wants to identify themselves as 'Rohingya,' we will not register it," and added that such a household may register instead as "Bengali". Myanmar does not recognize Myanmar's estimated 1.3 million Rohingya as an ethnic group, and does not consider them as citizens. Myanmar discriminates actively against the Rohingya, and Buddhist mobs, with government blessing, engage in pogroms of destruction and murder.

Hizb ut Tahrir inquire: "How can any census about ethnicity be valid when the very existence of the Muslim Rohingyas is denied by Myanmar's Government?" Hizb ut Tahrir warns: "This census will make the acts of slaughter and murder official, what Buddhist mobs have been doing at the point of spears and hatchets since President Thein Sein's democratic reforms gave the green light to genocide against the Muslim Rohingyas, namely, the obliteration of 1.3 million Rohingya."

The U.N. and the member states which support this census and applaud Myanmar's disastrous dalliance with democracy will be guilty of collusion with Myanmar's making the Rohingya disappear overnight, officially, on the 10th April when the current census is due to be completed!

We in Hizb ut Tahrir call upon the sincere Muslims in Bangladesh and the rest of the world to rise to their duty in supporting their brethren in Deen, and put an end to the horrific mass genocide committed by Myanmar's authorities. We emphasize here that this Ummah will not be [...Cont. on p. 35](#)

 ﴿وَمَا نَقَمُوا مِنْهُمْ إِلَّا أَنْ يُؤْمِنُوا بِاللَّهِ الْعَزِيزِ الْحَمِيدِ﴾

“And they resented them only because they believed in Allah, the Exalted in Might, the Praiseworthy.” [Al-Buruj: 8]

Naveed Butt, the well known and widely respected Official Spokesman for Hizb ut Tahrir in the Wilayah of Pakistan, continues to be held in abduction by the thugs of the regime, since he was first seized on 11 May 2012, almost two years ago. Naveed's tireless exposure of the colonialist conspiracies against the Muslims and clear presentation of how the ruling by the Deen of Islam will provide Khair for the Muslim World and beyond it, was greatly resented by traitors within the political and military leadership. So these tyrants mobilized to silence Naveed, in blind obedience to the policies of their colonialist masters, who fight the call for the Khilafah wherever it is likely to arise, from Syria to Uzbekistan. Thus, these oppressors added to their many crimes against Islam, by chasing Naveed here and there, until their thugs seized him before the eyes of his small children. And until today, not only do they confine Naveed to their dungeons, they undertake a campaign of persecution against the shabaab of Hizb ut Tahrir. Indeed, the extent of their resentment is such that they send their thugs to chase after the shabaab, wherever they stand to address the people by speech or by the distribution of leaflets, even if it were for a little while!

O Muslims of Pakistan! Regret and despair is not for Naveed, inshaaAllah, for he is treading the path well worn by those who preceded him in calling to Khair and bearing hardships in the way, from amongst the Prophets (as), the Companions (ra) and those who follow them in Righteousness. Even the long separation from the family is not a cause of regret and despair, for it is the promise of Allah (swt) that the good will be brought together with their families, not for the short span of this life, but forever in Jannah, a blessed reunion with no end. Allah (swt) said,

﴿جَنَّتٌ عَدْنٌ يَدْخُلُونَهَا وَمَنْ صَلَحَ مِنْ آبَائِهِمْ وَأَزْوَاجِهِمْ وَذُرِّيَّاتِهِمْ وَالْمَلَائِكَةُ يَدْخُلُونَ عَلَيْهِمْ مِنْ كُلِّ بَابٍ﴾

“Gardens of perpetual bliss: they shall enter there, as well as the righteous among their fathers, their spouses, and their offspring.” [Surah ar-Ra`d: 23]. Nor is the oppression that those who call for Islam are facing a cause of regret and despair, for it is a confirmation that inshaaAllah the victory draws near. Indeed testing is the fire within which the Iman in Allah (swt) is forged and the pleasure of Allah (swt), His Help and His Victory is truly earned. For Allah (swt) said,

﴿أَمْ حَسِبْتُمْ أَنْ تُدْخَلُوا الْجَنَّةَ وَلَمَّا يَأْتِكُمْ مَثَلُ الَّذِينَ خَلَوْا مِنْ قَبْلِكُمْ مَسَّتْهُمُ الْبَأْسَاءُ وَالضَّرَّاءُ وَزَلْزَلُوا حَتَّى يَقُولَ الرَّسُولُ الَّذِينَ ءَامَنُوا مَعَهُ مَتَى نَصْرُ اللَّهِ إِلَّا إِنْ نَصَرَ اللَّهُ قَرِيبٌ﴾

“Or think you that you will enter Paradise without such (trials) as came to those who passed away before you They were afflicted with severe poverty and ailments and were so shaken that even the Messenger and those who believed along with him said, "When (will come) the help of Allah" Yes! Certainly, the help of Allah is near!" [Surah Al Baqarah 2:214].

Yes indeed, regret and despair is never for the one who performs his duty before Allah (swt), raising the word of truth before the tyrant. Rather regret and despair is for the tyrants themselves who persecute the callers to Islam rather than heed their call. Allah (swt) says,

﴿إِنَّ الَّذِينَ فَتَنُوا الْمُؤْمِنِينَ وَالْمُؤْمِنَاتِ ثُمَّ لَمْ يَتُوبُوا فَلَهُمْ عَذَابُ جَهَنَّمَ وَلَهُمْ عَذَابُ الْحَرِيقِ﴾

“Those who persecute the Believers, men and women, and do not turn in repentance, will have the Penalty of Hell: They will have the Penalty of the Burning Fire.” [Surah Al-Buruj 85:10]. And regret and despair are both for those who issue the commands of oppression, as well as those thugs who are their limbs, eyes and ears in the execution of those commands, blindly obeying those who disobey Allah (swt) and His Messenger (saw). Allah (swt) said,

﴿وَقَالُوا رَبَّنَا إِنَّا أَطَعْنَا سَادَتَنَا وَكُبْرَاءَنَا فَأَضَلُّونَا السَّبِيلَ﴾

“And they will say: Our Lord! Verily we obeyed our chiefs and our great ones, and they misled us from the (Right) Way” [Surah Al-Ahzab 33:67]

O Armed Forces of Pakistan! The abduction and persecution of the callers to Islam is but one oppression committed today, by traitors within the military and political leadership. Indeed they have committed all manner of oppression to the highest level, leaving the country exposed to its enemies and its people languishing in hardship and poverty. And whilst this oppression, this obedience to our enemies and this flagrant implementation of kufr, continues, we will always be afflicted by humiliation, despair, grave affliction and punishment. Allah (swt) says,

﴿وَاتَّقُوا فِتْنَةً لَا تُصِيبَنَّ الَّذِينَ ظَلَمُوا مِنْكُمْ خَاصَّةً وَاعْلَمُوا أَنَّ اللَّهَ شَدِيدُ الْعِقَابِ﴾

“And fear the Fitnah (affliction and trial) which affects not in particular (only) those of you who oppress (but it will afflict everyone) and know that Allah is Severe in punishment.” [Surah al-Anfaal: 25]. RasulAllah (saw) said,

« إِنَّ النَّاسَ إِذَا رَأَوْا الظَّالِمَ فَلَمْ يَأْخُذُوا عَلَى يَدَيْهِ أَوْشَكَ أَنْ يَعْمَهُمُ اللَّهُ بِعِقَابٍ »

“If the people witness an oppressor and they do not take him by his hands (to prevent him) then they are close to Allah covering them all with punishment.” [Abu Dawud, Tirmidhi, ibn Majah].

The fact that this oppression continues today is wholly upon you, for you in

the eyes of Islam are the people of Nussrah, Material Support, who are capable to end the kufr rule and restore the Islamic ruling. Indeed, it is through approaching your predecessors from amongst the men of arms that RasulAllah (saw) stripped the kufr rule of its physical support that it depended upon for its survival. He (saw) sought the strong, discerning material capability in detail, asking "«وهل عند قومك منعة؟»” **“Do your people have strength?”** and rejecting those too weak to secure Islam from its enemies. Thus he met many tribes including; Banu Kalb, Banu Hanifah, Banu Amr bin Sa'asah, Banu Kinda and Banu Shaiban. He (saw) persisted in this methodology patiently until Allah granted success in the matter of Nussrah, with the Ansar (ra), a small but sincere and brave group from within the men of war. And so Nussrah for Islam as a rule was secured by the methodology of the Prophethood, transforming the torn and divided Yathrib into a powerful beacon for Islam, Madinah Al-Manawwarah.

O Armed Forces of Pakistan! Men like Naveed are neither a surprise nor an exception, for this soil is fertile for acts of bravery fuelled by Iman. Since we first embraced Islam during the era of the Khilafah Rashida, we as Muslims have bled and toiled for Islam. We were victorious over the forces of kufr, ruling by Islam for hundreds of years such that the Indian Subcontinent became the envy of the entire world. We irrigated this soil with our blood, to fearlessly resist the kufr British Raj for over two hundred years. We forced the evacuation of the British troops such that they never dared to return again, so that Pakistan could be established in the name of Islam. During the partition of Muslim India, we laid down our lives in hundreds of thousands, not counting our martyrs, for the pleasure of Allah (swt).

Until today Islam runs in our veins, it is our cause and we live for its sake. And today, right now in this moment, the methodology of the Prophethood for establishing Islam demands Nussrah from its people, which is each and every one of you. So, beware of losing your own Hereafter for the sake of the worldly gains of the oath-breakers that pollute the ranks of our leadership from the Raheel-Sharif regime! Secure the return of the Khilafah on the Methodology of the Prophethood by granting the Nussrah to Hizb ut Tahrir under its Ameer the eminent jurist and statesman, Sheikh Ata Bin Khalil Abu Al-Rashtah. Those who have yet to come forward, must do so now, for the work for the Khilafah is near its end and not at its beginning. So come forwards, knowing that no harm can befall us without the permission of Allah (swt) and that the Believer fears none but Allah (swt). Allah (swt) said,

﴿اتَّخِشُواهُمْ فَإِنَّ اللَّهَ أَحَقُّ أَنْ تَخْشَوْهُ إِنْ كُنْتُمْ مُؤْمِنِينَ﴾

“Do you fear them, Allah is more worthy to be fearful of, if you are Believers.” [Surah At-Tawba 9:13]□

Palestinian Authority and the Minister of Endowments and its Security Violate the Sanctity of the Mosques to Appease America and the Jews, and Obstruct the Way of Allah

(Translated)

The crimes of the Palestinian Authority and its security agencies are growing day after day, its targeting to the houses of Allah in pursuance to the dictates of the Kuffar reveals the amount of shame and humiliation that they have reached.

The Palestinian Authority mastered the fight against the houses of Allah and preventing the word of truth in them; they established the so-called "unified Khutba (address)" and ordered imams to follow them. Also to ensure the commitment of the imams, they threatened and punished some and used the security agencies in their pursuit, and targeted teachers in mosques by arrests in Hebron, Tulkarem, Jenin and others. In addition, used the methods of intimidation to prevent the dawah carriers from enjoining the good and forbidding the Munkar, as what took place in Hebron and al-Beira.

To confirm its approach in the fight against Islam, on Saturday, 29/3/2014 the Palestinian Authority surrounded the Grand al-Beira Masjid and stormed in and used shabeeha (thugs) methods against the worshippers, in flagrant violation of the sanctity of mosques, beating worshippers in the mosque, and waving of weapons and threatened their use. One of its operatives cursed against Allah (swt), and this confirms that the Palestinian Authority and its security agencies do not protect the sanctity of Islam. And pursuant to its crimes, it targeted worshipers from members of Hizb ut Tahrir and others who hold the Jerusalem identification cards and beat some of them, and deliberately detained them in exposed places, for more than 30 hours, especially in the hours of the night's bitter cold, without the provision of their minimum needs, and when they were released in the late hours of the night their identities were withheld and they were unable to return to their homes. Thus is the Palestinian Authority and services, they exercise practices of the Jewish occupation.

The Palestinian Authority does not dare to stop those who cause wreak and havoc among people, and enough witness to this are the agents who promote drugs under the eyes and ears of the Palestinian Authority. Whereas when it comes to Islam and the dawah carriers who call for Khair and defend Al-Aqsa Mosque, which is targeted by the Jews on a daily basis, consequently it is a different matter. The Jews provide the cover for the

Palestinian Authority through the so-called security coordination campaign to discredit Islam and to harm the supporters of Allah (swt) with the soldiers of the occupation hunting them down in the Al-Aqsa Mosque and the shabeeha of the Authority chasing them in the mosques in Ramallah.

O Muslims: These mosques you built are closeness to Allah (swt) and in compliance with the Hadith of the Messenger of Allah:

«من بنى لله مسجداً بنى الله له مثله في الجنة»

"Whoever builds a Masjid for Allah, He (swt) will build a similar one for him in Jannah." (Narrated by al-Tirmidhi)

Mosques that you wanted as landmarks of Islam and platforms for the Khair and to loudly proclaim the truth sincerely for Allah (swt).

﴿وَأَنَّ الْمَسَاجِدَ لِلَّهِ فَلَا تَدْعُوا مَعَ اللَّهِ أَحَدًا﴾

"And [He revealed] that the masjids are for Allah, so do not invoke with Allah anyone" [Al-Jinn: 18]

You made them as Endowments for Allah (swt) not for the Palestinian Authority and the Minister of Endowments (Awqaaf) that filled the air with corruption. So remove the hands of the Palestinian Authority and its "Habbash" from the mosques and you assume its affairs, the mosques and land endowment you built seeking the pleasure of Allah (swt). The Palestinian Authority and its "Habbash" want to utilize them for their interests and divert them from the objective they were built for. Do not allow them access to the mosques and let the pious manage them.

O People in the Blessed Land: The Palestinian Authority and its services and the Minister of Endowments are rushing to satisfy America to maintain their presence.

﴿فَتَرَى الَّذِينَ فِي قُلُوبِهِمْ مَرَضٌ يُسَارِعُونَ فِيهِمْ يَقُولُونَ نَخْشَى أَنْ تُصِيبَنَا دَائِرَةٌ فَعَسَى اللَّهُ أَنْ يَأْتِيَ بِالْفَتْحِ أَوْ أَمْرٍ مِنْ عِنْدِهِ فَيُصْبِحُوا عَلَى مَا أَسْرُوا فِي أَنْفُسِهِمْ تَادِمِينَ﴾

"So you see those in whose hearts is disease hastening into [association with] them, saying, "We are afraid a misfortune may strike us." But perhaps Allah will bring conquest or a decision from Him, and they will become, over what they have been concealing within themselves, regretful." [Al-Ma'ida: 52]

The Minister Endowments, Habbash, meets with the Americans in a consistent manner and complies with their instructions until he won over their satisfaction, so they provided him with his cover and immunity within the Palestinian Authority to carry out his criminal practices, even the Prime Minister of the Palestinian Authority cannot stop him. Some influential figures within the Palestinian Authority said that his file of corruption is one of the largest corruption files but no one dares open it.

We know that the Palestinian Authority with all its men are only tools used by America in its muddy political endeavours once exhausted, will be thrown a waste landfill; as this is what it did to its agent Pervez Musharraf in Pakistan and its agent Mubarak in Egypt, and many others whose suitability has expired. We also know that they too know this, but they cannot escape them due to their cowardice and humiliation. They will become - soon by the will of Allah (swt) - regretful of this.

O those who connected with Bait Al-Maqdes and its surroundings: Palestine is a blessed land is the refuge of Islam; faith and the finest of believers return to it. We are confident that in the blessed land there are men who reject humiliation and shame, glorified by Islam, they are dominant by the truth and are not harmed when disappointed or disagreed with, those good and righteous men will be unified, they are the Hizb ut Tahrir, in addressing each project which aims to eliminate the blessed land and install the Jewish entity. All attempts aimed at silencing the voice of truth and prevent its call from the houses of Allah will turn against the oppressors as shame and humiliation to the oppressors as shame in this world and the Hereafter.

The Palestinian Authority will not see its agenda on the ground because it is an accidental fleeting entity, but we aspire to eliminate the masters of the regimes of injustice that control the Muslims and the world and subject them to various colours of slavery and misery; and to liberate all of mankind from corruption and the corruption of the capitalist system. We hold the great message of Islam, and beseech Allah to help us establish the Deen and raise its rank high so that it dominates all religions, even if the Kuffar detest it.

The Khilafah that we have devoted ourselves to establish, its time has come, those in doubt must read the words of Allah (swt):

﴿مَنْ كَانَ يَظُنُّ أَنْ لَنْ يَنْصُرَهُ اللَّهُ فِي الدُّنْيَا وَالْآخِرَةِ فَلْيَمْدُدْ بِسَبَبٍ إِلَى السَّمَاءِ ثُمَّ لِيَقْطَعْ فَلْيَنْظُرْ هَلْ يُدْهِبَنَّ كَيْدَهُ مَا يَغِيظُ﴾

“Whoever should think that Allah will not support [Prophet Muhammad] in this world and the Hereafter-let him extend a rope to the ceiling, then cut off [his breath], and let him see: will his effort remove that which enrages [him]?” [Al-Haj: 15]

Its best for the Palestinian Authority and its security forces to lift their hands from the houses of Allah that Allah refuses to become anything but for what He (swt) has ordered:

﴿فِي بُيُوتِ الَّذِينَ اللَّهُ أَنْ تُرْفَعَ وَيُذْكَرَ فِيهَا اسْمُهُ يُسَبِّحُ لَهُ فِيهَا بِالْغُدُوِّ وَالْآصَالِ ﴿١٠﴾ رَجَالٌ لَا تُلْهِهِمْ تِجَارَةٌ وَلَا بَيْعٌ عَنْ ذِكْرِ اللَّهِ وَإِقَامِ الصَّلَاةِ وَإِيتَاءِ الزَّكَاةِ يَخَافُونَ يَوْمًا تَتَقَلَّبُ فِيهِ الْقُلُوبُ وَالْأَبْصَارُ﴾

The Presidential Race is a Race to a Chair with Crooked Angles, By the Rightly Guided Khilafah Alone, the Chair is Straightened and its Angles are Strengthened!

(Translated)

As soon as the Higher Presidential Elections Commission announced opening the window of nominations for the presidential race on 30/03/2014 CE, a blazing race started amongst candidates who are greedy to rule Egypt al-Kinana. So we saw great numbers gathering in front of the General Authority for elections, wanting to take the candidacy application, with some mourning that they have no money required for the propaganda...! As if the ruling chair in Egypt is booty for which the saliva of the brave racers drip!

In fact, the presidential chair under the republican secular regime is a race to a chair with crooked corners! A chair controlled by America an hour after an hour, rather every hour! Through its envoys and its cronies at home and abroad... America's control over Egypt's ruling chair for decades has become a political reality, and a curse chasing all the presidency contenders craving behind an incomplete rule; one thinks it a rule of the noble capable one while in fact it is the rule of the defeated servile...

O Contenders for a chair with crooked corners: You are racing towards a chair on which presidents are humiliated! Whether the former, the current or the successive by serving the Jews through securing their border in the Sinai, and serving America and its colonial projects in Muslim countries... So repent to your Lord, Allah (swt) and cut the connecting rope with the usurpers Jews and America, the guardian of the Jews. And declare that you are the servants for the Ummah working with it towards ruling by Islam and support for the Quran! ... If you do so, then you would have comprehended and bought your Hereafter in exchange for the worldly interests, otherwise panting in your race for the rule will be a mirage assumed by the thirsty as honor and dignity while in fact it is a state of degradation and humiliation, and lackeys to America and its fosterling the Jews; buying your world in exchange for the Hereafter. In the Hereafter, you will be delivered to the severest punishment.

﴿وَيَوْمَ الْقِيَامَةِ يُرَدُّونَ إِلَىٰ أَشَدِّ الْعَذَابِ وَمَا اللَّهُ بِغَافِلٍ عَمَّا تَعْمَلُونَ ﴿٨٦﴾ أُولَٰئِكَ الَّذِينَ اشْتَرُوا الْحَيَاةَ الدُّنْيَا بِالْآخِرَةِ فَلَا يُخَفَّفُ عَنْهُمْ الْعَذَابُ وَلَا هُمْ يُنصَرُونَ﴾

“And on the Day of Resurrection they will be sent back to the severest of punishment. And Allah is not unaware of what you do. Those are the ones who have bought the life of this world [in exchange] for the Hereafter, so the punishment will not be lightened for them, nor will they be aided.” [Al-Baqara: 86]

O Muslims, O People of Egypt al-Kinana: The ruling chair is bound to come back to its origin, a chair of pride and dignity and a chair of trust (Amanah)

and regret (nadama). The trust of applying Islam, spreading of justice and goodness throughout Egypt al-Kinana and raising of the banner of al-Okab, the banner of RasulAllah (saw), so the masses of the best soldiers on earth will depart liberating Al-Aqsa and freeing the captives... And a chair of regret for all those who have not implemented Islam, have not ruled the people justly and did not people submit to worshipping Allah... This is how the ruling 2 chair returns to its origin and basis. So that you give the pledge (Bay'ah) for a righteous Khaleefah to rule you by what Allah has revealed. A Khaleefah who will treat the Muslims and the Copts of Egypt equally, thus you will all enjoy living in justice, prosperity, success and splendor. And you become grateful to Allah's blessings, the Lord of the Worlds: ﴿نِعْمَةٌ مِّنْ عِنْدِنَا كَذَلِكَ نَجْزِي مَنْ شَكَرَ﴾ **“As favor from us. Thus We do reward he who is grateful.”** [Al-Qamar: 35]

O Muslims, O People of Egypt al-Kinana: You have placed terror in the hearts of the Kaffir colonists when you stomped on the ousted Mubarak regime with your feet. You smashed the man of America and the protector of the Jews; and removed the fear from your heart from that pharaoh and his aides, and roared like rebellious lions... Isn't it then wiser for you to complete your revolution after three years? And put your hands in the hands of your brothers in Hizb ut Tahrir to complete the way, and give Bay'ah to a righteous Khaleefah, who supports Allah so Allah supports him. A Khaleefah who snaps the back of America and its followers and cuts off the connecting rope that extends inside Egypt al-Kinana! So that America does not dare to extend its malicious hands, which is stained with the blood of the Muslims, to al-Kinana or it will be amputated! A righteous Khaleefah rejects in the face of America its poisoned aid, as Egypt al-Kinana is not in need of anyone. Rather it is powerful by its Lord (swt), dignified by its Deen and rich from its resources and its Nile... Only then Egypt al-Kinana will return great as it was the vanquisher for the Crusaders and the Tartars, and a breadbasket to the world. Muslims and non-Muslim enjoy its goodness and justice. Cairo, the vanquisher, spreads Justice to the entire world. ﴿وَمَا ذَلِكَ عَلَى اللَّهِ بِعَزِيزٍ﴾ **“And that is not difficult for Allah”.** [Ibrahim: 20]

O Sincere Soldiers in the Army of Egypt al-Kinana: Hizb ut Tahrir/ Wilayah Egypt is a trusted and sincere advisor to you, for Allah has men who appear at history crossings, so be with them... and we are calling for you to make your loyalty to Allah, His Messenger and the believers. And to support Allah's servants who are working to establish a Khilafah. Thus repeating the history of Ansar Allah (supporters to Allah), and be of the righteous and the good; to witness the glory in this world and the Hereafter... Support Allah, He will support you and firmly plant your feet, and give Bay'ah to a Khaleefah upon the Book of Allah and the Sunnah of His Messenger (saw); to rule by what Allah has revealed and fight in Jihad for the sake of Allah. It is in the Khilafah alone that your dignity and your victory is found, and by it your blood does not go in vain. ﴿إِنَّ فِي هَذَا لَبَلَاغًا لِّقَوْمٍ عَابِدِينَ﴾ **“Indeed, in this [Qur'an] is notification for a worshipping people”.** [Al-Anbiya: 106]. □

**Hizb ut Tahrir / Tunisia Held a Seminar Titled:
"They Loot the Wealth and Impoverish the People"**

(Translated)

Hizb ut Tahrir / Tunisia held a political forum in the city of Siliana on Sunday, 13/04/2014 entitled "They Loot the Wealth and Impoverish the People" with a remarkable presence of the people of Siliana.

The speech of the Official Spokesman of Hizb ut Tahrir in Tunisia, Brother Reda Belhaj included an accurate description of the overall situation in the country, indicating the relentless pursuit of the Quartet sponsoring the dialogue to circumvent the Revolutionary breath through amplifying and dramatizing the economic situation of the country, describing it as catastrophic while we find it disguising on companies that loot the country's resources and its blessings.

We warn that this hype is a prelude to pass the package of measures required by the International Monetary Fund for manufacturing more poverty and for crushing the poor to prevent any attempt for change based on Islam and to circumvent the revolution. The event was well organized and the reception was very good, which holds the Shabab of Hizb ut Tahrir in that region a double responsibility towards the awareness of the people of the North-West and their longing for the establishment of the Khilafah. □

Kyrgyzstan's Special Forces Arrest Sister Amaanov Zulfia Daughter of the Martyr Amaanov Hamidullah!

(Translated)

On 31 March 2014 CE, the Kyrgyz Special Forces arrested Sister Amaanov Zulfia in the city of Osh. Amaanov Zulfia was only five years old when the tyrant criminals deprived her of her father, who was arrested for being a member of a political party, Hizb ut Tahrir. Last year we have published a news report of the terrible death of our brother Amaanov Hamidullah from Kyrgyzstan, who resided in the city of Osh, where he was kidnapped by the Special Forces of Uzbekistan for 14 years and tortured during that time in the prisons of tyrant Karimov. His family could not retrieve his dead body.

Amanoov Zulfia the daughter of the martyr Hamidullah loved Islam from a tender age, and continued to learn Islam and its Fiqh, along with other sciences. She memorized the Qur'an by heart, and was able to learn several languages, including Arabic. The hounds of Karimov forces sought the help of Kyrgyzstan to pursue the family of the martyr before his martyrdom, they also continued to harass them after his martyrdom because the family of the martyr demanded that the Kyrgyzstan and Uzbekistan oppressors open an investigation to determine the circumstances of their son's death, as well as to receive his dead body. Amanoov Zulfia approached several third parties to uncover their crime and expose their lies, which led to the outrage and resentment of the regime who retaliated by arresting her.

During the past few months, the criminal regime in Kyrgyzstan waged a frantic campaign that saw the arrest of the members of Hizb ut Tahrir; tens of members of Hizb ut Tahrir were arrested from the areas of Narienskaya, Batekinskaya, Tchewskaya, Bishkek, and Usha. The depravity of the oppressive regime did not spare women and children from these arrests, so they arrested Zulfia and detained her in an unspecified location where no one knows of her whereabouts or fate. We ask Allah (swt) to strengthen her faith and her resolve and patience in her test, as we ask Him (swt) to inspire her family and relatives with beautiful patience and Allah is ...Cont. on p. 36

A Series of Media Messages to Muslim Women (5)

Message from Sister Fika Komara - member of the Central Media Office of Hizb ut Tahrir in support of the campaign by the sisters in Wilayah Sudan

The Sisterhood Call from Asia to Africa:
Let's Struggle Welcoming the Dawn of Khilafah that will
Extend from Morocco to Merauke!

My dearest sisters in Africa,

Verily our suffering and life hardships that we face in Asia and Africa are not different. Western colonization for hundreds of years has been sucking the wealth of our lands and also destroys our dignity and our children!

Ever since the colonialism era in 15th century until today's modern imperialism, the Islamic lands of Asia and Africa continue relentlessly to be colonized by the western Kufr with all its forms and agendas. They have been impoverished and enslave millions of our sisters for centuries! Whereas previously we had a glorious history of civilization, that stretches from Morocco to Merauke under the umbrella of the Islamic Khilafah.

O my sisters in Islam,

The end of World War II actually is a new round for western modern colonization in the lands of Islam, Asia and Africa. Although physically many countries have gained their national independence, but essentially that was a pseudo independence! The actual process of colonization persists in a more subtle, more polite, but more powerful suction power, and a more difficult to be fought. Capitalism economic globalization increasingly ensnare the Muslim lands from Morocco in the West Africa to Merauke in the east of Indonesia, including millions of Muslim women in Asia and Africa who were herded into the abyss of poverty and exploitation and poisoned by the narrative that women are the driver of the economy.

My dear sisters in Africa,

Our history has proven that NEITHER democracy, NOR secularism and NOR nationalism which made our country a blessed and civilized. But rather Islam and ONLY ISLAM! The Prophet of Allah had been sent to all mankind by the Revelation which has the ability to unite humankind. Since the establishment of the first government of Islam in the Madinah, Islam has united and brought together the various tribes and nations of the Arabian peninsula by the phrase of tawheed, until hundreds of years later when the ever-expanding Islamic rule, various tribes across continents and oceans have been united under the phrase of tawheed, "Laa Ilaaha illallah Muhammad Rasulullah".

Therefore my sisters in Islam,

Let's unite in Islam! We are one Ummah, we belong to one Deen, our Prophet is one, our Qur'an is one, our flag is one, and our struggle is one. The dawn of the Khilafah is very near, thus join Hizb ut Tahrir for the struggle in establishment of the Second Khilafah Rashidah which would stretch from Morocco to Merauke, and silence those who attack and besmirch the honor of Muslim women around the world through the rule of Islam. The Khilafah will cover all corners of the earth by the light of Islam and become a mercy for the universe, such as the words of the Prophet:

«إِنَّ اللَّهَ زَوَى لِي الْأَرْضَ فَرَأَيْتُ مَشَارِقَهَا وَمَغَارِبَهَا وَإِنَّ أُمَّتِي سَيَبْلُغُ مُلْكُهَا مَا زُوِيَ لِي مِنْهَا»

"Indeed Allah gathered the earth for me so that I saw its east and its west. And surely my Ummah's authority shall reach over all that was shown to me of it..." (Sahih Muslim, Abu Dawood, Tirmidhi).□

**Today the People of Sinai who Suffered Decades of
Oppression and Marginalization are Exposed to Collective
Punishment at the Hands of Those Supposed to Defend and
Protect Them**

(Translated)

To the observer, Sinai seems to be a completely closed off area to any attempt to get information of the army's operations there against what they call "terrorism"; although the authorities announce almost on a daily basis the killing of many of the "terrorist" elements. However, it is difficult to confirm this information from an independent source, given that the target areas are off-limits to anyone; this indicates that most of the killings are from the ranks of our people in Sinai, and not from the ranks of the militants as claimed by the official military spokesperson. The security crackdown launched by the army and police forces in Sinai months ago under the banner of the fight against terrorism foretells of a humanitarian catastrophe that has no bounds. General Sisi, previously said in a leaked recording regarding the security confrontations in Sinai that they can lead to its secession, as what took place in Sudan before, He warned that this leads to the presence of retaliation between the army and the people of Sinai; but he did not take heed of this warning and his troops carried out unprecedented destruction to civilian homes and mosques in the city of Rafah in northern Sinai, particularly in the village of Mahdia, south of Rafah, where security forces have burned nearly sixty houses as well as caused the displacement of thousands of people in that region.

There is no doubt that the one who pays the price for the conflict today, between supporters of the isolated President Mohammad Morsi and those who overthrew him, are the people of Sinai in particular. In recent days, there has been many broadcasts of horrific scenes of what is happening in Sinai in social media sites. And although the Egyptian army confirms in many of its statements that the soldiers were exposed to ambushes resulting in the killing and wounding of many of them, it cannot be a justification in any way to carry out violations against civilians of our people in Sinai in the form

of unprecedented collective punishment.

It is well known that in the month of March, a delegation comprising of senior officers in the Egyptian army and foreign ministry officials visited the Jewish entity to coordinate with it the introduction of modern equipment to areas in Sinai and to increase the number of troops there to counter the threat of so-called terrorism.

Egyptian Military Spokesman admitted to the visit after the Haaretz Israeli newspaper uncovered it; yet he denied that the meeting touched on any topics related to military cooperation, but acknowledged that there is coordination with the Jewish entity through a means of contact between them. Is it not unfortunate that the Army of Egypt the Kenanah is coordinating with the most hostile to those who believe? And against whom?! Against our people in Sinai who have demonstrated strength and resilience in the face of years of the repugnant Israeli occupation, and who have long suffered from injustice, marginalization and negligence in the development plans for decades under successive governments.

The Khilafah State alone will restore the security and safety of all people in Egypt and across Sinai; alone it will cut off the roots of the monstrous Jewish entity that laugh with joy watching the Egyptian army safeguarding its security while directing their weapons towards their sons. The Khilafah alone will enable the return of the Egyptian army to liberate the land of Isra' Wa Mi'raj from the abomination and filth of the Jews as it liberated it before under the leadership of Salahudin Al-Ayubi.

O loyal officers rush and fulfill your duty to protect this Ummah and give support to this Deen, and establish the rule of Islam under the Khilafah State, to attain the pleasure of Allah Almighty.

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا اسْتَجِيبُوا لِلَّهِ وَلِلرَّسُولِ إِذَا دَعَاكُمْ لِمَا يُحْيِيكُمْ ۗ وَعَلِّمُوا أَنَّ اللَّهَ يَحُولُ بَيْنَ الْمَرْءِ وَقَلْبِهِ وَأَنَّهُ إِلَيْهِ تُحْشَرُونَ﴾

“O you who have believed, respond to Allah and to the Messenger when he calls you to that which gives you life. And know that Allah intervenes between a man and his heart and that to Him you will be gathered.” [Al-Anfal: 24] □

Hizb ut Tahrir Held Country Wide Demonstrations to End American Presence US Ejection is a Must to Restore Peace in the Country Pakistan

Hizb ut Tahrir Wilayah Pakistan held demonstrations across the country against American presence and to end it. Hundreds of people attended these protests. The protesters carried banners and placards saying, "Restoration of peace in the country is not possible through negotiation or operation rather the closing of American embassy and Raymond Davis Network is required", "Wiping out the Raymond Davis network, will end the bombing campaign in the country" and "Democracy is the Guardian of the American Raj, Khilafah is the Shield of the Muslims".

Demonstrators protested against the American presence and its ever increasing hegemony and influence. They held America responsible for the ongoing campaign of bomb blasts and target killings. Protesters were demanding from the armed forces closure of the American bases, embassy, consulates and Raymond Davis network. They were also of the view that the traitors in our leadership point here and there to deceive us on behalf of their American masters, but they never point out the root cause, which is the American presence. Protestors were of the view that until American presence in the form of its embassy, intelligence network and bases are not uprooted and their personals are not expelled we can only dream of peace. They were of the view that in order to restore peace an operations against American intelligence and private operators like Raymond Davis Network is required rather than peace talks or military operations in our tribal area.

Protestors called for the abolition of the Kufr capitalist democratic system and the establishment of Khilafah, so the Khalifah can gather together the armed forces and the resources of the Ummah in order to expel America from the region. They called for the armed forces to secure the return of the Khilafah by granting the Nussrah to Hizb ut Tahrir. □

Raheel-Nawaz Regime Seeks to Silence the Words of Truth Seizure of Members of Hizb ut Tahrir will not Prevent the Return of Khilafah to Pakistan

Today, Friday around 10 a.m., the thugs of the Raheel-Nawaz regime lurked like thieves outside the Karachi home of member of Hizb ut Tahrir Wilayah Pakistan, Dr. Ismael Sheikh, and seized him. Then, without caring for the honor and property of the Muslim, these lowly thugs shot the gate open and took Dr. Ismael's car and entered the house, occupied by Dr. Ismael's terrified wife and small children, and snatched all matter of personal property.

Dr. Ismael Sheikh, resident of Gulistan-e-Johar, is a renowned, highly qualified dental surgeon and active advocate for the Khilafah. Dr. Ismael Sheikh, as a devoted servant of Allah (swt), diligently followed the footsteps of RasulAllah (saw) in order to bring the Ummah out of its present humiliation and to raise high the banner of Islam. Yet, whilst traitors in the political and military leadership have given full liberty to the Raymond Davis network to bomb military and civilian places across the country, they spare no effort and descend to the lowest of levels, to prevent respected Muslims striving in political and intellectual struggle in order to establish Khilafah in Pakistan.

We ask, how is it that the kafir Raymond Davis's who work to undermine the security of Pakistan day and night are given free hands, whereas those Muslims who are working to abolish the American Raj and establish Islam, are seized? We ask: how is it acceptable that the property of the Raymond Davis terrorists is so sanctified by the regime that no Pakistani official is allowed to open the sealed containers within which it arrives, whereas the property of an advocate for Khilafah can be seized at whim and will, after his house is violated? And this is in a Muslim Land in whose history millions of Muslims laid down their lives willingly for the sake of establishing a state in the name of Islam, and where now the call for the Khilafah is supported throughout the country, at all levels.

Abduction of members of Hizb ut Tahrir will not prevent the return of Khilafah Hizb ut Tahrir Holds Pakistan-Wide Protests Against Abduction of Dr. Ismael Sheikh

Hizb ut Tahrir Wilayah Pakistan held country-wide demonstrations against the abduction of its member, Dr. Ismael Sheikh. Protestors were carrying banner and placards declaring that "The abduction of Dr. Ismael Sheikh, Cannot Prevent the Khilafah's Return", "Democracy is the Guardian of the American Raj, Khilafah is the Shield of the Muslims". Protests were held to demand his immediate release.

Protestors were concerned that Dr. Ismael Sheikh was abducted by the thugs of the Raheel-Nawaz regime on Friday 18th 2014 April. Dr. Ismael Sheikh, is a renowned, highly qualified dental surgeon and an active advocate for the Khilafah, who as a devoted servant of Allah (swt), diligently followed the footsteps of RasulAllah (saw) in order to bring back the Islamic way of life by establishing Khilafah. Protestors were angered how a man like Dr. Ismael Sheikh is treated like this in a country which was created in the name of Islam and hundreds of thousands Muslims sacrificed their lives for the establishment of Islam.

Hizb ut Tahrir reminds the tyrants said that the abduction of Naveed Butt, spokesman of Hizb ut Tahrir in Wilayah Pakistan who has been abducted for the last two years could not deter the Hizb and its Shabab to pursue the establishment of Khilafah and so the abduction of Dr. Ismael Sheikh will also neither scare Hizb and its Shabab. Rather this abduction will further bring closer the day when traitors will face their trial and punishment at the hands of the Ummah after the establishment of Khilafah. □

The Aim of the Hizb (Translated)

1. On any given day, the Hizb has never claimed that its aim is attaining the rule and will never claim that. The aim of the Hizb is fully outlined in its administrative law, which is carrying the Islamic Da'wah and resuming the Islamic way of life. Therefore, whoever thinks not even a fleeting thought that the aim of the Hizb is attaining the rule is completely mistaken, whether he is from within the Hizb or from outside. This is a reality, and it must be non-negotiable for us and for the people. It is true that the Hizb's methodology in achieving its aim is the rule (hukm); yet, the Hizb neither accepts partial rule nor takes the rule except by the complete and comprehensive rule, all at once and it implements it rapidly. However, attaining the rule as a way to achieve the aim does not mean that it is an aim, rather it is a methodology and should not exceed being a methodology in any circumstance.

2. The Hizb wants to establish the Islamic state and not only to gain rule, so if the Hizb was not sure that by gaining rule it can establish the Islamic state, it would neither take rule nor accept it. The Hizb has specified clearly and tangibly the methodology of establishing an Islamic state in its books in a way that does not leave any place for an explanation or interpretation. There is a distinct study about this topic that is recorded in the Hizb books entitled, How the Islamic State Would Rise. This research is well-known and notable, and there is no longer a need for reflection on the subject of the rule and how to establish a state. It is a foregone conclusion and it is specific and work must be according to it. To wait or not to wait and the length of time or his palace has nothing to do with it. The issue is about a specific manner that must be abided.

The Hizb says in its books: "We ought to adopt the carrying of the Da'wah and the work towards resuming the Islamic way of life as our method to establish the Islamic State. While we should consider the Muslim countries as one indivisible society and as target for the Da'wah, we must concentrate our scope of work to one province or specific provinces where we undertake to educate people with Islam so that it springs to life within themselves and so that they live by it and for it, and we ought to create public opinion by Islam and for Islam so that a response is generated between the carriers of the Da'wah and society, a response which would be fruitful, effective and moving, and which would be able to transform the Da'wah into interaction and result in output. Interaction of this nature would be translated into a struggle aimed at establishing the Islamic State, which

emanates from the Ummah, in that part of the Islamic world. Da'wah would then have developed from being an idea in the mind to existing in society, and from a popular movement to a State."

This is the text regarding the methodology; the text is clear and the Hizb has been following and abiding by it, and did not move a single hair. Furthermore, the Hizb cares about the people, it cares about society, and cares about delivering the idea to the people. It openly says: What is important is the Ummah. The Hizb is targeting the Ummah; it is not concerned by the number of its Shabab, it does not care of their numbers being large or small, but cares about the Ummah, and this is explicitly evident in the Hizb's books and in its conducts, activities and actions. The work of the Hizb is the Ummah, its major concern is the Ummah, and what is mentioned in its books especially The Party's Structure "Attakatul" and Concepts "Mafaheem" avail all explanations. What is apparent in the Hizb and its actions is seen by all people even the blind.

3. The Hizb when it undertook the work to establish the Islamic state it limited its work to people, and still limits its work to people. And it was working in the society and the people, and still works in the society and the people. It was not working to take the rule; not in any work no matter how small it was, and is still does not work to take the rule; not in any work no matter how small it is, but it has added to the actions which it carries the actions of seeking the Nusrah from the people of power and support.

When the Hizb's Shabab used to ask, in the early first decade of its work about how to take the rule, the Hizb was answering them honestly: The style is decided by the type of work, and when getting the response of the Ummah it is then seen at the work and the style is decided; which is decided by the type of that work, at that time. It may be to undertake a civil disobedience, a sweeping demonstration, an overwhelming revolution, a military coup, and may be otherwise. It has issued a leaflet in this regard and distributed it to its Shabab at the time, in the mid-fifties. However, after the Hizb has entered the stage of interaction in 1960, and when the society had been rigid towards the Hizb, and the brutal persecution against it increased; the Hizb reviewed the study of the Seerah of the Prophet (saw) to seek a practical and a realistic description of the way to achieve the establishment of the state in actuality. It was guided after study, discussion and thought that, while taking rule is a style, whereas the establishment of the state is a method and not a style. Moreover, it found that the practical and realistic method to achieve the establishment of the state actually is by seeking Nusrah. Thus the Prophet (saw) after the society had been rigid in front of him in Mecca, and the brutal persecution on him and his companions had increased, he added to the carrying of Da'wah the

action of seeking the Nusrah, so he started to seek it from the people of power and support. Therefore, the Hizb is not free to choose how to establish the state, but is obliged to follow a certain way, and it is restricted in this way because it is a legitimate rule (Hukm Sharii'), and is a method and not a style. So the Hizb decided to follow the way of seeking the Nusrah and had issued a leaflet early 1961 and distributed it to officials and ordered them to work by it, and it started trying to seek the Nusrah.

The Hizb has realized from that time the Messenger (saw) had failed in attaining the Nusrah eight times, and stayed from the eighth year of the revelation until the twelfth year, in one narration, and the fourteenth year in another narration. Thus the Hizb may fail dozens of times, and may need more time than that it fruited for the Messenger. Therefore, the Hizb felt that it might fail, and that the matter may prolong, and it proceeded in seeking the Nusrah on this basis. So it repeated attempts to seek Nusrah in Iraq and Syria, and particularly in Iraq. It was aware that seeking the Nusrah is for the establishment of an Islamic state, and not for taking the rule only. Therefore it was seeking the Nusrah from those who could establish the state. Thus, it was seeking the Nusrah from the actual ruler, i.e. from the one whose hands have the actual rule, or who can take control of the rule or the ruler, or who can bring the actual ruler or bring in who can control the rule. And it repeatedly attempted since early 1961 until early 1965 and did not succeed in any of the attempts. In late 1964 until early 1965, it studied the development of society, the development of people and the development of the entire region, as a region under the influence of the Kaffir, and then saw that the birth of the state is difficult, and that waiting makes the birth even more difficult. It saw that it is necessary to perform a Caesarean section for the birth of the state, so it added to the actions of seeking the Nusrah from the actual ruler, i.e. from the one whose hands are on the actual rule, or who can take control of the rule or the ruler, or who can bring the actual ruler or bring in who can control the rule; it added to all of these seeking the Nusrah from those who can perform the Caesarean section. It has proceeded as such in several wilayat and still proceeds as such until now, and will continue to proceed along it until the victory of Allah comes.

“Hizb ut Tahrir wants the revival of the Ummah, the establishment of the state, building of the society, and carrying the message.”

However, the Hizb was aware while seeking the Nusrah that it is not the work of the Hizb and not one of its aims, rather it is a method to achieve the establishment of the state actually, in which it did not make it the work of the Hizb, but made it some of its actions. It did not engage its Shabab in it, not

the Hizb as a whole, but rather engaged a number of its Shabab in every Wilayah; no more than the number of digits on one hand, and did not make it [Nusrah] the work of the Hizb, except as the work requires. The Prophet (saw) was not occupied with seeking the Nusrah, but he was occupied with carrying the Da'wah, and did not engage in the work of seeking the Nusrah except Musab bin Omair and Asa'ad Ibn Zuraarah. Therefore, the Hizb continued to march as it was without any one feeling that there has been anything new in it and the situation remained as it was; to be occupied with ideas and carry out the same work.

Moreover, the fact is that the establishment of the state is but within the Ummah, and attaining the rule is but a complement to the establishment of the state. Since the state is the Ummah, the work of the Hizb is the Ummah. So it must continue to work within the Ummah; to strengthen the idea, and to preserve the state it established in it. Therefore, its work must continue to be the Ummah which means it must continue its work without any difference: namely, to live among the Ummah and in the Ummah and spread the ideas to the Ummah, and to excel within this precious Ummah. Above all, the Hizb comes before the rule, and the idea before the state. Therefore, seeking the Nusrah must not have any impact on the Hizb and on its march, and not on the idea and presenting it, but the Hizb must remain strong and move strongly, and the idea must remain in the Ummah strong, moving upward in them.

4. The Hizb since its establishment constricted all its work in the Ummah, and the conveyance of ideas in awakening, enlightening, and driving it, to create the public awareness by Islam and to create public opinion for it; and was consistent in that. It was a movement of struggle aimed to create the state, and remained marching towards that, with all its strength until it tangibly touched a response generated between the Da'wah carriers and society, and then realized that it had actually established a state, and what remained was only taking of the rule to complete the state. Thence it worked seriously to take the rule, because it then felt the hardship of the birth, so it added to the seeking of Nusrah from the known people of support, seeking it from those who can perform the Caesarean section, as the state had already been established only with its birth remaining.

5. The Hizb wants four matters; it wants the revival of the Ummah, the establishment of the state, building of the society, and carrying the message. It works for these things as a single issue, and considers it one issue. It is not occupied by taking the rule, but is occupied by these four matters together: the revival of the Ummah, the establishment of the state, building of the society, and carrying the message. It realizes that the strength of that is in the [...Cont. on p. 37](#)

Hizb ut Tahrir/ Wilayah Syria: Documentary of Ash-Sham - Land of the Upcoming Khilafah

The Documentary of Ash-Sham - Land of the Upcoming Khilafah Part I showcases the banner of the Uqab, the banner of the Messenger of Allah (peace be upon him). Returned to flutter in the entire land of Sham after decades of oppression, tyranny and slavery, implemented by the Kufr ruling authority on the pure land of Ash-Sham. The return of the banner of "La Illaha Illa Allah Muhammad Rasool Allah" [There is no god but Allah and Muhammad is the Messenger of Allah] to flutter declares a new era and a bright future for the Ummah of Islam. It is a revolution of the blessed al-Sham, initiated to restore the glory of Islam and its dignity and authority. It was first raised, after the fall of the Khilafah, by the honorable Sheikh Taqiuddin an-Nabahani (rahimahu Allah) him and a group from the Shabab of the Ummah when they founded Hizb ut Tahrir in the year of 1953 in Jerusalem. They raised the flag and demanded the return of the Islamic Khilafah once again. Here are today's Shabab of Hizb ut Tahrir who have been involved in the Revolution of ash-Sham; and their presence in the demonstrations and sit-ins made a powerful impact on the spread of the flag and its adoption by the revolutionaries who came out originally to raise the word of Allah and glorifying His religion and the implementation of His Laws.

The film showcases through visits and interviews with the people of the Revolution, the changes that take place in the liberated territories, including the educational and economic development in the path for the establishment of the Khilafah State, by the permission of Allah. It also presents the good tidings when the warring factions on the land of Ash-Sham through interviews and visits with them how they not only seek to overthrow the Baathist regime but rather seek to establish an Islamic state, ruled by Islam in all aspects of life , and Allah is Able over that. Allah (swt) said,

﴿وَعَدَ اللَّهُ الَّذِينَ آمَنُوا مِنْكُمْ وَعَمِلُوا الصَّالِحَاتِ لَيَسْتَخْلِفَنَّهُمْ فِي الْأَرْضِ كَمَا اسْتَخْلَفَ الَّذِينَ مِنْ قَبْلِهِمْ وَلَيُمَكِّنَنَّ لَهُمْ دِينَهُمُ الَّذِي ارْتَضَىٰ لَهُمْ وَلَيُبَدِّلَنَّهُمْ مِنْ بَعْدِ خَوْفِهِمْ أَمْنًا ۗ يَعْبُدُونَنِي لَا يُشْرِكُونَ بِي شَيْئًا ۗ وَمَنْ كَفَرَ بَعْدَ ذَلِكَ فَأُولَٰئِكَ هُمُ الْفَاسِقُونَ﴾

“Allah has promised those who have believed among you and done righteous deeds that He will surely grant them succession [to authority] upon the earth just as He granted it to those before them and that He will surely establish for them [therein] their religion which He has preferred for them and that He will surely substitute for them, after their fear, security, [for] they worship Me, not associating anything with Me. But whoever disbelieves after that - then those are the defiantly disobedient.” [an-Nur: 55]

The Capitalist Nationalism of Turkey Humiliated Uighur Refugees for 18 Days

News:

35 Uighur Muslims who were kept waiting for 18 days in transit at Istanbul Ataturk Airport since fleeing to Turkey from China on March 25 were finally given permission to enter the country on 12th of April. The group, which included pregnant women and children, had arrived in Turkey in an attempt to escape persecution in their homeland of East Turkestan (Xinjiang), China. One child had been rushed to hospital during the lengthy wait. The group was not legally entitled to enter Turkey, due to missing documents.

Comment:

Firstly, it is highly cynical to make the whole story public only one day before the humiliation reached a "so-called" end, as these people had to wait at an airport-hall for 18 days under inhumane conditions. Additionally, after entering the country these people are awaiting an ambiguous future and a hard life in camps. Secondly, once again Erdogan's Government who just came out from the local elections with a so-called triumph for Islam, has proved that it is nothing more than Ruwaibida talking, as it made promises to work for the benefit of Islam, and therefore for the Muslims. Is it not the primary duty of a Muslim leader, as the leading politicians and

leaders of Turkey claim to be, to

protect all Muslims, no matter from which part of the world they come, and embrace them with open arms? These Uighur Muslims were forced to seek refuge in Turkey through their own means, as Turkey had not even sent an army to take them out of their suppression!

These are Muslims who had to flee from a Muslim land, where they had to endure all kinds of suppression, torture, murder and imprisonment due to a non-Muslim regime. They sought refuge and help from a Government that claims to be Islamic, and now they had to suffer another form of humiliation due to non-Islamic nationalistic laws of the secular capitalist democracy in Turkey, set up by a kufr ideology. The whole situation becomes even more shameful for the Turkish Government, in the light of the fact, that the Uighurs after embracing Islam helped the Khilafah in the greatest conquests in Islamic history, especially against China up to the Chinese wall.

Remember the period from the 15th to 17th century where the Muslims of al-Andalus were persecuted, oppressed and murdered by the Spanish inquisitors. Khalifah Bayezid II sent Admiral Kemal Reis in 1502 to rescue them. Khidir Reis (Barbaros) in 1530, ...Cont. on p. 37

A aborted Babies Incinerated in Oregon to Provide Electricity

The British Columbia Health Ministry has admitted that the remains of babies destroyed by abortion in B.C. facilities are ending up in a waste-to-power facility in the United States, providing electricity for residents of Oregon. The province's Health Ministry said in an email to the B.C. Catholic that "biomedical waste" shipped to the US to be incinerated includes "human tissue, such as surgically removed cancerous tissue, amputated limbs, and foetal tissue." "The ministry understands that some is transferred to Oregon. There it is incinerated in a waste-to-energy plant," the email stated. [Source: LifeSiteNews.com]

The moral decline in the West knows no bounds. Rather than address the root cause behind abortions, which is the unbridled freedom causing havoc between men and women, Western government are happy to extinguish the problem by burning aborted babies to provide light in the cesspool of moral decadence. □

O bama: US Will Defend Japan if China Seizes Senkaku Islands

President Barack Obama—for the first time as an incumbent US president—clearly stated the Senkaku Islands in Okinawa Prefecture are

subject to Article 5 of the Japan-US Security Treaty, in a written reply to questions submitted by The Yomiuri Shimbun. "The policy of the United States is clear—the Senkaku Islands are administered by Japan and therefore fall within the scope of Article 5 of the US-Japan Treaty of Mutual Cooperation and Security. And we oppose any unilateral attempts to undermine Japan's administration of these islands," the U.S leader stated ahead of his visit to Japan starting Wednesday. Article 5 stipulates US defence obligations to Japan, which apply to territories under the administration of Japan. Obama's comment therefore means the United States will defend Japan in the event of a Chinese incursion on the islets, over which China also claims sovereignty. Mentioning "mutual interest" between the United States and China, Obama said his country will "deal directly and candidly" with China over differences on such issues. He also stressed that maritime issues should be handled constructively. "Disputes need to be resolved through dialogue and diplomacy, not intimidation and coercion," the president said. America is facing a multitude of security threats from Ukraine to the Asian Pacific from two powers namely: Russia and China. Yet, both Moscow and Beijing have failed to develop a consensus on how to work together to undermine American hegemony in these regions. What is more disappointing is that the Muslim world is either a silent spectator or a

pawn used by the major powers to safeguard their interests. The time has come for an astute Islamic political leadership to emerge to exploit the tensions between the major powers and protect Muslim interests. This can only be achieved via the Islamic Khilafah, which Muslims must work to re-establish, so that the present American world order can be supplanted by an Islamic world order, which will spread peace and justice around the world. Allah (swt) says:

Khilafah will end borders between Muslim Lands

Afghan security forces killed two Pakistani nationals who had mistakenly entered into Afghanistan near Badini area on Monday morning, 14 April 2014, a Levies official said. The Durand Line is only one of the colonialist made borders that have carved the Muslim Lands into over fifty states. The origin of these borders is the Sykes-Picot agreement of 1916 which sought to divide the former lands of the Khilafah as spoils between the colonialist powers. It is this division, a divide and rule policy, that helps the foreign powers to rule over us until today.

Today, Islam is a unifying force for the Muslims of South and Central Asia that are over half a billion in number, of which nearly 200 million are in the belligerent Hindu state itself, which is the source of hostility against the Muslims of Afghanistan and Pakistan for over six decades. Moreover, the

combined armed forces of the Islamic Ummah is approaching six million, whilst those of the Hindu state stand at one million. The call for Khilafah has permeated through Central and South Asia, so the platform for the reunification of the Muslim Lands is in place.

RasulAllah (saw) forged a single Ummah from many tribes, which consolidated its resources under one flag, with one head of state, one armed forces and one state treasury.

Over the ages of the Khilafah many tribes and races embraced Islam, merging into one noble Ummah. There are to be no borders between Muslims for their lands are one and they are one brotherhood. The Muslims will not focus enmity upon each other, rather their eyes will be on the frontiers with the lands of the Kaafireen, in order to expand the Khilafah so that Islam is dominant in the world. Accordingly, Hizb ut Tahrir has adopted in its [Introduction to the Constitution](#), in Article 189, Clause 1, **"The existing states in the Islamic world are considered to be part of one land and therefore they are not included within the sphere of foreign affairs. Relations with these countries are not considered to be in the realm of foreign policy and it is obligatory to work to unify all these countries into one state."**

US to Deploy 'Game Changing' Electromagnetic Railgun that Fires at Seven Times the Speed of Sound

The US Navy has announced plans to deploy its first ever

electromagnetic railgun, a "game changing" device that fires projectiles without explosives over a distance of 100 miles and at seven times the speed of sound. Railguns use an electromagnetic force known as the Lorentz Force to rapidly accelerate projectiles between a pair of conductive rails, firing them at a velocity greater than can be achieved by traditional guns and artillery. This increased velocity means that projectiles do not need to have any explosive payload. Instead, the railgun simply fires a solid lump of metal, relying on the speed of its impact to transfer massive amounts of heat and kinetic energy to the target. The Navy has said that weapon represents "the future of naval combat" with current prototypes capable of punching through the hull of ship "like a freight train" due to be installed and tested on ships by 2016. [Source: Irish Independent].

Over the past 20 years, the world witnessed America's amazing military weaponry, and many of these weapons were billed as 'game changers'. Yet, it was not enough to subdue people in Iraq, Afghanistan, Somalia, Pakistan, Yemen and elsewhere. No military might possessed by America or any other country can conquer the Islamic thoughts that have become the backbone of the global Islamic revival. The Railgun and other weapons will meet a similar fate. □

NATO Troops in Afghanistan Often Made Conflict Worse

A Territorial Army captain has resigned to publish a book critical of

British actions in Afghanistan. Mr Mike Martin said NATO troops in Helmand province "often made the conflict worse". He quit his role in the TA after the Ministry of Defence (MoD) refused to give him permission to publish the study. Mr Martin studied Helmand for six years and completed an Army-funded PhD at King's College in London. He told the BBC NATO troops did not understand the "complexities" of Afghan tribal conflicts and were "manipulated" by tribal leaders fighting over land and water. "This meant that we often made the conflict worse, rather than better," he wrote in the study. Mr Martin said he was originally told his final thesis could not be published as a book because it made use of secret cables published by Wikileaks and classified materials. An MoD spokesman said: "However the publication of books and articles by serving military personnel is governed by well-established policy and regulations. When these are breached the MoD will withhold approval. [Source: BBC]

With every passing day, more and more information is revealed about the injustices committed by the crusader forces in Afghanistan. From mutilation of Taleban fighters to urinating on dead Taleban corpses, the barbaric nature of crusader forces is root in their arrogance and their failure to understand indigenous cultures and customs. The Islamic armies of the Caliphate never treated people in this manner. □

establishment of the rule based on the idea, that is the establishment of the rule on the basis of the Islamic Aqeedah. For the rule (hukm) which is not based on an idea will not revive any nation, since the condition of revival is that the rule must be built upon the idea, and not that the rule takes the holder of the idea. Therefore, the Hizb realizes that it wants to establish a rule based on the Islamic idea, and realizes that if it is established based on this, then it will achieve the four matters. So the real goal is absolutely clear to the Hizb and it works with insight and guidance. **The aim the Hizb has defined, specifically and fully, which is: to carry the Islamic Dawah, and to resume the Islamic way of life, this aim cannot be achieved unless by these four matters: the revival of the Ummah, the establishment of the state, building of the society, and carrying the message.** Therefore, the Hizb is certain that it has succeeded all the success, and it trusts in the victory of Allah. □

and later Admirals Turgut, Piyale and Salih rescued more than 70,000 Muslims in numerous expeditions by the order of Suleyman the Magnificent. Khalifah Ahmed I in the 17th century did likewise, giving the Muslims of Al-Andalus a new home in North Africa and in Istanbul. Additionally those Khulafah provided the refugees - Muslims as well as non-Muslims - prosperous living conditions and safety in their new homelands. They did not pack them in refugee camps and let them struggle for a future as the Turkish government does with its refugees.

This should be the true behaviour of Muslim leaders who seriously care for the Muslims - and not only for the Turkish people! Therefore this Ummah needs urgently an upright leader, a Khalifah, who removes these Western imposed-artificial borders between our Muslim lands, along with the corrupt and divisive system which is actually implemented, instead of these regimes and rulers who maintain and embrace the kufr capitalist nationalistic ideology. It is time to reunite this Ummah under the shade of a just Khalifah, who will bring back security and protection to the Muslims all around the world! □

Draft Constitution of the Khilafah State

Article 37: The Khalifah's adoption is restricted by the Shari'ah rules; he is prohibited to adopt any rule which is not derived according to a legitimate deduction from the Shari'ah evidences, and he is restricted with what he adopted of the rules, and by what he bound himself to with respect to the method of derivation. So he is not permitted to adopt a rule which has been derived according to a methodology which contradicts the methodology he adopted, and he cannot give an order which contradicts the rules that he had adopted.

Article 38: The Khalifah has the complete right to govern the affairs of the subjects according to his opinion and Ijtihad. He can adopt anything of the permitted issues that he needs to run the affairs of the State and to manage the peoples' affairs and he is not permitted to contradict any Shari'ah rule for the sake of benefit. For example, he cannot prohibit the single family from having more than one child on the pretext of shortage of foodstuffs, or fix prices on the pretext of preventing exploitation, or appoint a non-Muslim or a woman as a governor on the pretext of looking after the affairs or benefit, nor anything else which contradicts the Shari'ah rules. It is not permitted for him to prohibit a permitted matter and nor to allow a prohibited matter. □ [to be cont.]

**The world-wide campaign, from
Indonesia to Tunisia, for the
release of Naveed Butt,**

**Spokesman of Hizb ut Tahrir in the
Wilayah of Pakistan**

Naveed Butt, honorable and respected son of this Ummah, outspoken caller to Islam and its Khilafah, was abducted by the thugs of General Kayani, the chief agent of America in Pakistan, on 11 May 2012. This crime of Kayani's is an outcome of the American policy to suppress the rise of Islam and the return of its Khilafah. Naveed remains in the dungeons of the tyrant, his whereabouts unknown.

This book highlights the global campaign, throughout the Muslim World and beyond, mounted by Hizb ut Tahrir, under its Ameer, the

eminent jurist, Sheikh Ata Bin Khalil Abu Al-Rashtah, to secure the release of Naveed Butt. It is a declaration that this Ummah does not regret the sacrifices of its sons, for Allah (swt) will never waste the sincere actions of His servants. It is a confirmation of the accord that this Ummah gives Islam and those who strive and sacrifice to secure its return as a way of life under the shade of the Khilafah. And it is a reminder to all those who are free to speak for Islam and strive for its Khilafah in this era of tyrants, that they must avail this privilege as much as they can, seeking the pleasure of Allah (swt) and His Victory. And inshaaAllah the day is not long before Muslims raise Naveed Butt on their shoulders, welcoming the return of the Khilafah.

﴿يُرِيدُونَ أَنْ يُطْفِئُوا نُورَ اللَّهِ بِأَفْوَاهِهِمْ وَيَأْبَى اللَّهُ
إِنَّا أَنْ يَتِمَّ نُورُهُ وَلَوْ كَرِهَ الْكَافِرُونَ ﴿٣٢﴾ هُوَ الَّذِي
أَرْسَلَ رَسُولَهُ بِالْهُدَىٰ وَدِينِ الْحَقِّ لِيُظْهِرَهُ عَلَى
الدِّينِ كُلِّهِ وَلَوْ كَرِهَ الْمُشْرِكُونَ﴾

“They want to extinguish the light of Allah with their mouths, but Allah refuses except to perfect His light, although the disbelievers dislike it. It is He who has sent His Messenger with guidance and the religion of truth to manifest it over all religion, although they who associate others with Allah dislike it.” [9:32-33] □

Jubir Hizbut Tahrir Pakistan

O tyrant of Pakistan, despite the evidences to the contrary, if you think you're immune to the winds of change, consider that your peers amongst the tyrants and Pharaohs thought of themselves as if they are immortals on the earth and gods other than Allah (swt). However, they were met by what Allah ordained for them. And from them is the one who is waiting now for his blackened misfortune, which he will see soon.

﴿إِنَّ اللَّهَ بِأَمْرِهِ قَدْ جَعَلَ اللَّهُ لِكُلِّ شَيْءٍ قَدْرًا﴾

“Verily, Allah will accomplish his purpose. Indeed Allah has set a measure for all things.” [Surah al-Talaaq 65:3]
